BRITISH OCCUPY • THREE POSITIONS

All on the Tugela River—Buller Has Been Using Naval Guns.

BOER PATROL BADLY CUT UP

Lost Fourteen Men Killed and Twenty Wounded—British Loss Was Insignificant—Bombardment at Swarskopf Was Resumed Yesterday.

BOER CAMP, Upper Tugela River, Jan. 23.—The British now occupy three positions along the Tugela river. Their naval guns have been firing steel-pointed, armor-piercing shells. Reports being received that 2000 British cavalry were attempting to outflank us along the Drakensburg ridge, a strong patrol was sent to reconnoiter. Mistaking the signals, the scouts and patrol proceeded to a kopje, from which a terrific rifle and Maxim gun fire suddenly opened. The Boers lost fourteen killed and twenty wounded. The British loss was probably insignificant. The bombardment of the Boer positions at Swarskopf was resumed yesterday, chiefly with a battery brought across the river. In the afternoon cannonading became excitingly brisk, and under its cover their infantry advanced

in three lines to ascend a row of kopjes, which they occupied at nightfall, but later they retired to their old position. During the night a score of shells were fired by the British, and a balloon was sent up to spy out the Boer position. The naval guns resumed the bombardment this morning from a new position, but without results.

A Sunday Battle.
 PRETORIA, Jan. 21.—A dispatch from Colesburg says that the British attacked the Boer positions there this morning. There was heavy fighting, but with what result is not known. According to the latest from the front, the Boers were holding their positions.

A dispatch from Colesburg, dated January 18, says a patrol of 200 men under Field Cornet Opperman, while scouting, was surrounded, but succeeded in fighting its way back. It is reported that four men were killed and thirty wounded and made prisoners.

Eight Men Rescued.
 LOS ANGELES, Cal., Jan. 22.—Eight of the eleven men who were entombed in

the Third street tunnel by the caving in of earth yesterday, were rescued uninjured today. John Dejeo is still entombed, and is injured, but it is not known how seriously. It may take several hours to reach him, though he has been communicated with. Foreman Crawley is doubtless dead. Many tons of earth fell in the part of the tunnel where he was. It will be some time before he can be reached.

The theory advanced for the cause of the tunnel caving in is that a sewer broke over the place where the men were working, and water, saturating the earth, caused it to become heavy and fall.

Street Inspector Lombie, who was so badly injured, died this morning.

MAJORITY IS AGAINST QUAY

Two Exhaustive Reports Filed in Contested Election Case.

WASHINGTON, Jan. 23.—At the opening of today's session, Senator Turley (Tenn.) reported from the committee on privileges and elections the resolution on the case of Quay. The resolution follows: "That Hon. Matthew S. Quay is not entitled to take his seat in this body as senator from the state of Pennsylvania." The resolution was the judgment of a majority of the committee. Senator Turley called the attention of the committee, which was to the effect that Quay was entitled to a seat in the senate. Both resolutions were accompanied by reports in their support.

The majority report opposing the seating of Mr. Quay was signed by Senators Caffery, Pettus, Turley, Harris and Burrows, the last-named being the only Republican signing it. The minority report bears the signatures of Senators Hoar, Chandler, Pritchard and McComas, all Republicans, and advocates giving the seat to Mr. Quay. The majority report first reviews the circumstances under which Mr. Quay's appointment was made, including the failure of the Pennsylvania legislature to elect a senator.

Robbed the Grave.
 A startling incident, of which Mr. John Oliver of Philadelphia, was the subject, is narrated by him as follows: "I was in a most dreadful condition. My skin was almost yellow, eyes sunken, tongue coated, pain continually in back and sides, no appetite—gradually grow-

ing weaker day by day. Three physicians had given me up. Fortunately, a friend advised 'Electric Bitters'; and to my great joy and surprise, the first bottle made a decided improvement. I continued their use for three weeks, and am now a well man. I know they saved my life, and robbed the grave of another victim." No one should fail to try them. Only 50c, guaranteed, at Blakeley & Houghton's drug store.

Steamer Townsend Wrecked.
 SEATTLE, Wash., Jan. 23.—A special to the Times from Port Townsend says: The steamer Cottage City arrived today from Alaskan ports. She reports the total loss of the steamer Townsend near Haine's Mission on Tuesday night. She also brings news of having found the overdue steamer City of Seattle on Sunday morning anchored between Point St. Mary and Point Bridget, with her propeller missing. The Seattle was in a very dangerous position. She towed the vessel to Juneau.

Revolutionary Plot Nipped in the Bud.
 NEW YORK, Jan. 23.—Advices from Caracas, Venezuela, announce the imprisonment there of Manuel A. Mattos, who was minister of finance under President Andrade, and is one of Venezuela's wealthiest men, by order of President Castro, on the charge of conspiracy against the government. Documents found in his possession show that he was in communication with General Jose Manuel Hernandez, the rebel leader.

A few weeks ago an export firm of this city received from Senor Mattos an order for 20,000 Mauser rifles and 5,000,000 cartridges. It is presumed at the time that they were intended for the Venezuelan government. His arrest, however, has caused the belief that the supplies were meant for the use of the revolutionists.

Senor Mattos is well known here and was at one time a member of the firm of Scholtz, Sanchez & Co., of this city.

Large Force of Filipinos Defeated at Taal.

MANILA, Jan. 22.—Two companies of the Forty-sixth infantry, under Major Johnson, and three companies of the Thirty-eighth infantry, commanded by Major Muir, defeated 800 insurgents at Taal, province of Batangas, Saturday, taking the town. The gunboat Marietta also shelled the place. The insurgents had four cannon, two of which were captured. Two Americans were wounded, and ten dead insurgents were found on the field.

The plague statistics now show a total of fourteen cases and eleven deaths.

Americans Occupy Santa Cruz.
 MANILA, Jan. 23, 9:50 a. m.—The Americans have occupied Santa Cruz, on Laguna de bay, Laguna province. It was reported many insurgents were concentrated there, but the town was found deserted.

The military regulation requiring the streets to be cleared of natives at 8:30 p. m., has been changed to 10 o'clock.
