## DAMAGE DONE BY WATER

New Potlatch Bridges of Northern Pacific Gone—Much New Track is Injured—Paradise Creek Overflowed at Moscow; Flooding Railroad Tracks and Several Buildings.

Moscow, Idaho, Feb. 21.—A heavy rain began falling last night at 10 o'clock and continued without abatement until late this afternoon. The warm rain melted the snow and this filled the gulches and streams. There were fears today of a repetition of the flood of last month along the Potlatch, but unless the rain should continue for two or three days there is no danger of such a calamity.

Telephone reports from Julietta say that three railroad bridges were washed out between that place and Lewiston. The rain has caused the streams to overflow, and without doubt much of the new track laid by the Northern Pacific in the washed out district is injured. No loss is reported in Kendrick.

In Moscow the streets in the lower part of town contain a good deal of water. Paradise creek has overflowed its banks, and the water is running over the railroad tracks. The city waterworks plant has two feet of water in it, and several houses down in the flat are surrounded with water.

**Pataha Creek on the Rampage.**  
POMEROY, Wash., Feb. 21.—The lower part of the city is under water, Pataha creek being transformed into a raging torrent by the melting snow from the mountains. A warm rain fell all day, and the water is still rising. A bridge between this city and Pataha and several crossings were torn away by the rushing waters.

## OLGA NETHERSOLE WAS ARRESTED

Charged With Offending Public Decency in Her Play "Sappho."

New York, Feb. 21.—On a warrant charging her with offending public decency, Olga Nethersole, the actress, was arrested this afternoon and made to appear in the Center-street police court. She was paroled in the custody of her counsel, and the case set for hearing Friday morning.

The arrest is the culmination of the attack upon and denunciation of "Sappho," Clyde Fitch's play, now being produced by Miss Nethersole at Wallack's theater. The play is a stage adaptation of Alphonse Daudet's novel of "Sappho." The attack seemed to come from all directions, the play being denounced by pulpit and press. With Miss Nethersole were arrested upon the same charge Hamilton Revelle, her leading actor, and Marcus Mayer, her manager. A warrant was issued for the arrest of Theodore Ross, proprietor of Wallack's, but as Mr. Ross was ill, Charles Burnham, the manager of the theater, appeared in the police court in his stead, as the representative of the playhouse. The provision under which the warrant was issued is a section of the penal code, applying to public nuisance, which is a misdemeanor, and is punishable by imprisonment in the penitentiary for one year or a fine of \$500, or both.

At the dictation of her counsel, Miss Nethersole said, in answer to the complaint: "I have committed no offense against the good morals or the law of this or any other country. I especially demand to know the source of this attack upon me and my proprietor. The court cannot order a too-speedy investigation."

At the request of Miss Nethersole's counsel, the hearing was set for Friday morning. The play was presented tonight.

## NICARAGUAN BILL MAY BE PASSED

It is Not Necessary or Probable That Action on the Hay-Pauncefote Treaty Shall Precede Passage of the Bill.

New York, Feb. 22.—A special to the Herald from Washington says: It is possible that the Hepburn Nicaragua canal bill may be passed by the house of representatives, and it may even become a law before the senate acts on the Hay-Pauncefote treaty. Representative Hepburn is determined to press the bill at every opportunity.

It is expected that the committee on rules will report Mr. Hepburn's resolution favorably, though it is possible that some change may be made in the date that he has fixed for the consideration of the bill. Mr. Hepburn and many advocates of the canal bill in both houses of congress are in favor of passing the pending bill containing the authorization of the fortification of the canal, without regard to the action of the senate on the pending treaty.

In speaking of this subject, Mr. Hepburn said it would make no material difference whether the treaty was ratified or not. If it should be agreed to by the senate, and it should be determined that the president had no power under the treaty to fortify the canal, he need not act under the authority given him to erect fortifications. He thought it would be well for congress to give the president all the authority that he could possibly want.

**Chief Washakie Is Dead.**  
CHICAGO, Feb. 22.—A special to the Tribune from Cheyenne, Wyo., says: Washakie, chief of the Shoshone Indians, died in his tepee on the Wind River reservation, in Central Wyoming, last evening after a lingering illness of several months. He was ninety-three years old. For fifty-three years he was at the head of his tribe. He was ever the friend of the white man and rendered valuable aid to the early settlers of the West. He was a devout Christian and by his example and teachings he brought the Shoshones up to a high standard of intelligence.

**Kansas City Won.**  
WASHINGTON, Feb. 22.—Kansas City was chosen as the place for holding the Democratic National Convention by a vote of 40 to Milwaukee's 9.

