IRISHMEN AND THE BOERS.

A Springfield, Missouri, dispatch reports that the Springfield division of the Ancient Order of Hibernians, which was solicited by the national president to contribute to the fund for the relief of the Boers, decided, by an almost unanimous vote, not to comply with the request.

If the fund is honestly employed for the relief of wounded Boer soldiers and widows and orphans, its collection is not only proper but highly meritorious. But if it is intended to increase the fighting capacity of the Boer armies, as seems probable, the action of the Springfield division is deserving of commendation.

It is apparent that the Springfield Irishmen have been doing some close thinking on this subject. They realize that the present war is an inevitable struggle for the supremacy of South Africa. And they know there are a hundred opportunities for Irishmen in an English-speaking country where one can be found in a Dutch-speaking community. The Irish people have therefore a direct interest in the pending struggle.

Three hundred years ago it was a question whether America would be dominated by the English, the Dutch, the French or the Spaniards. Suppose the Dutch had triumphed—had retained New York, and spread in overwhelming forces over the English-speaking colonies. How many Irishmen would be in this country?

History is repeating itself in South Africa. If the Boers triumph, and the Afrikanerbund achieve their slogan, "Afrika for the Afrikaners," it is little that will benefit the Irish people anywhere.

The truth is Kruger and the Boers have no more use for the Irishman than for an Englishman. Less, if there is any discrimination, because the Transvaal constitution expressly prohibits any Roman Catholic holding public office.

Ever the hope of the Irish emigrant turns toward the English-speaking colonies of the world. England has been cruel to the Irish people, but England's daughters everywhere extend them a warm welcome.—Spokesman-Review.

The report that John Jacob Astor has decided on doubling his rent charges, which will result in the forfeiture of their homes and places of business by many people who have occupied the premises for a quarter of a century or more, and who in fact in many instances are the equitable owners, is enough to shake one's belief in the doctrine of "vested rights," and make socialists, single-taxers, populists or anarchists

out of millions of people. Probably Mr. Astor is clearly within his legal rights, but if there is any heaven, there will be no Astors in it—unless it be the founder of Astoria.—Tele gram.

Rev. T. DeWitt Talmage, describing the judgment and succeeding scenes, which he professes to know something about, says: "Then our ruined planet will begin to smoke, and the mountains will smoke, and the valleys will smoke, and the seas will smoke, and the cities will smoke, and the five continents will smoke." Under these smoking circumstances, possibly the reverend word monger might take a smoke himself.

Played Out.

Dull Headache, Pains in various parts of the body, Staking at the pit of the stomach. Loss of appetite, Feverishness, Pimples or Sores all positive evidences of impure blood. No matter how it became so it must be purified in order to obtain good health. Acker's Blood Elixir has never failed to cure Scrofulous or Syphilitic poisons or any other blood diseases. It is certainly a wonderful remedy and we sell every bottle on a positive guarantee. Blakeley & Houghton's drug store.

Robbed the Grave.

A startling incident, of which Mr. John Oliver of Philadelphia, was the subject, is narrated by him as follows: "I was in a most dreadful condition. My skin was almost yellow, eyes sunken, tongue coated, pain continually in back and sides, no appetite—gradually growing weaker day by day. Three physicians had given me up. Fortunately, a friend advised 'Electric Bitters'; and to my great joy and surprise, the first bottle made a decided improvement. I continued their use for three weeks, and am now a well man. I know they saved my life, and robbed the grave of another victim." No one should fail to try them. Only 50c, guaranteed, at Blakeley & Houghton's drug store.

The Modern Mother

Has found that her little ones are improved more by the pleasant Syrup of Figs, when in need of the laxative effect of a gentle remedy, than by any other. Children enjoy it and it benefits them. The true remedy, Syrup of Figs, is manufactured by the California Fig Syrup Co. only.

L. T. Travis, agent Southern R. R., Selma, Ga., writes: "I can not say too much in praise of One Minute Cough Cure. In my case it worked like a charm." The only harmless remedy that gives immediate results. Cures coughs, colds, croup, bronchitis and all throat and lung troubles.

Clarke & Falk have received a carload of the celebrated James E. Patton strictly pure liquid paints.

Drying preparations simply develop dry catarrh; they dry up the secretions, which adhere to the membrane and decompose, causing a far more serious trouble than the ordinary form of catarrh. Avoid all drying inhalants, fumes, smokes and snuffs and use that which cleanses, soothes and heals. Ely's Cream Balm is such a remedy and will cure catarrh or cold in the head easily and pleasantly. A trial size will be mailed for 10 cents. All druggists sell the 50c. size, Ely Brothers, 56 Warren St., N. Y. The Balm cures without pain, does not irritate or cause sneezing. It spreads itself over an irritated and angry surface, relieving immediately the painful inflammation. With Ely's Cream Balm you are armed against Nasal Catarrh and Hay Fever.
