Perhaps never in the history of the business has so large an amount of logs gone in the water at this time of the year, owing to favorable weather conditions. With the present outlook the year 1900 will see the largest output of logs on the Columbia, estimated at 300,000,000 feet. Prices continue firm, prime loge bringing \$6, with little chance of a drop for at least several months.-Astoria Daily News.

#### Wool Scouring Plant.

Our citizens should surely come to some definite terms relative to the woolscouring plant, for indeed other places are quite anxious for it. In yesterday's issue of the Telegram we find the fol-

"The plans for promoting a wool-scouring mill in Portland are held in abeyance until the return to the city of the man who is at the head of the proposition, Mr. J. M. Russell.

"It is stated that The Dalles Commercial Association, alarmed at the interest displayed by Portland in the project, has been exerting every fort the past week to prepare the necessary subsidy for the mill. Not only The Dalles, but several other Eastern Oregon towns are now clamoring for a wool-cleaning plant. It has, in a measure, resolved itself into a contest between the cities adjacent to the fleece-producing sections to see which shall offer the most favorable propositions.

"President Taylor, of the Chamber of Commerce, lavors the project of a scouring plant, and several other citizens are anxions to have a conference with Mr. Russ-Il, the wool merchant who has been in The Dalles for several days meeting the business men. It is stated that the question of floating the requisite amount of bonds is still in doubt. It is believed this could be done in Portland, as the amount, \$25,000, is comparatively small in view of the direct and prompt returns from the handling of this season's clip in this city."

James Farris died at the home of his son, John Farrie, at Parkers, Wash., Jan. 29th, 1900, after an illness of but few days.

Mr. Farris had reached the advanced age of ninety years, having been born in Belmont county, Ohio, on October 22nd, 1809. He was married Dec. 9th, 1842, to Miss Martha Newnam, and crossed the plains in 1865, to Oregon. where he was closely identified with the early settlement and improvement of Wasco county. He was noted all his life for his strict integrity in all business dealings, and was never involved in a law suit. He leaves a wife and two sons. John W. and S. E. Farris, and a daughter, Mrs. Mary Alexander, all of whom with seven grandchildren and one great grand child, were with him during his last hours. The remains were interred in the Yakima City cemetery, and the funeral was attended by a large number of friends of the family. Uncle Jimmy, as he was familiarly called, was well known in The Dalles and vicinity, where he resided for a great many years.

U. OF O. NOTES.

Homer D. Angel Elected Captain of Track Team.

EDITOR CHRONICLE:

The assembly Wednesday morning was dedicated to our new paper. Speaches were made by a number of the staff, who predicted a bright future for the Oregon Weekly. Considerable enthusiasm was created, with the result that the students are contributing liberally to the paper's support.

The Philoligan literary society met Friday evening and listened to a prepared address on "Bacon's Rebellion' by C. E. Sanders. The society debated the question, "Resolved, That the policy of the United States toward her outlying colonies should be that of ultimate assimilation as opposed to making them independent states." B. F. Wagner led the affirmative and f. W. Hammond the negative. The president decided that the most convincing argument had been brought out by the negative and rendered his dicision accordingly. After the debate a mock trial was held, and the sentence of the criminal to be put in the bath tub was daly executed.

The Laurean society met for regular debate, but were very pleasantly surprised by a visit trom the young ladies of the Entaxican society. The gentleman declared the meeting adjourned to "The Banquet" where they all partook of an oyster supper.

Saturday evening the regular yearly tryout to select a debating team to represent the university for 1900 occurred. The affirmative of the question, "Resolved, That the policy of the United States toward her outlying colonies should be that of ultimate assimilation as oppossed to making them independent states," was upheld by W. L. Whittlesey, B. C. Jakway and B. C. Spencer; the negative by G. O. Goodall and V. L. Halt. The debaters were selected according to merit and not as to sides. The judges decided that the honor of the university should be held this year and G. O. Goodall.

Last season's track team elected Homer D. Angel '00 captain for the coming season at their meeting Tuesday afternoon. On the sam day Fred Ziegler was elected captain of the indoor baseball. Manager Edwards has arranged for a game with the O. A. C. at Corvallie on February 22. The team will probably play Albany on its return. A number of new students were reg-

istered daring the week. Dr. F. G. G. Schmidt, professor of modern language is preparing for a trip to Europe during the coming vacation. STUDENT.