The Democratic National Committee met in the Hotel Raleigh at noon today to fix a time and place for holding the next national convention. The com-

mittee was called to order by Senator Jones, chairman. Every state and territory was represented, each by the national committee or proxy. Speeches in favor of Milwaukee were made by Mayor Rose, Representative Lentz, of Ohio, and ex-Governor Peck, of Wisconsin, while those who argued for holding the convention in Kansas City were James A. Reed, prosecuting attorney, Kansas City; Representative Cowherd, of Missouri, and David Overmeyer, of Kansas City. The committee at 2:10 took a recess for one hour. It will then assemble in executive session to consider the time and place of holding the national convention.

**His Life Was Saved.**  
Mr. J. E. Lilly, a prominent citizen of Hannibal, Mo., lately had a wonderful deliverance from a frightful death. In telling of it he says: "I was taken with Typhoid fever, that ran into pneumonia. My lungs became hardened. I was so weak I could not even sit up in bed. Nothing helped me. I expected to soon die of consumption, when I heard of Dr. King's New Discovery. One bottle gave great relief. I continued to use it, and now am well and strong. I can't say too much in its praise." This marvelous medicine is the surest and quickest cure in the world for all throat and lung trouble. Regular sizes 50 cents and \$1.00. Trial bottles free at Blakeley & Houghton's drugstore; every bottle guaranteed.

**Foresters Refuse to Aid England.**  
New York, Feb. 22.—At the last meeting of the Court Unique, Ancient Order of Foresters, Brooklyn, the court withdrew from the British order and joined the Foresters of America. The Boer flag was unfurled and greeted with much applause. Court Unique has a membership of 144, and each member was required to pay the per capita tax of 30 cents each year to the Grand Lodge in England. This tax was increased to 50 cents a head some time ago. It was said that the increase was in a measure a tax upon the order for the Boer war. The members refused to pay and were suspended.

An application was made to the American Order of Foresters for admission, which was granted. Inside the hall of the assembly rooms is a glass contribution box to receive funds for the Netherlands Red Cross in aid of the Boers.

## Proposals for Refunding Water Bonds, Dallas City, Oregon.

Sealed proposals will be received by the board of water commissioners of Dallas City, Oregon, at said city until 8:30 o'clock p. m. of the 26 day of Feb., 1900, for twenty-five thousand dollars; and twenty thousand dollars of refunding water bonds of said city, (as it is not settled as to whether the total amount of bonds will be \$25,000 or \$20,000) authority is extended to the said board to issue refunding water bonds in the sum of \$25,000, but if found not to be necessary, the issue will be for no more than \$20,000; and at a rate of interest not exceeding four per cent per annum payable twenty years from date of issue, interest payable semi-annually, principal and interest payable in gold coin of the United States, at any city therein, at the option of the buyer.

The bonds mentioned will be issued under the provisions of the several legislative acts of the state of Oregon, approved Feb. 26, 1885, Feb. 19, 1889, and Feb. 14, 1895, and in pursuance of an ordinance adopted by the common council of Dallas City, approved January 25, 1900. The proposed refunding water bonds are intended for the redemption of outstanding water bonds in the sum of \$25,000; but in case the board of water commissioners prefer, it will issue refunding bonds for \$20,000 only, therefore bidders may make proposals for both \$25,000 and \$20,000, and in the denomination of \$500 each.

No bid will be entertained for a rate less than par value of the bonds. Premiums and rate of interest will be taken into consideration in passing on the value of all bids.

Bidders must deposit with the president of the board a duly certified check on some responsible bank equal to 2 per cent of the amount of bonds bid for, or accompany his bid with cash of such amount as will equal such per cent of his bid, and such certified check made payable to the president of the board of water commissioners of Dallas City, Or., as liquidated damages in case the bidder shall fail or neglect to receive and pay for, at the office of the city treasurer of said city, the bonds awarded to him on his bid, on or before the first day of March, 1900.

Attention should be given the fact that the board will not issue and dispose of more than \$20,000 of such refunding bonds, unless it shall be deemed necessary to do so, but otherwise, if the board shall find that it is necessary to issue bonds in the sum of \$25,000, it will then offer and issue the full sum, (\$25,000). The right to reject any and all bids is reserved by the said board of water commissioners.

Bids should be addressed to the president of said board, or to the city recorder, Dallas City, Wasco county, Oregon, and noted "Proposals for refunding water bonds."

By order of the Board of Water Commission, by and with the consent of the Common Council. This 25th day of January, 1900.

T. J. SEFFERT, President of Board, NED H. GATES, Recorder of Dallas City.
