A SURE CURE FOR CROUP.

Twenty-five Years' Constant Use Without a Failure.

The first indication of croup is hoarseness, and in a child subject to that disease it may be taken as a sure sign of the approach of an attack. Following this hoarseness is a peculiar rough cough. If Chamberlain's Cough Remedy is given as soon as the child becomes hoarse, or even after the croupy cough appears, it will prevent the attack. It is used in many thousands of homes in this broad land and never disappoints the anxious mothers. We have yet to learn of a single instance in which it has not proved effectual. No other preparation can show such a record—twenty-five years' constant use without a failure. For sale by Blakeley & Houghton.

Bryan Turned Down.

ANNAPOLIS, Md., Jan. 18.—The Maryland house of delegates, which is overwhelmingly democratic, today refused to endorse William Jennings Bryan as the recognized leader of the democracy of the United States, and practically killed a resolution introduced by a free-silver advocate to invite Mr. Bryan to address the body.

Mr. Wills, of Talbot county, who introduced the resolution, asked that it be carried without reference, but the proposition was voted down, and the speaker referred it to the committee on federal relations.

Robbed the Grave.

A startling incident, of which Mr. John Oliver of Philadelphia, was the subject, is narrated by him as follows: "I was in a most dreadful condition. My skin was almost yellow, eyes swollen, tongue coated, pain continually in back and sides, no appetite—gradually growing weaker day by day. Three physicians had given me up. Fortunately, a friend advised 'Electric Bitters,' and to my great joy and surprise, the first bottle made a decided improvement. I continued their use for three weeks, and am now a well man. I know they saved my life, and robbed the grave of another victim." No one should fail to try them. Only 50c, guaranteed, at Blakeley & Houghton's drug store.

Requests for Masses Liable to Legacy Tax.

PORT TOWNSEND, Jan. 19.—According to a ruling received today from the treasury department and made by the commissioner of internal revenue, a bequest of money to a priest for the purpose of saying masses for the repose of the soul is liable to legacy tax. The case came before the commissioner from Illinois, where a bequest had been made for that purpose.

Freight Collided With a Passenger.

SPokane, Wash., Jan. 18.—Five persons were injured, one probably fatally, this morning by a tail-end collision on the Great Northern near East Spokane. A freight train ran into the rear of the east-bound passenger train, the engine going about one third of the way through the rear sleeper. The accident occurred about 9 o'clock, when passengers were at breakfast, hence the number of injured was smaller than it would otherwise have been.
