

BULLER TO MAKE THIRD ATTEMPT

And Hopes to Raise Siege of Ladysmith in a Week.

WILL YET HOLD OUT

Scenes on Top of Spionkop Are Said to Be Fearful—England Does Not Want Mediation.

CAPE TOWN, Jan. 30.—General Buller still holds the Tugela drifts and will possibly renew his attempt to force his way through the Boer defenses before long.

LONDON, Jan. 31.—When the nation had almost resigned itself to the fall of Ladysmith there comes from all quarters today an indication that Buller will make another attempt to relieve the besieged place.

A dispatch from the Associated Press representative at Spearman's farm, dated January 25, describing the fight and retirement from Spionkop, says:

Great Britain Does Not Want Mediation. NEW YORK, Jan. 31.—A special to the Herald from Washington says:

Catarrh Cannot be Cured with local applications, as they cannot reach the seat of the disease. Catarrh is a blood or constitutional disease, and in order to cure it you must take internal remedies.

A STATE OF INSURRECTION

Legislature Ordered Adjourned—Democrats Refuse to Obey.

FRANKFORT, Ky., Jan. 31.—Governor Taylor at 10 o'clock this morning issued the following proclamation:

"To the General Assembly. Common wealth of Kentucky: Whereas, a state of insurrection now prevails in the state of Kentucky, and especially in Frankfort, the capitol thereof, by virtue of authority vested in me by the constitution of Kentucky, I do hereby by this proclamation adjourn at once the general assembly of the state of Kentucky to meet at London, Laurel county, Ky., Tuesday, the 6th day of February, 1900, at 12 o'clock.

The Democratic members of the legislature declined to accept the adjournment and, not being permitted to assemble at the capitol, decided to meet in the opera house. This was prevented by troops who also chased members through the streets and prevented them from meeting at the courthouse.

FRANKFORT, Ky., Jan. 31.—The court of appeals has indefinitely adjourned, refusing to sit while the militia is here. One reason is the fact that letters were received from Middleboro today stating that the appellate judges, Hazlerigg and Hobson, were also to have been killed yesterday.

FINE CONDITION OF SHEEP

Wool Already Heavier Than at Shearing Time Last Year.

ONTARIO, Or., Jan. 29.—Reports from a large number of shepherds show that this has been a mild winter on them, and that they have wintered in first-rate condition.

"To the General Assembly. Common wealth of Kentucky: Whereas, a state of insurrection now prevails in the state of Kentucky, and especially in Frankfort, the capitol thereof, by virtue of authority vested in me by the constitution of Kentucky, I do hereby by this proclamation adjourn at once the general assembly of the state of Kentucky to meet at London, Laurel county, Ky., Tuesday, the 6th day of February, 1900, at 12 o'clock.

Winter feeding of sheep in this part of the country is on the increase, and last fall many who intended to feed were disappointed on account of the shortage of hay and grain. Large trainloads of shelled corn were shipped in from Kansas and Nebraska in lieu of native hay and other feed.

Robbed the Grave. A startling incident, of which Mr. John Oliver of Philadelphia, was the subject, is narrated by him as follows: "I was in a most dreadful condition. My skin was almost yellow, eyes sunken, tongue coated, pain continually in back and sides, no appetite—gradually growing weaker day by day.

"Cavalrymen" Assaulted a Spectator.

LEBANON, Or., Jan. 30.—Last Saturday, after the meeting of the cavalry company at this place, several of the members remained for exercise and drill. A harmless, half-witted young man by the name of Charley Galloway went in as a spectator. Two or three of the young men began to abuse and beat Galloway, while another stood by the electric light switch and turned the lights on and off to suit Galloway's assailants.

No River and Harbor Bill Will Be Presented

WORK OF ENEMIES OF THE CANAL

Needed Improvements at the Mouth of the Columbia Will Be Postponed Another Year.

WASHINGTON, Jan. 30.—The river and harbor committee reached a formal determination today not to present a river and harbor bill at the present session of congress. A great deal of disappointment is expressed in the senate and house by both the Oregon and Washington delegations regarding the decision.

While the explanation given out by members of the committee concerning the bill are very plausible, there is yet a feeling that opposition to the Nicaragua canal enters into this action. It is feared by those who oppose the canal that it will be made a part of the river and harbor bill in the senate, as it was last session, and in a long session of congress the friends of the canal would be able to force it through.

Because of the available funds now on hand, many of the Oregon projects will not suffer on account of the failure to pass the bill. There is now on hand over \$200,000 for work on the boat railway and other projects at the dalles, as soon as the secretary of war will authorize the expenditure; \$140,000 for the Lower Willamette and Columbia below Portland; \$111,000 for the Columbia below Tongue point; \$72,000 for a canal at the Cascades, and proportionate amounts for other projects, sufficient to carry them through until the next bill is passed.
