

# Throat Troubles

"Radwell, Ky., where I live, is in the extreme western part of the State and only a few miles from Cairo, Ill., where the Ohio empties into the Mississippi River. It may be that throat troubles are common here because of location, but whatever the reason, I find it wise to constantly keep a supply of Acker's English Remedy for Consumption on hand. It is the best thing I ever came across for coughs, colds and throat troubles, and I have used it in my family for years. No druggist here can be depended upon to have it always, so I am writing this letter to W. H. Hooker & Co., 230 Broadway, N. Y., to order a dozen bottles at a time. My wife is bothered lately with sore throat and difficult breathing, but just as soon as the dozen bottles get here, I will give her a few doses, and she will certainly be well again. I expect to write another letter in a short time saying my wife is cured, for I feel absolutely sure it is what she needs." (Signed) T. A. WHITE.

Sold at 25c., 50c. and \$1 a bottle, throughout the United States and Canada; and in England, at 1s. 2d., 2s. 3d., 4s. 6d. If you are not satisfied after buying, return the bottle to your druggist, and get your money back. We authorize the above guarantee. W. H. HOOKER & CO., Proprietors, New York.

Always speak a good word for the town in which you live. If you cannot say a good word, say nothing. Too many people are apt to say things, which, if they would stop to reflect they would leave unsaid. If you are not as prosperous as your neighbor it is not your neighbor's fault, nor, possibly yours. Conditions may be such that you fail to succeed where others do. It is not the fault of the town but your own misfortune, and perhaps after a while your turn may come. Nothing hurts a town so much as to have a resident always crying down every effort put forth to build it up. Be charitable.—Ex.

### The Little Minister.

Charles Frohman's company will present "The Little Minister," the comedy success of the century, at the Vogt opera house February 15, 1900.  
The play has made a marvelous impression on the theatergoing public, not only attracting people in crowds to the houses in which it has been presented, but making them feel that there is more heart and sentiment in its scenes and lines than anything that has ever been seen before. "The Little Minister" is a comedy written by J. M. Barrie, and founded on his popular novel of the same name. The love story of "Lady Babbie" and the quaintly humorous characters of the village of Thrusus—the twin charms of the book—are delightfully represented in the play. The play exudes the same exquisite heart-winning atmosphere that pervades Mr. Barrie's pages. The comedy ran for 300 nights in New York, turning people away for every performance. This is no idle statement it is a remarkable fact; not a single night during the entire season run of the piece in the metropolis, did the curtain go up on the play that every last inch of standing room in the house was not taken. The New

York triumph has been duplicated everywhere, and it would seem that "The Little Minister" is destined to crowd theaters as long as it lives. It is a beautiful play in every way and Chas. Frohman's name in connection with the production is a guarantee that it is all that theater goers could desire.

## Oh, the Pain of Rheumatism!

Rheumatism often causes the most intense suffering. Many have for years vainly sought relief from this disabling disease, and are to-day worse off than ever. Rheumatism is a blood disease, and Swift's Specific is the only cure, because it is the only remedy which can reach such deep-seated diseases.  
A few years ago I was taken with inflammatory Rheumatism, which became so intense that I was for weeks unable to walk. I tried several prominent physicians and took their treatment faithfully, but was unable to get the slightest relief. In fact, my condition seemed to grow worse, the disease spread over my entire body, and from November to March I suffered agony. I tried many patent medicines, but none relieved me.  
Upon the advice of a friend I decided to try S. S. S. Before allowing me to take it, however, my guardian, who was a chemist, analyzed the remedy, and pronounced it free of potash or mercury. I felt so much better after taking two bottles, that I continued the remedy, and in two months I was cured completely. The cure was permanent, for I have never since had a touch of Rheumatism though many times exposed to damp and cold weather.

Don't suffer longer with Rheumatism. Throw aside your oils and liniments, as they can not reach your trouble. Don't experiment with doctors—their potash and mercury will add to your disability and completely destroy your digestion.

will cure perfectly and permanently. It is guaranteed purely vegetable, and contains no potash, mercury, or other mineral. \*Books mailed free by Swift Specific Co., Atlanta, Ga.

Proposals for Refunding Water Bonds Dalles City Oregon.  
Sealed proposals will be received by the board of water commissioners of Dalles City, Oregon, at said city until 8:30 o'clock p. m. of the 26 day of Feb. 1900, for twenty-five thousand dollars and twenty thousand dollars of refunding water bonds of said city, as it is not settled as to whether the total amount of bonds will be \$25,000 or \$20,000 authority is extended to the said board to issue refunding water bonds in the sum of \$25,000, but if found not to be necessary, the issue will be for no more than \$20,000; and at a rate of interest not exceeding four per cent per annum payable twenty years from date of issue, interest payable semi-annually, principal and interest payable in gold coin of the United States, at any city therein, at the option of the buyer.  
The bonds mentioned will be issued under the provisions of the several legislative acts of the state of Oregon, approved Feb. 26, 1885, Feb. 19, 1889, and Feb. 14, 1895, and in pursuance of an ordinance adopted by the common council of Dalles City, approved January 23, 1900. The proposed refunding water bonds are intended for the redemption of outstanding water bonds in the sum of \$25,000; but in case the board of water commissioners prefer, it will issue refunding bonds for \$20,000 only, therefore bidders may make proposals for both \$25,000 and \$20,000, and in the denomination of \$500 each.  
No bid will be entertained for a rate less than par value of the bonds. Premiums and rate of interest will be taken into consideration in passing on the value of all bids.  
Bidders must deposit with the president of the board a duly certified check on some responsible bank equal to 2 per cent of the amount of bonds bid for, or accompany his bid with cash of such amount as will equal such per cent of his bid, and such certified check made payable to the president of the board of water commissioners of Dalles City, Or., as liquidated damages in case the bidder shall fail or neglect to receive and pay for, at the office of the city treasurer of said city, the bonds awarded to him on his bid, on or before the first day of March, 1900.  
Attention should be given the fact that the board will not issue and dispose of more than \$20,000 of such refunding bonds, unless it shall be deemed necessary to do so, but otherwise, if the board shall find that it is necessary to issue bonds in the sum of \$25,000, it will then offer and issue the full sum, (\$25,000).  
The right to reject any and all bids is reserved by the said board of water commissioners.  
Bids should be addressed to the president of said board, or to the city recorder, Dalles City, Wasco county, Oregon, and noted "Proposals for refunding water bonds."

By order of the Board of Water Commission, by and with the consent of the Common Council. This 25th day of January, 1900.
