After-Inventory Clearance Sale

# Powerful After-Inventory Price Pulverizing.

After-Inventory Clearance Sale

Cutting and slashing of prices right and left. Taking extreme measures for thoroughly clearing our counters of all surplus winter stock, odd sizes, short lengths and broken lots; and making needed room for spring goods already on the way. Our benefit is the cleared racks and tables; yours the matchless savings presented. Rare opportunities in women's wear, men's furnishings, childrens' necessities, small wares, etc., etc.
