## NO DEVELOPMENTS IN KENTUCKY

Gov. Taylor Has Not Yet Decided What to Do About the Louisville Agreement.

## SEN. GOEBELS' FUNERAL

Ten Thousand People Attend—Democratic Legislators Stay in Louisville.

CINCINNATI, Feb. 8.—Former Governor Bradley and Attorney MacKoy, attorneys for Governor Taylor, and others appeared before Federal Judge Taft at noon today and were given a hearing in chambers on a petition for a restraining order, the exact nature of which was not made public. It is not denied, however, that the defendants in the petition are Governor Beckham et al. After hearing former Governor Bradley and MacKoy, Judge Taft announced to them that they should at once make copies of their petitions for the defendants and furnish them with the same and notify them that the case would be heard in the United States court of appeals at Cincinnati on February 12.

Bradley and MacKoy would not say anything about the nature of their proceedings or the plans of their clients.

FRANKFORT, Ky., Feb. 8.—Governor Taylor announced this morning that he had, as yet, taken no action regarding the Louisville agreement and did not know whether he would do so today or not. He said there were some things he desired to consider further, and it would be some time before he made up his mind as to the best thing to do.

As early as 6 o'clock people began to arrive from the country for the purpose of attending Goebel's funeral, and by 7 o'clock there was a stream of them pouring through the room in which the body lay, so great that the police had great difficulty in handling it. The crowd grew rapidly and, judging by the numbers that came early in the forenoon, there will be no less than 10,000 people at the funeral exercises.

The formation of the parade began at 11 o'clock. It was headed by a battalion of police and members of the city council, numerous local societies on foot in great numbers, and hundreds of men on horseback made up the procession. The services at the hotel were short and simple, but at the cemetery they were elaborate and were witnessed by fully 7,000 people. The oration of the day was delivered by Senator Blackburn.

**Catarrah Cannot be Cured**  
with local applications, as they cannot reach the seat of the disease. Catarrah is a blood or constitutional disease, and in order to cure it you must take internal remedies. Hall's Catarrah Cure is taken internally, and acts directly on the blood and mucous surfaces. Hall's Catarrah Cure is not a quack medicine. It was prescribed by one of the best physicians in this country for years, and is a regular prescription. It is composed of the best tonics known, combined with the best blood purifiers, acting directly on the mucous surfaces. The perfect combination of the two ingredients is what produces such wonderful results in curing Catarrah. Send for testimonials, free.

**Plague in Manila is Gaining Headway.**  
VICTORIA, B. C., Feb. 8.—According to news brought by the steamer Empress of China, the plague is reported to be gaining much headway in Manila. Telegrams to the Japan Daily Mail, under date of January 17, are to the effect that there were twelve cases on one street on that date. The outbreak is said to be causing great excitement.

says some excitement was caused by the report of two cases of a disease believed to be bubonic plague. The victims were Chinese, who came by steamer from Hong Kong. The plague is still raging at Hong Kong.

**A Thousand Tongues**  
Could not express the rapture of Annie E. Springer, of 1125 Howard st., Philadelphia, Pa., when she found that Dr. King's New Discovery for Consumption had completely cured her of a hacking cough that for many years had made life a burden. All other remedies and doctors could give her no help, but she says of this Royal Cure—"It soon removed the pain in my chest and I can now sleep soundly, something I can scarcely remember doing before. I feel like sounding its praises throughout the universe." So will every one who tries Dr. King's New Discovery for any trouble of the throat, chest or lungs. Price 50c and \$1. Trial bottle free at Blakeley & Houghton's drug store; every bottle guaranteed.

**Few Paid to Hear Him.**  
NEW YORK, Feb. 7.—W. J. Bryan spoke tonight in Carnegie hall on "Pending Problems," under the auspices of Winfield Scott Hancock post, G. A. R., for the relief of soldiers' widows and orphans. More than 1000 men and women paid the price of admission. With the hope of filling the big hall, those in the galleries were invited downstairs. Still there were empty seats in the auditorium, and three galleries were vacant. There were some enthusiasm, however, notwithstanding the smallness of the audience.

"After doctors failed to cure me of pneumonia I used One Minute Cough Cure and three bottles of it cured me. It is also the best remedy on earth for whooping cough. It cured my grandchildren of the worst cases," writes Jno. Berry, Loganton, Pa. It is the only harmless remedy that gives immediate results. Cures coughs, colds, croup and throat and lung troubles. It prevents consumption. Children always like it. Mothers endorse it.

**Boys Fined for Abusing a Chinese.**  
COLFAX, Wash., Feb. 7.—Six young boys of this city were arrested yesterday morning, charged with making a brutal assault on a Chinaman, whom they had chased and stoned, their attack resulting in the Celestial losing several teeth, and having his head badly cut. When brought before the justice yesterday afternoon each of the boys entered a plea of guilty, and a fine of \$25 apiece and costs was levied. The six boys were all students of the high school, and were arrested in the schoolroom.

Shows the state of your feelings and the state of your health as well. Impure blood makes itself apparent in a pale and sallow complexion, Pimples and Skin Eruptions. If you are feeling weak and worn out and do not have a healthy appearance you should try Acker's Blood Elixir. It cures all blood diseases where cheap Sarsaparillas and so called purifiers fail; knowing this we sell every bottle on a positive guarantee. Blakeley & Houghton, druggists.

