## KENTUCKIANS THREATEN WAR

Thousand Armed Men Have Arrived in Frankfort.

## THE PATROL STATE HOUSE

Conflict May Take Place Tomorrow. When, It is Said, the Goebel Democrats Will Endeavor to Force Action on the Contests Over Seats in the House.

FRANKFORT, Ky., Jan. 25.—A special train bearing more than 1000 men, carrying Winchester rifles, arrived in Frankfort this morning.

The men marched to the statehouse, stacked their guns and took up positions in groups about the building. They were all provided with badges bearing a portrait of Governor Taylor, which they pinned on their breasts. Adjutant-General Collier states he had no knowledge that the men were coming. Many of the visitors are members of the state guard. The total number which arrived on the special train cannot be stated exactly, but the train had seventeen cars.

Ex-Secretary of State Finney addressed the visitors from the steps of the statehouse. He said the object of gathering was to see justice done. A committee was appointed to draft resolutions. Stephen Sharp, of Lexington, was chosen chairman.

The lower house of the legislature met at 11 o'clock, and on motion of Cantrell (Democratic leader), a resolution was adopted excluding all but ladies from the chamber and galleries. Catron (Rep.) asked consent of the house to permit non-members to present a resolution, but Speaker Trimble ruled that nobody but a member could do so.

A rumor is in circulation, but persistently denied, that Judge Cantrell, of the local circuit court, has summoned all Democratic deputy sheriffs of the state to Frankfort. Commonwealth Attorney Franklin says he knows of no such order.

### Cause Of It All.

CINCINNATI, O., Jan. 25.—A Times-Star special from Lexington, speaking of the movement of armed men from Southwest Kentucky to Frankfort, adds:

"They are to be present at Frankfort tomorrow, when the Goebel men will attempt forcing action on the contests over seats in the house. It is given out that these Republicans will serve notice on Goebel members that they don't intend seeing Republicans who have been honestly elected thrown out for Goebel Democrats. This would cause Speaker Trimble to order the lobbies and galleries of the entire statehouse cleared, which, it is believed, would precipitate a conflict."

### Assault on a Japanese.

INDEPENDENCE, Or., Jan. 24.—Constable J. H. Moran took over to the county jail at Dallas today, Willis Jordan, who was committed in default of \$100 bail, on a charge of assault with a dangerous weapon. Last Sunday at the Cooper

logging camp, a few mile below town, Allen Jordan is alleged to have given a Japanese cook an unmerciful beating, and while he was doing the beating his brother stood in the room with a big club and made the rest of the crowd keep off. The brother who did the beating cannot be found. The other one did not think the officials wanted him, so made no effort to escape. The boys have been in trouble in this city before.

## A COMMISSION MAY GOVERN

President Has a New Plan for the Philippines.

NEW YORK, Jan. 25.—A special to the Herald from Washington says: The proposition made by the Filipino leader, Senor Mabini, for a civil commission to treat with the Filipinos will not be considered by the administration until Aguinaldo surrenders, and in official circles the general disposition is to regard Mabini's request as another play for delay.

It is the purpose of President McKinley to inaugurate a civil government to supersede military rule in the Philippines at the earliest possible moment, and he is favorably inclined toward a commission in lieu of a governor-general, and is discussing the question of available men for such a commission. If his present plans are carried out the Filipinos will have all of the commissions they want to confer with, for in addition to a commission for the government of the islands, it is not unlikely that congress will appoint a joint commission to investigate the islands next summer and report to the next session as a guide for future legislation.

### Robbed the Grave.

A startling incident, of which Mr. John Oliver of Philadelphia, was the subject, is narrated by him as follows: "I was in a most dreadful condition. My skin was almost yellow, eyes sunken, tongue coated, pain continually in back and sides, no appetite—gradually growing weaker day by day. Three physicians had given me up. Fortunately, a friend advised 'Electric Bitters'; and to my great joy and surprise, the first bottle made a decided improvement. I continued their use for three weeks, and am now a well man. I know they saved my life, and robbed the grave of another victim." No one should fail to try them. Only 50c, guaranteed, at Blakeley & Houghton's drug store. 5

## CHINA TO HAVE A NEW EMPEROR

Dowager Empress Is Believed to Have Forced Old One to Abdicate and Nine-Year-Old Boy Will Succeed Him.

PEKING, Jan. 25.—The imperial edict issued yesterday says that owing to the emperor's poor health he is unable to conduct the business of the state, and appoints Pat Sing, son of Prince Tuano, his heir. The emperor apparently has been compelled by the dowager empress to abdicate about Chinese New Year, though it is understood this will meet with considerable opposition in certain court circles. The dowager empress, however, intends to carry out the programme which she had been planning for years.

