## Doctors Can't Cure It!

Contagious blood poison is absolutely beyond the skill of the doctors. They may dose a patient for years on their mercurial and potash remedies, but he will never be rid of the disease; on the other hand, his condition will grow steadily worse. S. S. S. is the only cure for this terrible affliction, because it is the only remedy which goes direct to the cause of the disease and forces it from the system.

I was afflicted with Blood Poison, and the best doctors did me no good, though I took their treatment faithfully. In fact, I seemed to get worse all the while. I took almost every so-called blood remedy, but they did not seem to reach the disease, and had no effect whatever. I was disheartened, for it seemed that I would never be cured. At the advice of a friend I then took S. S. S., and began to improve. I continued the medicine, and it cured me completely, building up my health and increasing my appetite. Although this was ten years ago, I have never yet had a sign of the disease to return.

W. B. NEWMAN, Staunton, Va.

It is like self-destruction to continue to take potash and mercury; besides totally destroying the digestion, they dry up the marrow in the bones, producing a stiffness and swelling of the joints, causing the hair to fall out, and completely wrecking the system.

**"The Little Minister."**

When New York has placed the stamp of approval upon a play it does not always mean that it will be successful elsewhere. The exception which proves the rule, however, is without a doubt "The Little Minister," and the hearty welcome that has been accorded this wonderful play everywhere shows that its success has been a solid one. Those who have read the book may wonder how such material could be thrashed into form for a play. The play abounds in neat speeches, its characters to those who have read the book are familiar from the first; its scenes carry with them the prettiness of the theme, leaving nothing lacking in the telling. There are no tears, so essential it has been fancied to produce "heart interest" but the merry laughter, and roguishness of "Babbie" are so winning, that if at times consistency is strained it is forgiven. J. M. Barrie who has made the dramatization of "The Little Minister" from his famous novel of that name has given us, it is said, one of the prettiest plays ever seen. Certainly no play produced in many years has achieved the wonderful success this one has. We often hear of the remarkable success of plays in New York and other large cities and of the phenomenal engagements they play, and doubt them, but all that has been said regarding "The Little Minister's" is true. Its run in New

**More About the Sewer.**

**EDITOR CHRONICLE:**

I noticed in your paper of the 11 inst. a very good suggestion if our council in their good judgment and power will adhere to it; that is, to give the taxpayers a chance to vote whether they want to be taxed to construct the present intended sewer system or not. It will work a very great hardship on at least 75 per cent of our citizens, and will completely ruin and turn out of doors a large number who are not able to pay their present taxes, which we are now weighted down with.

"I hobbled into Mr. Blackmon's drug store one evening," says Wesley Nelson, of Hamilton, Ga., "and he asked me to try Chamberlain's Pain Balm for rheumatism, with which I had suffered for a long time. I told him I had no faith in any medicine as they all failed. He said: 'Well if Chamberlain's Pain Balm does not help you, you need not pay for it.' I took a bottle of it home and used it according to directions and in one week I was cured, and have not since been troubled with rheumatism." Sold by Blakeley & Houghton.

**Proposals for Refunding Water Bonds, Dalles City Oregon.**

Sealed proposals will be received by the board of water commissioners of Dalles City, Oregon, at said city until 8:30 o'clock p. m. of the 26 day of Feb., 1906, for twenty-five thousand dollars, and twenty thousand dollars of refunding water bonds of said city, (as it is not settled as to whether the total amount of bonds will be \$25,000 or \$20,000) authority is extended to the said board to issue refunding water bonds in the sum of \$25,000, but if found not to be necessary, the issue will be for no more than \$20,000; and at a rate of interest not exceeding four per cent per annum payable twenty years from date of issue, interest payable semi-annually, principal and interest payable in gold coin of the United States, at any city therein, at the option of the buyer.

The bonds mentioned will be issued under the provisions of the several legislative acts of the state of Oregon, approved Feb. 26, 1885, Feb. 19, 1889, and Feb. 14, 1895, and in pursuance of an ordinance adopted by the common council of Dalles City, approved January 25, 1906. The proposed refunding water bonds are intended for the redemption of outstanding water bonds in the sum of \$25,000; but in case the board of water commissioners prefer, it will issue refunding bonds for \$20,000 only, therefore bidders may make proposals for both \$25,000 and \$20,000, and in the denomination of \$500 each.

No bid will be entertained for a rate less than par value of the bonds. Premiums and rate of interest will be taken into consideration in passing on the value of all bids.

Bidders must deposit with the president of the board a duly certified check on some responsible bank equal to 2 per cent of the amount of bonds bid for, or accompany his bid with cash of such amount as will equal such per cent of his bid, and such certified check made payable to the president of the board of water commissioners of Dalles City, Or., as liquidated damages in case the bidder shall fail or neglect to receive and pay for, at the office of the city treasurer of said city, the bonds awarded to him on his bid, on or before the first day of March, 1906.

Attention should be given the fact that the board will not issue and dispose of more than \$20,000 of such refunding bonds, unless it shall be deemed necessary to do so, but otherwise, if the board shall find that it is necessary to issue bonds in the sum of \$25,000, it will then offer and issue the full sum, (\$25,000). The right to reject any and all bids is reserved by the said board of water commissioners.

Bids should be addressed to the president of said board, or to the city recorder, Dalles City, Wasco county, Oregon, and noted "Proposals for refunding water bonds."

By order of the Board of Water Commission, by and with the consent of the Common Council. This 25th day of January, 1906.

T. J. SEFFERT,  
President of Board,  
NED H. GATES,  
Recorder of Dalles City.
