U. OF O. NOTES.

Oregonians Should Give Their Institution Better Support.

EDITOR CHRONICLE:
At assembly Wednesday morning the student body listened to an address by Dean Sanderson of the Eugene Divinity school. Rev. Sanderson said that Oregon was not giving her institution the proper support. That the churches should not endeavor to maintain their denominational schools, but should lend their support to the state university where those of all creeds would meet and learn to know and have a greater respect for one another. That the university now had a president who was strong in ability as well as in name. He was sure that the new life that the university had this year received would next year bring from 400 to 500 students to the institution.

The Philological literary society listened to a prepared address by our professor of athletics, Chas. Burden. Prof. Burden gave a summary of the records of the past thirty or forty years to the present. Old records are continuously being broken and with one or two exceptions, the athlete of today is developing a higher muscular activity. One does not see today the pale face student neglecting his body in trying to produce an anomalous brain, but both are being developed together and better results are being expected in both lines. The society debated this question: "Resolved, That senators should be elected by direct vote of the people." C. E. Coppie and J. O. Russel upheld the affirmative while V. L. Holt, C. W. Wagner upheld the negative. The negative received the decision. A committee was appointed to extend to President Penrose, of Whitman college, an invitation to deliver a lecture under the auspices of the society in the near future.

The Lyrean society debated the question: "Resolved, That the contested seats of congressmen and senators should be referred to the supreme court." L. E. Hooker and K. C. Miller upheld the affirmative and R. S. Smith and Condon Bean the negative. The affirmative won the decision.

The musical students of Prof. W. Gifford Nash gave a public recital at Villard Hall Saturday evening. The Treble Clef Club also sang a number of piano solos. This was interspersed with piano solos by Prof. Nash and Arthur Frazer. The recital was a rare musical treat.

The first semester examinations commenced Thursday Feb. 1, and continues until Friday, the 9th. These are the students busy days.

The January number of the U. of O. Monthly is out. It contains beside a number of interesting stories, an article entitled "The Evolution of the Glee Club" by W. Gifford Nash. A history of the U. of O. Club and an account of the Glee Club's recent trip through Eastern Oregon by Prof. I. M. Glen. Half tones of the Glee Club and Treble Clef Club also appear. Anyone desiring a copy will receive one by giving his or her name to Geo. Ruch, Jr.

WINTER TRIPS.

For winter residence or winter outing ideal conditions will be found on every hand in California. Pleantous early

rainfall has this season given to the semi-tropical vegetation wonderful impetus; the floral offerings are more than usually generous and the crop of southern fruits bountiful and excellent. Old ocean possesses new charms at Santa Barbara, Santa Monica, Long Beach, Coronado and the enchanted isle of the sea, Catalina—where fishing, boating, rambling, riding, hunting and loafing may be enjoyed as nowhere else.

Quiet little spots, snug and warm, offer themselves at Montecito, Nordhoff, Pasadena, Echo Mountain, San Jacinto, Fall Brook and Palm Springs.

For renewing health and vigor, here abound many hot springs, of widely varying constituents and demonstrated merits; the dry, antiseptic, tonic air of the desert may be enjoyed at Banning, India, Yuma; and, even farther on, at Phoenix, Tucson, El Paso, exists conditions equally well indicated for weak throats and lungs.

Many think nothing in nature more attractive than the shimmering olive orchards of Santa Barbara and San Diego; others prefer the stately walnuts of Ventura and Los Nietos, or the lemons of Fernando; but for glorious fruit and graceful tree commend us to the golden orange, first, last and always, and it exists in greatest perfection at Covina, Riverside, Redlands and Highlands. Equally interesting is the scientific and tempting fashion in which the sorting and packing of the orange is here accomplished.

The faithful were exhorted to see Mecca and shuffle off; but wiser generations will see California of the south and prolong life.

Proposals for Refunding Water Bonds, Dalles City Oregon.

Sealed proposals will be received by the board of water commissioners of Dalles City, Oregon, at said city until 8:30 o'clock p. m. of the 26 day of Feb., 1900, for twenty-five thousand dollars; and twenty thousand dollars of refunding water bonds of said city, (as it is not settled as to whether the total amount of bonds will be \$25,000 or \$20,000) authority is extended to the said board to issue refunding water bonds in the sum of \$25,000, but if found not to be necessary, the issue will be for no more than \$20,000; and at a rate of interest not exceeding four per cent per annum payable twenty years from date of issue, interest payable semi-annually, principal and interest payable in gold coin of the United States, at any city therein, at the option of the buyer.

The bonds mentioned will be issued under the provisions of the several legislative acts of the state of Oregon, approved Feb. 26, 1885, Feb. 19, 1889, and Feb. 14, 1895, and in pursuance of an ordinance adopted by the common council of Dalles City, approved January 25, 1900. The proposed refunding water bonds are intended for the redemption of outstanding water bonds in the sum of \$25,000; but in case the board of water commissioners prefer, it will issue refunding bonds for \$20,000 only, therefore bidders may make proposals for both \$25,000 and \$20,000, and in the denomination of \$500 each.

No bid will be entertained for a rate less than par value of the bonds. Premiums and rate of interest will be taken into consideration in passing on the value of all bids.

Bidders must deposit with the president of the board a duly certified check on some responsible bank equal to 2 per cent of the amount of bonds bid for, or accompany his bid with cash of such amount as will equal such per cent of his bid, and such certified check made payable to the president of the board of water commissioners of Dalles City, Or., as liquidated damages in case the bidder shall fail or neglect to receive and pay for, at the office of the city treasurer of said city, the bonds awarded to him on his bid, on or before the first day of March, 1900.

Attention should be given the fact that the board will not issue and dispose of more than \$20,000 of such refunding bonds, unless it shall be deemed necessary to do so, but otherwise, if the board shall find that it is necessary to issue bonds in the sum of \$25,000, it will then offer and issue the full sum, (\$25,000).

The right to reject any and all bids is reserved by the said board of water commissioners.

Bids should be addressed to the president of said board, or to the city recorder, Dalles City, Wasco county, Oregon, and noted "Proposals for refunding water bonds."

By order of the Board of Water Commissioners, by and with the consent of the Common Council. This 25th day of January, 1900.