**High Wind at Olex.**  
OLEX, Or., Feb. 7.—A heavy wind storm visited this locality last night, lasting about six hours. It ripped the shingles from the residence of William W. Clark, moved header beds and wagons and upset haystacks belonging to J. E. Redmond. No more serious damage has been reported. It was the highest wind ever experienced here.

"I had bronchitis every winter for years and no medicine gave me permanent relief till I began to take One Minute Cough Cure. I know it is the best cough medicine made," says J. Kooztz, Corry, Pa. It quickly cures coughs, colds, croup, asthma, grippe and throat and lung troubles. It is the children's favorite remedy. Cures quickly.

## DAMAGE BY WIND STORM

Thousands of Dollars Lost in Vancouver, B. C.

VANCOUVER, B. C., Feb. 6.—A hurricane raged here last night, causing property damage all over the city. The wind, which became almost a tornado, attained a velocity of fifty-five miles an hour. Along the water front the waves broke over the wharves and bridges, sweeping away boat-houses, wrecking boats and dashing two steam launches against a pier, battering the crafts into total wrecks. Two stone-laden scows went adrift and were wrecked, and two steamers broke their moorings and were brought to their docks with great difficulty.

Telephone wires in the suburbs are down, and the long-distance system is completely paralyzed. Trees were torn up by the roots, flagstaves and chimneys fell, and a cottage on the Westminister road was crushed like an eggshell by a gigantic tree, which was blown down and fell on the roof. Though there were three occupants in the house at the time, all escaped injury. The damage to residences, factories, wharves and shipping will aggregate many thousands of dollars.

**Robbed the Grave.**  
A startling incident, of which Mr. John Oliver of Philadelphia, was the subject, is narrated by him as follows: "I was in a most dreadful condition. My skin was almost yellow, eyes sunken, tongue coated, pain continually in back and sides, no appetite—gradually growing weaker day by day. Three physicians had given me up. Fortunately, a friend advised 'Electric Bitters'; and to my great joy and surprise, the first bottle made a decided improvement. I continued their use for three weeks, and am now a well man. I know they saved my life, and robbed the grave of another victim." No one should fail to try them. Only 50c, guaranteed, at Blakeley & Houghton's drug store.

**Gravediggers Strike in Buenos Ayres.**  
BUENOS AYRES, Feb. 8.—The terrible heat continues. There were 267 sun-strokes on Monday and 187 Tuesday. The fatal cases show a diminution, but numerous bodies are decomposing at the cemetery, owing to the strike of the gravediggers for higher wages.

As a cure for rheumatism Chamberlain's Pain Balm is gaining a wide reputation. D. B. Johnston of Richmond, Ind., has been troubled with that ailment since 1862. In speaking of it he says: "I never found anything that would relieve me until I used Chamberlain's Pain Balm. It acts like magic with me. My foot was swollen and painful me very much, but one good application of Pain Balm relieved me. For sale by Blakeley & Houghton.

**A Convincing Answer.**  
"I hobbled into Mr. Blackmon's drug store one evening," says Wesley Nelson, of Hamilton, Ga., "and he asked me to try Chamberlain's Pain Balm for rheumatism, with which I had suffered for a long time. I told him I had no faith in any medicine as they all failed. He said: 'Well if Chamberlain's Pain Balm does not help you, you need not pay for it.' I took a bottle of it home and used it according to directions and in one week I was cured, and have not since been troubled with rheumatism." Sold by Blakeley & Houghton.

John Durr, Poseyville, Ind., says, "I never used anything so good as One Minute Cough Cure. We are never without it." Quickly breaks up coughs and cold. Cures all throat and lung troubles. Its use will prevent consumption. Pleasant to take.

## RELIEF REGARDED AS CERTAIN

Buller Holds His Position, Though Cost Will Be Enormous.

LONDON, Feb. 8.—A cable dispatch from Spearman's camp under today's date says: "Buller holds his position; relief is certain."

LONDON, Feb. 8.—Buller cabled the war office that the approximate British casualties in the fighting at Potgieter's drift up to noon Tuesday are: Officers: Two killed and fifteen wounded; non-commissioned officers and men, 216 killed and wounded. The officers killed were Major Johnson-Smith and Lieutenant Shafter, both of the Durham light infantry. The officers wounded include Colonel Fitzgerald, of the Durham light infantry, and Colonel Montgomery, of the Royal artillery, and Lieutenant Sir Cunningham, of the Rifle brigade.

LONDON, Feb. 8.—Presumably Buller is fighting again today, in his third attempt to relieve Ladysmith, and news of great importance may arrive at any time. Yet here there is more doubt than exultation, for even if the recollection of Buller's two disastrous failures, after auspicious starts, were kept in the minds of the public, the list of casualties published today would be a sufficient reminder of the tremendous difficulties of his task.

The claim of other cough medicines to be as good as Chamberlain's are effectually set at rest in the following testimonial of Mr. C. D. Glass, an employe of Bartlett & Dennis Co., Gardiner, Me. He says: "I had kept adding to a cold and cough in the winter of 1897, trying every cough medicine I heard of without permanent help, until one day I was in the drug store of Mr. Houlihan and he advised me to try Chamberlain's Cough Remedy and offered to pay back my money if I was not cured. My lungs and bronchial tubes were very sore at this time, but I was completely cured by this remedy, and have since always turned to it when I get a cold, and soon find relief. I also recommend it to my friends and am glad to say it is the best of all cough medicines." For sale by Blakeley & Houghton.
