BRITISH TROOPS CROSSED RIVER

But Boers Chased Them Back—Heavy Bombardment of Boers on Upper Tugela.

IMPORTANT EVENTS EXPECTED SOON

Roberts and Kitchener to Inaugurate Movement Against Bloemfontein—Have Left For Front.

BOER HEAD LAAGER, Ladysmith, Feb. 6.—Since yesterday the British, with naval and other guns have bombarded our positions on the Upper Tugela. Troops crossed the river at that point and Kolendrith with the object of storming our positions. At the former, General Durrher beat them back and they recrossed in great confusion. Fighting continues at Kolendrith with Stenderton and Johannesburg commands. There were no casualties on our side. The cannonading was the fiercest yet experienced. There was continuous firing all day long. This morning it recommenced with an increased number of guns.

Roberts and Kitchener to the Front. CAPE TOWN, Feb. 7.—Lord Roberts and General Kitchener have started for the front.

LONDON, Feb. 7.—The Associated Press learns that the war office today received a telegram saying briefly that Buller had again recrossed the Tugela river February 5, and is now advancing upon Ladysmith.

Advance on Pretoria.

LONDON, Feb. 7.—While suspense regarding Buller's movements and operations affecting the fate of Ladysmith continues unrelieved even by the vaguest dispatch, there comes from other quarters interesting news in the announcement that Lord Roberts and his chief of staff, Lord Kitchener, have left for the front. As this information was held up for several hours by the censor, it seems to indicate that an important movement is on foot.

A dispatch from Sterkstroom, dated this morning, announces that the Boers are attacking General Gatacre from two directions. Firing was then proceeding by the outposts.

A Convincing Answer.

"I hobbled into Mr. Blackmon's drug store one evening," says Wesley Nelson, of Hamilton, Ga., "and he asked me to try Chamberlain's Pain Balm for rheumatism, with which I had suffered for a long time. I told him I had no faith in any medicine as they all failed. He said: 'Well if Chamberlain's Pain Balm does not help you, you need not pay for it.' I took a bottle of it home and used it according to directions and in one week I was cured, and have not since been troubled with rheumatism." Sold by Blakeley & Houghton.

Storm in Palouse Country.

PULLMAN, Wash., Feb. 6.—The worst storm of the winter began throughout the Palouse country this morning. The storm lacked only a lower temperature to become a blizzard. A fierce wind was blowing. Three inches of snow fell in a few hours, but where the ground is smooth it is perfectly bare, while in places where it is rough the snow is drifting to quite a depth. The storm following a long period of mild, damp weather, makes its effects felt more keenly, and is especially hard on livestock, which will now have to be fed and sheltered for the first time this winter.

Robbed the Grave.

A startling incident, of which Mr. John Oliver of Philadelphia, was the subject, is narrated by him as follows: "I was in a most dreadful condition. My skin was almost yellow, eyes sunken, tongue coated, pain continually in back and sides, no appetite—gradually grow-

ing weaker day by day. Three physicians had given me up. Fortunately, a friend advised 'Electric Bitters'; and to my great joy and surprise, the first bottle made a decided improvement. I continued their use for three weeks, and am now a well man. I know they saved my life, and robbed the grave of another victim." No one should fail to try them. Only 50c, guaranteed, at Blakeley & Houghton's drug store.

Was Abrogation Purchased.

NEW YORK, Feb. 7.—The Washington correspondent of the Journal and Advertiser avers that he has received information indicating the Ambassador Choate and Lord Salisbury were in London Tuesday, perfecting the details of the settlement of the Alaska permanent boundary line with the British right to tidewater facilities as an essential feature of the prospective Nicaragua canal convention.

In other words, while the Clayton-Bulwer treaty and the Alaska boundary have been disassociated out of respect to American prejudice, they are closely associated in fact.

LONDON, Feb. 7.—Officials of the United States embassy deny that any negotiations in regard to Alaska are proceeding between Lord Salisbury and Ambassador Choate, or that the concession of a free port in Alaska is concluded in the Nicaragua agreement, as cabled from Washington.

The claim of other cough medicines to be as good as Chamberlain's are effectually set at rest in the following testimonial of Mr. C. D. Glass, an employe of Bartlett & Dennis Co., Gardiner, Me. He says: "I had kept adding to a cold and cough in the winter of 1897, trying every cough medicine I heard of without permanent help, until one day I was in the drug store of Mr. Houlehan and he advised me to try Chamberlain's Cough Remedy and offered to pay back my money if I was not cured. My lungs and bronchial tubes were very sore at this time, but I was completely cured by this remedy, and have since always turned to it when I got a cold, and soon find relief. I also recommend it to my friends and am glad to say it is the best of all cough medicines." For sale by Blakeley & Houghton.

Train Wreck Near Brownsville.

ALBANY, Or., Feb. 6.—The wrecking train at this city was sent for late last night to clear the track between Plainview and Brownsville, on the Oregonian railroad. In going up grade the mixed train from Woodburn was stopped by the rails spreading. A paint car was thrown on its end, a lumber car into an adjoining field, a big furniture car across the track and two or three others off the rails. The engine and next box cars, and the caboose and adjoining cars remained on the track.