WASHINGTON, Jan. 25.—The Chinese minister here has received no official information as to the appointment of a new emperor. When the announcement was shown the members of the legation by a representative of the Associated Press, considerable surprise was expressed from the fact that the names mentioned, Pat Sing, the reported new emperor, and Prince Tuano, his father, are not known to any member of the legation. Chinese officials here say they are certainly not prominent in public affairs.

### A SURE CURE FOR COUGH.

Twenty-five Years' Constant Use Without a Failure.

The first indication of cough is hoarseness, and in a child subject to that disease it may be taken as a sure sign of the approach of an attack. Following this hoarseness is a peculiar rough cough. If Chamberlain's Cough Remedy is given as soon as the child becomes hoarse, or even after the cough appears, it will prevent the attack. It is used in many thousands of homes in this broad land and never disappoints the anxious mothers. We have yet to learn of a single instance in which it has not proved effectual. No other preparation can show such a record—twenty-five years' constant use without a failure. For sale by Blakeley & Houghton.

### Death by Carbolic Acid.

ROSEBURG, Or., Jan. 24.—Ida, wife of Fred Gabbert, of Myrtle Creek, drank carbolic acid with suicidal intent at 7 o'clock this morning, dying in a few minutes. It is thought the woman was mentally unbalanced from the effects of serious illness a year ago. She left a husband and two young children. The deceased and her husband belong to two of the oldest families of Myrtle Creek. The coroner is investigating the case this evening.

"I am indebted to One Minute Cough Cure for my health and life. It cured me of lung trouble following grippe." Thousands owe their lives to the prompt action of this never failing remedy. It cures coughs, colds, croup, bronchitis, pneumonia, grippe and throat and lung troubles. Its early use prevents consumption. It is the only harmless remedy that gives immediate results.

F. B. Thirkield, health inspector of Chicago, says, "Kodol Dyspepsia Cure cannot be recommended too highly. It cured me of severe dyspepsia." It digests what you eat and cures indigestion and heartburn, and all forms of dyspepsia.

### Reports Should Be Discounted.

VANCOUVER, B. C., Jan. 24.—The reports of fabulously rich quartz strikes in the north should be liberally discounted, says J. A. Marion, of Dawson, himself

the owner of several placers and also of a coal mine half way between Bennett and Dawson. He states that the reported rich find of copper-gold quartz at Great Slave lake, in which the Hudson's bay people were interested, has turned out to be fictitious. "There is no doubt whatever," said Mr. Marion, "that the mine is salted."

### WINTER TRIPS.

For winter residence or winter outing ideal conditions will be found on every hand in California. Penteous early rainfall has this season given to the semi-tropical vegetation wonderful impetus; the floral offerings are more than usually generous and the crop of southern fruits bountiful and excellent.

Old ocean possesses new charms at Santa Barbara, Santa Monica, Long Beach, Coronado and the enchanted isle of the sea, Catalina—where fishing, boating, rambling, riding, hunting and loafing may be enjoyed as nowhere else. Quiet little spots, snug and warm, offer themselves at Montecito, Nordhoff, Pasadena, Echo Mountain, San Jacinto, Fall Brook and Palm Springs.

For renewing health and vigor, here abound many hot springs, of widely varying constituents and demonstrated merits; the dry, antiseptic, tonic air of the desert may be enjoyed at Banning, Indio, Yuma; and, even farther on, at Phoenix, Tucson, El Paso, exists conditions equally well indicated for weak throats and lungs.

Many think nothing in nature more attractive than the shimmering olive orchards of Santa Barbara and San Diego; others prefer the stately walnuts of Ventura and Los Nietos, or the lemons of Fernando; but for glorious fruit and graceful tree commend us to the golden orange, first, last and always, and it exists in greatest perfection at Covina, Riverside, Redlands and Highlands. Equally interesting is the scientific and tempting fashion in which the sorting and packing of the orange is here accomplished.

The faithful were exhorted to see Mecca and shuffle off; but wiser generations will see California of the south and prolong life.

### Buried at Arlington.

WASHINGTON, Jan. 24.—The remains of forty-three soldiers who died of yellow fever in Cuba, were interred at Arlington today. The exercises were conducted according to the rituals of the Catholic and Episcopal churches. President McKinley, Secretary Root and Attorney-General Griggs were present. The burial was with military honors.

L. T. Travis, agent Southern R. R., Selma, Ga., writes: "I can not say too much in praise of One Minute Cough Cure. In my case it worked like a charm." The only harmless remedy that gives immediate results. Cures coughs, colds, croup, bronchitis and all throat and lung troubles.
