REPUBLICAN ORGANIZATION.

New Club for Work the Coming Election in Multnomah County—Endorse the Oregonian's Strong Stand.

The following news item in yesterday's Oregonian indicates that the big paper's position on the primary question is receiving considerable attention in Multnomah county. It says:

About twenty-five of the leading Republicans of the ninth ward met last night at the office of Buchtel & Kerns, in the Burkhardt building, East Burnside street, and organized a new Republican club for the coming campaign. Gen. Owen Summers was chosen president; C. A. Moore, vice-president; E. N. Wheeler, secretary; and H. H. Newhall, treasurer. The club then adopted as its platform and principles the following:

"First—To harmonize and unite the heretofore contending factions of the party in the pursuit of a common purpose.

"Second—To demand fair primary elections for delegates to the county convention, the appointment of none but fair and impartial judges and clerks for the conducting of said primaries, and to see that the votes cast at such election are fairly counted.

"Third—To select responsible and representative men as delegates to the county convention, who shall not be pledged to vote in said convention for the choice of any ring, faction or person, but each delegate shall be free and untrammelled to support for office only such persons as in his judgement shall best subserve the public welfare; and we oppose the present system of political managers promising the offices to persons in advance and attempting to secure delegates to confirm their actions.

"Fourth—To advocate and promote Republican principles as promulgated by the last national convention, and the election of Republicans to office in national, state and local affairs."

The following resolution was unanimously adopted:

"Resolved, That we heartily endorse the stand taken by The Oregonian for a fair primary election and purer politics in this county, and promise to use every legitimate means to aid and assist in obtaining such a result."

A committee was then appointed to secure quarters for the club. All Republicans are invited to participate with the organization, as no factional lines are drawn and the club will not have any candidates for any office. The name of the new organization is "The Ninth Ward Sound Money and Expansion Club." The next meeting will be held one week from this evening, Friday, February 2nd.

Regarding the above organization, the Oregonian editorial comments as follows:

The purposes of a Republican club

meeting held last night in the Ninth Ward, as set forth in the proceedings printed today, are commendable. Let the Republican party go on with its business upon this basis, and there will be no ground of complaint. The Oregonian believes there is no reason to fear that the arrangements for the primaries and conventions will be other than equitable and fair. By this it means that the committee will make such arrangements and establish such regulations as will assure equal rights to all. It can have no disposition to do otherwise.

Proposals for Refunding Water Bonds.
Dalles City Oregon.

Sealed proposals will be received by the board of water commissioners of Dalles City, Oregon, at said city until 8:30 o'clock p. m. of the 26 day of Feb., 1900, for twenty-five thousand dollars, and twenty thousand dollars of refunding water bonds of said city, (as it is not settled as to whether the total amount of bonds will be \$25,000 or \$20,000) authority is extended to the said board to issue refunding water bonds in the sum of \$25,000, but if found not to be necessary, the issue will be for no more than \$20,000; and at a rate of interest not exceeding four per cent per annum payable twenty years from date of issue, interest payable semi-annually, principal and interest payable in gold coin of the United States, at any city therein, at the option of the buyer.

The bonds mentioned will be issued under the provisions of the several legislative acts of the state of Oregon, approved Feb. 26, 1885, Feb. 19, 1889, and Feb. 14, 1895, and in pursuance of an ordinance adopted by the common council of Dalles City, approved January 25, 1900. The proposed refunding water bonds are intended for the redemption of outstanding water bonds in the sum of \$25,000; but in case the board of water commissioners prefer, it will issue refunding bonds for \$20,000 only, therefore bidders may make proposals for both \$25,000 and \$20,000, and in the denomination of \$500 each.

No bid will be entertained for a rate less than par value of the bonds. Premiums and rate of interest will be taken into consideration in passing on the value of all bids.

Bidders must deposit with the president of the board a duly certified check on some responsible bank equal to 2 per cent of the amount of bonds bid for, or accompany his bid with cash of such amount as will equal such per cent of his bid, and such certified check made payable to the president of the board of water commissioners of Dalles City, Or., as liquidated damages in case the bidder shall fail or neglect to receive and pay for, at the office of the city treasurer of said city, the bonds awarded to him on his bid, on or before the first day of March, 1900.

Attention should be given the fact that the board will not issue and dispose of more than \$20,000 of such refunding bonds, unless it shall be deemed necessary to do so, but otherwise, if the board shall find that it is necessary to issue bonds in the sum of \$25,000, it will then offer and issue the full sum, (\$25,000).

The right to reject any and all bids is reserved by the said board of water commissioners.

Bids should be addressed to the president of said board, or to the city recorder, Dalles City, Wasco county, Oregon, and noted "Proposals for refunding water bonds."

By order of the Board of Water Commission, by and with the consent of the Common Council. This 25th day of January, 1900.

T. J. SEUFERT,
President of Board,
NED H. GATES,
Recorder of Dalles City.
