

Acker's Saved Her Life

"About two miles from Vassar, Mich., where I keep a drug store, lives Mrs. T. M. Pratt. She was very sick and hopeless with consumption. I watched her case with interest after she began taking Acker's English Remedy for Consumption, because I had heard so much about its wonderful cures. Well, sir, perhaps you will doubt it, but with my own eyes I saw this woman get well and strong on that remedy. In a very short time the cough stopped, her lungs were healed up, the soreness went away, and she began taking on flesh. She herself said: 'Mr. Bullard, I owe my life to Acker's English Remedy. It is a certain cure.' In Mrs. Pratt's neighborhood her recovery has occasioned much comment, as you can easily understand. Her case was one where everybody thought it was only a question of a little while until she would die. I feel it a duty as a druggist to write this letter, so that there need be no more deaths from consumption." (Signed) E. A. BULLARD, Vassar, Mich.

Scrofula, a Vile Inheritance.

Scrofula is the most obstinate of blood troubles, and is often the result of an inherited taint in the blood. S. S. S. is the only remedy which goes deep enough to reach Scrofula; it forces out every trace of the disease, and cures the worst cases.

My son, Charlie, was afflicted from infancy with Scrofula, and he suffered so that it was impossible to dress him for three years. His head and body were a mass of sores, and his eyesight also became affected. No treatment was spared that we thought would relieve him, but he grew worse until his condition was indeed pitiable. I had almost despaired of his ever being cured, when by the advice of a friend we gave him S. S. S. (Swift's Specific). A decided improvement was the result, and after he had taken a dozen bottles, no one who knew of his former dreadful condition would have recognized him. All the sores on his body have healed, his skin is perfectly clear and smooth, and he has been restored to perfect health.
Mrs. S. S. MANN,
300 Elm St., Macon, Ga.

For real blood troubles it is a waste of time to expect a cure from the doctors. Blood diseases are beyond their skill. Swift's Specific,

S. S. S. For Blood
reaches all deep-seated cases which other remedies have no effect upon. It is the only blood remedy guaranteed purely vegetable, and contains no potash, mercury, or other mineral.

Proposals for Refunding Water Bonds, Dalles City Oregon.

Sealed proposals will be received by the board of water commissioners of Dalles City, Oregon, at said city until 8:30 o'clock p. m. of the 26 day of Feb., 1900, for twenty-five thousand dollars; and twenty thousand dollars of refunding water bonds of said city, (as it is not settled as to whether the total amount of bonds will be \$25,000 or \$20,000, authority is extended to the said board to issue refunding water bonds in the sum of \$25,000, but if found not to be necessary, the issue will be for no more than \$20,000; and at a rate of interest not exceeding four per cent per annum payable twenty years from date of issue, interest payable semi-annually, principal and interest payable in gold coin of the United States, at any city therein, at the option of the buyer.
The bonds mentioned will be issued under the provisions of the several legislative acts of the state of Oregon, approved Feb. 26, 1885, Feb. 19, 1889, and Feb. 14, 1895, and in pursuance of an ordinance adopted by the common council of Dalles City, approved January 25, 1900. The proposed refunding water bonds are intended for the redemption of outstanding water bonds in the sum of \$25,000; but in case the board of water commissioners prefer, it will issue refunding bonds for \$20,000 only, therefore bidders may make proposals for both \$25,000 and \$20,000, and in the denomination of \$500 each.
No bid will be entertained for a rate less than par value of the bonds. Premiums and rate of interest will be taken into consideration in passing on the value of all bids.
Bidders must deposit with the president of the board a duly certified check on some responsible bank equal to 2 per cent of the amount of bonds bid for, or accompany his bid with cash of such amount as will equal such per cent of his bid, and such certified check made payable to the president of the board of water commissioners of Dalles City, Or., as liquidated damages in case the bidder shall fail or neglect to receive and pay for, at the office of the city treasurer of said city, the bonds awarded to him on his bid, on or before the first day of March, 1900.
Attention should be given the fact that the board will not issue and dispose of more than \$20,000 of such refunding bonds, unless it shall be deemed necessary to do so, but otherwise, if the board shall find that it is necessary to issue bonds in the sum of \$25,000, it will then offer and issue the full sum, (\$25,000).
The right to reject any and all bids is reserved by the said board of water commissioners.
Bids should be addressed to the president of said board, or to the city recorder, Dalles City, Wasco county, Oregon, and noted "Proposals for refunding water bonds."

By order of the Board of Water Commission, by and with the consent of the Common Council. This 25th day of January, 1900.
T. J. SEUFFERT, President of Board,
NED H. GATES, Recorder of Dalles City.