Catarrh Cannot be Cured

with local applications, as they cannot reach the seat of the disease. Catarrh is a blood or constitutional disease, and in order to cure it you must take internal remedies. Hall's Catarrh Cure is taken internally, and acts directly on the blood and mucous surfaces. Hall's Catarrh Cure is not a quack medicine. It was prescribed by one of the best physicians in this country for years, and is a regular prescription. It is composed of the best tonics known, combined with the best blood purifiers, acting directly on the mucous surfaces. The perfect combination of the two ingredients is what produces such wonderful results in curing Catarrh. Send for testimonials, free.

After 47 Years of Married Life.

SALEM, Or., Feb. 6.—After forty-seven years of married life, M. Porter today filed a suit for divorce from his wife, Martha Porter, alleging as grounds for the action cruel and inhuman treatment, slander, desertion, and a propensity to

break furniture. The parties were united in marriage at Corvallis in 1853, and have several grown children.

Shows the state of your feelings and the state of your health as well. Impure blood makes itself apparent in a pale and sallow complexion, Pimples and Skin Eruptions. If you are feeling weak and worn out and do not have a healthy appearance you should try Acker's Blood Elixir. It cures all blood diseases where cheap Sarsaparillas and so called purifiers fail; knowing this we sell every bottle on a positive guarantee. Blakeley & Houghton, druggists.

NEW RAILROAD IS PLANNED

To Run From Pendleton Southward to Granite.

PENDLETON, Or., Feb. 6.—The Pendleton Commercial Association, this evening, inaugurated a movement to build a railroad from Pendleton south through the Canas prairie region and the John Day country to the mining district of Granite.

During the past few months a quiet investigation has been carried on, resulting in showing that the railroad proposed would pay, independent of the mines which would be tapped. The road will pass through timber land of vast area, a rich farming country and extensive livestock region, open up immense building-stone quarries, and tap a fine dairying section before reaching the mines. An enormous tonnage would be secured.

Pendleton will have preliminary surveys made and select the most feasible route, and back the proposition to completion. Local enthusiasm over the project is great.

A Thousand Tongues

Could not express the rapture of Annie E. Springer, of 1125 Howard st., Philadelphia, Pa., when she found that Dr. King's New Discovery for Consumption had completely cured her of a hacking cough that for many years had made life a burden. All other remedies and doctors could give her no help, but she says of this Royal Cure—"It soon removed the pain in my chest and I can now sleep soundly, something I can scarcely remember doing before. I feel like sounding its praises throughout the universe." So will every one who tries Dr. King's New Discovery for any trouble of the throat, chest or lungs. Price 50c and \$1. Trial bottle free at Blakeley & Houghton's drug store; every bottle guaranteed.

Storm in Montana.

GREAT FALLS, Mont., Feb. 6.—The worst wind and snow storm ever known here occurred today. Much damage was done to small buildings and electric wires. It is feared the loss of stock on the ranges will be large.

"After doctors failed to cure me of pneumonia I used One Minute Cough Cure and three bottles of it cured me. It is also the best remedy on earth for whooping cough. It cured my grandchildren of the worst cases," writes Jno. Berry, Loganton, Pa. It is the only harmless remedy that gives immediate results. Cures coughs, colds, croup and throat and lung troubles. It prevents consumption. Children always like it. Mothers endorse it.

Strength of the Militia.

WASHINGTON, Feb. 6.—Secretary Root has sent to congress an abstract of the militia force of the United States. It shows a total number of men available for military duty, but unorganized, as 10,343,150, and an aggregate organized strength of 106,339.

TAYLOR HAS NOT SIGNED

Is To Hold Consultation With His Attorney.

LONDON, Ky., Feb. 7.—A rumor became current early today that a message had been received saying Governor Taylor had signed the conference agreement and the London legislature would be recalled. Senator Jolly sent the following telegram to the chief executive this morning:

"Discouraging reports here. Members are unanimously against the agreement. Imperative to know the condition at once."

This telegram was soon followed by another to Taylor from Representative Kelday, which read as follows:

"Make no compromise of our rights under the constitution and law. We represent the people of the commonwealth for a free election and a fair count. Any attempt on the part of any man or set of men to set aside the result of the last election by force, fraud or vicious legislation, without consent of the people, is treason. We therefore pledge you our support and will but stand by the election returns, as counted by the electoral commission. All members agree to this."

FRANKFORT, Ky., Feb. 7.—It is stated on excellent authority that Governor Taylor has decided not to sign the Louisville agreement in its present shape. He desires several changes in it, and particularly a definite statement regarding the repeal of the Goebel law.

As a cure for rheumatism Chamberlain's Pain Balm is gaining a wide reputation. D. B. Johnston of Richmond, Ind., has been troubled with that ailment since 1862. In speaking of it he says: "I never found anything that would relieve me until I used Chamberlain's Pain Balm. It acts like magic with me. My foot was swollen and painful very much, but one good application of Pain Balm relieved me. For sale by Blakeley & Houghton."

"I had bronchitis every winter for years and no medicine gave me permanent relief till I began to take One Minute Cough Cure. I know it is the best cough medicine made," says J. Koontz, Corry, Pa. It quickly cures coughs, colds, croup, asthma, grippe and throat and lung troubles. It is the children's favorite remedy. Cures quickly.

John Durr, Poseyville, Ind., says, "I never used anything so good as One Minute Cough Cure. We are never without it." Quickly breaks up coughs and colds. Cures all throat and lung troubles. Its use will prevent consumption. Pleasant to take.

"I had dyspepsia for years. No medicine was so effective as Kodol Dyspepsia Cure. It gave immediate relief. Two bottles performed marvelous results," writes L. H. Warren, Albany, Wis. It digests what you eat and cannot fail to cure.
