The Little Minister.

Charles Frohman will offer our theatergoers a great treat when he will present the comedy "The Little Minister," adapted by J. M. Barrie from his famous and popular novel of that name. Undoubtedly this play holds the record for phenomenal business. The engagement in New York extended over a period of 300 nights, and played to houses at every performance that packed the theater to the doors. It was only taken off to give the company a much needed rest. Since the comedy was sent on the road the business it did in New York has been repeated wherever it has been seen. The Boston engagement was remarkable. It was necessary to give extra matinees at the Hollis Street theater during its run there in order to accommodate the people desirous of seeing the play. Great care has been used in the selection of the company.

Its presentation here will be in every respect a perfect one and is sure to be greeted by a splendid audience on the 15th at the Vogt.

Foul-Smelling Catarrh.

Catarrh is one of the most obstinate diseases, and hence the most difficult to get rid of. There is but one way to cure it. The disease is in the blood, and all the sprays, washes and inhaling mixtures in the world can have no permanent effect whatever upon it. Swift's Specific cures Catarrh permanently, for it is the only remedy which can reach the disease and force it from the blood.

Mr. B. P. McAllister, of Harrodsburg, Ky., had Catarrh for years. He writes: "I could see no improvement whatever, though I was constantly treated with sprays and washes, and different inhaling remedies—in fact, I could feel that each winter I was worse than the year previous. Finally it was brought to my notice that Catarrh was a blood disease, and after thinking over the matter, I saw it was unreasonable to expect to be cured by remedies which only reached the surface. I then decided to try S. S. S., and after a few bottles were used, I noticed a perceptible improvement. Continuing the remedy, the disease was forced out of my system, and a complete cure was the result. I advise all who have this dreadful disease to abandon their local treatment, which has never done them any good, and take S. S. S., a remedy that can reach the disease and cure it."

To continue the wrong treatment for Catarrh is to continue to suffer. Swift's Specific is a real blood remedy, and cures obstinate, deep-seated diseases, which other remedies have no effect whatever upon. It promptly reaches Catarrh, and never fails to cure even the most aggravated cases.

Proposals for Refunding Water Bonds, Dalles City Oregon.

Sealed proposals will be received by the board of water commissioners of Dalles City, Oregon, at said city until 8:30 o'clock p. m. of the 26 day of Feb., 1900, for twenty-five thousand dollars; and twenty thousand dollars of refunding water bonds of said city, as it is not settled as to whether the total amount of bonds will be \$25,000 or \$20,000. Authority is extended to the said board to issue refunding water bonds in the sum of \$25,000, but if found not to be necessary, the issue will be for no more than \$20,000; and at a rate of interest not exceeding four per cent per annum payable twenty years from date of issue, interest payable semi-annually, principal and interest payable in gold coin of the United States, at any city therein, at the option of the buyer.

The bonds mentioned will be issued under the provisions of the several legislative acts of the state of Oregon, approved Feb. 26, 1885, Feb. 19, 1889, and Feb. 14, 1895, and in pursuance of an ordinance adopted by the common council of Dalles City, approved January 25, 1900. The proposed refunding water bonds are intended for the redemption of outstanding water bonds in the sum of \$25,000; but in case the board of water commissioners prefer, it will issue refunding bonds for \$20,000 only, therefore bidders may make proposals for both \$25,000 and \$20,000, and in the denomination of \$500 each.

No bid will be entertained for a rate less than par value of the bonds. Premiums and rate of interest will be taken into consideration in passing on the value of all bids. Bidders must deposit with the president of the board a duly certified check on some responsible bank equal to 2 per cent of the amount of bonds bid for, or accompany his bid with cash of such amount as will equal such per cent of his bid, and such certified check made payable to the president of the board of water commissioners of Dalles City, Or., as liquidated damages in case the bidder shall fail or neglect to receive and pay for, at the office of the city treasurer of said city, the bonds awarded to him on his bid, on or before the first day of March, 1900.

Attention should be given the fact that the board will not issue and dispose of more than \$20,000 of such refunding bonds, unless it shall be deemed necessary to do so, but otherwise, if the board shall find that it is necessary to issue bonds in the sum of \$25,000, it will then offer and issue the full sum, \$25,000.

The right to reject any and all bids is reserved by the said board of water commissioners. Bids should be addressed to the president of said board, or to the city recorder, Dalles City, Wasco county, Oregon, and noted "Proposals for refunding water bonds."

By order of the Board of Water Commission, by and with the consent of the Common Council. This 25th day of January, 1900.

T. J. SEFFERT,
 President of Board,
 NED H. GATES,
 Recorder of Dalles City.

A Mother's Plain Words

"I suppose you will be astonished when I tell you that six years ago I was in a most dangerous condition with bronchitis and lung trouble, because you can see how well and strong I am now. The attack at that time caused terrible pain in my chest and lungs. I could hardly move, and to stoop caused intense suffering. Someone advised Acker's English Remedy, and I thought I would try it, although I confess that down in my heart I had little faith in it. The first bottle gave great relief, and the second bottle made me the healthy woman I am today. My husband's lungs are weak also, and he cured himself with the same grand old remedy. Our boy and girl have both been saved by it from death by croup. I know this is so, for when they were attacked in the night I had a bottle in the closet, and by acting quickly that fatal malady was easily overcome. We always give it to the children when they have a cough or cold, and we would not be without it for anything. My sister will tell you also, if you ask her, that it is a medicine that can always be depended upon for all the troubles of the breathing organs. I tell all our neighbors about Acker's English Remedy whenever I get a chance, and there are plenty of people around Mechanicsville, N. Y., where I live, who would no more think of going to bed at night without a bottle of it in the house than they would of leaving their doors wide open. As I look at it, parents are criminally responsible when they allow their children to die under their very eyes with croup, because here is a certain remedy that will conquer the terrible monster every time."
