NO WAR NEWS.

The absence of news from Natal from day to day means that as yet there is no good news for England, says the Telegram. The British generals have been swift to send news of successes, even when they had to misrepresent the situation, or were mistaken in it, in order to do so; and while Roberts and Buller may have determined that it shall be a real and decided victory next time before they send home any good news, yet they will lose no time in sending such news when they are sure that it will be genuine.

No modern war has been conducted so secretly from the world; in none have the movements and designs of the armies been so little known and understood in the world's news centers. For several days absolutely nothing has been surely known of the operations of two great armies; all is guess work. This is partly due to the situation of the country where the war is going on, and partly to the rigorous and unprecedented censorship maintained.

The safest guess is that the British are maturing and probably by this time carrying out a comprehensive plan, which, though necessarily costly, will be successful, and that the Boers will soon begin, if they have not already begun, to slowly, stubbornly and sullenly retire; and that this movement will be the beginning of the end, which will be the complete conquest of the Transvaal.

BRYAN FAVORS FREE WOOL.

A dispatch reports William J. Bryan as saying that "in the event of his election as president" he would favor a duty on wool. Mr. Bryan hastens to repudiate this statement and asserts that he has not changed his views, and still favors free wool. He may be nominated but the event of his election will not occur, in which case there will be no free wool admitted to destroy the American wool growing interest. The wool growers have had a sad experience with Mr. Bryan's free wool policy, and for which he voted in congress, says the Union. They have had an opportunity to compare it with the better policy of Republican protection under which they have seen their flocks grow, and the prices of their wool advance nearly a hundred per cent. Wool growers especially will, in their future political sailing, steer clear of the free wool and free trade party.

According to Chairman BYRNE, the Democratic national convention may meet on July 4th. It met later than this more than once. In 1864, how-

ever, the Democratic national convention did not come together until August 29th. The Democrats were at sea that time, as they are today. They were waiting for something to turn up which would give them an issue on which they could appeal to the country with some slight semblance of a chance to win. They thought they had it in the hard and ineffective fighting of the Union armies in the early part of that year, and therefore they declared in their platform that the war was a failure. The fact that Lincoln carried twenty-two states in that year, and McClellan, the Democratic candidate, only three, shows what the American people thought of the Democratic party and its principles. The outlook is for a similar outcome next fall. The country wants none of the foolishness of the present Democratic leaders.—Statesman.

A Thousand Tongues

Could not express the rapture of Annie E. Springer, of 1125 Howard st., Philadelphia, Pa., when she found that Dr. King's New Discovery for Consumption had completely cured her of a hacking cough that for many years had made life a burden. All other remedies and doctors could give her no help, but she says of this Royal Cure—"It soon removed the pain in my chest and I can now sleep soundly, something I can scarcely remember doing before. I feel like sounding its praises throughout the universe." So will every one who tries Dr. King's New Discovery for any trouble of the throat, chest or lungs. Price 50c and \$1. Trial bottle free at Blakeley & Houghton's drug store; every bottle guaranteed.

Your Face

Shows the state of your feelings and the state of your health as well. Impure blood makes itself apparent in a pale and sallow complexion, Pimples and Skin Eruptions. If you are feeling weak and worn out and do not have a healthy appearance you should try Acker's Blood Elixir. It cures all blood diseases where cheap Sarsaparillas and so called purifiers fail; knowing this we sell every bottle on a positive guarantee. Blakeley & Houghton, druggists.

DR. GUNN'S IMPROVED LIVER PILLS
ONE FOR A DOSE.
Remove Pimples, Prevent Biliousness, Purify the Blood, Cure Headache and Dyspepsia. A movement of the bowels each day is necessary for health. They neither grip nor sicken. To compound free, we will mail sample free, or full box for 50c. Sold by druggists. DR. GUNN & CO., Phila. Pa.

Drying preparations simply develop dry catarrh; they dry up the secretions, which adhere to the membrane and decompose, causing a far more serious trouble than the ordinary form of catarrh. Avoid all drying inhalants, fumes, smokes and snuffs and use that which cleanses, soothes and heals. Ely's Cream Balm is such a remedy and will cure catarrh or cold in the head easily and pleasantly. A trial size will be mailed for 10 cents. All druggists sell the 50c. size. Ely Brothers, 56 Warren St., N. Y.

The Balm cures without pain, does not irritate or cause sneezing. It spreads itself over an irritated and angry surface, relieving immediately the painful inflammation. With Ely's Cream Balm you are armed against Nasal Catarrh and Hay Fever.
