OUT GOES ROBERTS.

The majority report of the Roberts investigating committee will be adopted, and the seat to which he was elected from Utah will be declared vacant. This will satisfy the clamor of the people, and set a precedent that will be heeded by Mormon communities in the future. The minority report, recommending that Roberts be admitted, his credentials being regular, and there being no doubt of his election, and that he then be expelled by a two-thirds vote, on the ground that he is a persistent and defiant law-breaker, suggests the better and more orderly proceeding, though it makes little difference which plan is adopted, so long as the desired end is speedily accomplished. In most respects Roberts may very likely be a more moral and otherwise a better man than many of his accusers, judges, and bouncers, but this cannot and should not avail him anything against the notorious and admitted fact that he openly, wilfully and defiantly violated not only the anti-polygamy law of congress, but the solemn compact of the Mormon church, in which he is a shining light, with the government. The people of Utah need just this lesson—that if they want to be represented as a state in congress, they must send there a man who, though he may be a Mormon, is not a polygamous lawbreaker.—Telegram.

POOR OLD HOAR.

Mr. Hoar persists in the falsehood that the American troops began the conflict with the Aguinaldo rebels. He disregards Aguinaldo's declaration of war, and bears false witness against General Otis because the latter refused to be entrapped by Aguinaldo's profession of peace. He quotes the glittering adjectives of Aguinaldo's proclamation with delighted approval, and ignores the concrete facts of Aguinaldo's deeds. He declares that the Filipinos won their independence from Spain, when it is known to all the world that their freedom was won by Dewey at Manila. He falsely alleges that General Otis promised the Filipinos independence, although it is a matter of record that all Otis promised was that the United States would seek to establish a liberal government.

Common sense and common truthfulness are essential in dealing with the Philippine question. Mr. Hoar exhibits neither. Hence it is difficult to be patient with him. Gray hairs cease to command respect when they are used to dignify slanders of the living and of the dead. In answer to Senator Beveridge's statements of the material advantages of

retaining the Philippines, in the face of facts which must be at least considered in determining the nation's course toward the islands, Mr. Hoar resorts to arrant blasphemy. Because the American people would protect the peaceful majority of the Filipinos against the despotism of the Aguinaldo oligarchy. Mr. Hoar compares the nation with Christ tempted by the devil. Can even Mr. Hoar imagine for a moment that this will be accepted as discussion, as sense, or as truth by the American people?

Mr. Hoar's utterances, when they are not blasphemy, falsehood, or slander, are mere sound and fury, signifying nothing. By such means he cannot rehabilitate Aguinaldo in the estimation of the American people, for they have had too much experience of the treacherous Tagal's manners and methods. He can only incite Aguinaldo to new atrocities. Yet in the end he will change nothing, and he knows it. The American people are resolved to have America peace in the Philippines, and will not swerve from their purpose because certain ambitious Tagals and their foolish friends object to it.

The American people love peace so much that they are eager to fight for it. They know that freedom follows their flag. They are resolved that their flag shall stay in the Philippines, and shall stay there to the real and lasting benefit of the people as well as to the honor and advantage of the United States.—Statesman.

WINTER TRIPS.

For winter residence or winter outing ideal conditions will be found on every hand in California. Prolonged early rainfall has this season given to the semi-tropical vegetation wonderful impetus; the floral offerings are more than usually generous and the crop of southern fruits bountiful and excellent. Old ocean possesses new charms at Santa Barbara, Santa Monica, Long Beach, Coronado and the enchanted isle of the sea, Catalina—where fishing, boating, rambling, riding, hunting and loading may be enjoyed as nowhere else. Quiet little spots, snug and warm, offer themselves at Montecito, Nordhoff, Pasadena, Echo Mountain, San Jacinto, Fall Brook and Palm Springs.

For renewing health and vigor, here abound many hot springs, of widely varying constituents and demonstrated merits; the dry, antiseptic, tonic air of the desert may be enjoyed at Banning, Indio, Yuma; and, even farther on, at Phoenix, Tucson, El Paso, exists conditions equally well indicated for weak throats and lungs. Many think nothing in nature more attractive than the shimmering olive orchards of Santa Barbara and San Diego; others prefer the stately walnuts of Ventura and Los Nietos, or the lemons of Fernando; but for glorious fruit and graceful tree commend us to the golden orange, first, last and always, and it exists in greatest perfection at Covina, Riverside, Redlands and Highlands. Equally interesting is the scientific and tempting fashion in which the sorting and packing of the orange is here accomplished.

The faithful were exhorted to see Mecca and shuffle off; but wiser generations will see California of the south and prolong life. As a cure for rheumatism Chamberlain's Pain Balm is gaining a wide reputation. D. B. Johnston of Richmond, Ind., has been troubled with that ailment since 1862. In speaking of it he says: "I never found anything that would relieve me until I used Chamberlain's Pain Balm. It acts like magic with me. My foot was swollen and paining me very much, but one good application of Pain Balm relieved me. For sale by Blakeley & Houghton."

J. I. Bevery, Loganton, Pa., writes, I am willing to take my oath that I was cured of pneumonia entirely by the use of One Minute Cough Cure after doctors failed. It also cured my children of whooping cough. Quickly relieves and cures coughs, colds, croup, grippe and throat and lung troubles. Children all like it. Mothers endorse it.
