PEOPLE YOU ALL KNOW.

Jan. Farlow, of Astoria, is in the city.

Mrs. W. O. Hadley left for Hood River this morning.

G. E. Nolin, of Seiler, is registered at the Umastika Home.

Alex Wilson, a well known sheepman from Grass Valley, is in town today.

J. W. Moxton, a member of the legislature from Wasco county, is in the city from Hood River.

Miss Myrtle Short left on the stage this morning for Goodenale, where she will visit for a few weeks.

I. C. Darland and A. Baker came over from Goodenale yesterday and left this morning for Portland.

Mrs. M. Peirano went to Portland this morning to attend the spring millinery openings. On her return she will be accompanied by Miss Della Greenlee, formerly of Kansas City, Mo., but now of Walla Walla.

Miss Myrtle Smith, of the Campbell & Wilson Millinery firm, went to Portland on this morning's train to attend the wholesale millinery openings and select a few more beautiful pattern hats for their spring opening, which will complete their already well selected line of Eastern pattern hats.

A Good Beginning.

The opening night of the Shaw company was a most successful one. The house was so crowded that standing seats only could be had. The play, "Jack O' Diamond, is a pleasant little

Copper Colored Splotches.

There is only one cure for Contagious Blood Poison—the disease which has completely baffled the doctors. They are totally unable to cure it, and direct their efforts toward bottling the poison up in the blood and concealing it from view. S. S. S. cures the disease positively and permanently by forcing out every trace of the taint.

I was afflicted with a terrible blood disease, which was in spots all over my body. Some soon broke out into sores, and it is easy to imagine the suffering I endured. Before I became convinced that the doctoring would do no good, I had spent a hundred dollars, which was really thrown away. I then tried various patent medicines, but they did not reach the disease. When I had finished my first bottle of S. S. S. I was greatly improved and was delighted with the result. The large red splotches on my chest began to grow paler and smaller, and before long disappeared entirely. I regained my lost weight, became stronger and my appetite greatly improved. I was soon entirely well, and my skin as clear as a piece of glass.

**S.S.S. For the Blood** is PURELY VEGETABLE, and is the only blood remedy guaranteed to contain no mercury, or other mineral. Books on the disease and its treatment mailed free by Swift Specific Company, Atlanta, Georgia.

dreams and full of many interesting situations which all help to weave in a story that appeals to the audience and brings forth the fact that all who profess are not friends.

Mr. Shaw is indeed a fine actor, and his entire company, which numbers twenty-one, are worthy of praise for their clever acting and excellent music. During the intermission between acts, specialties were introduced, such as singing, dancing, and a xylophone solo.

The audience which greeted the company last night were more than pleased with the performance, and we predict that the house will again be crowded, for we can assure anyone, that for a good, clean and pleasant evening's entertainment the Shaw company cannot be excelled.

Tonight the favorite, "Is Married," will be produced.

Proposals for Refunding Water Bonds.

Sealed proposals will be received by the board of water commissioners of Dalles City, Oregon, at said city until 5:30 o'clock p. m. of the 26 day of Feb., 1900, for twenty-five thousand dollars; and twenty thousand dollars of refunding water bonds of said city, as it is not settled as to whether the total amount of bonds will be \$25,000 or \$35,000; authority is extended to the said board to issue refunding water bonds in the sum of \$25,000, and at a rate of interest not exceeding four per cent per annum payable twenty years from date of issue. Interest payable semi-annually, principal and interest payable in gold coin of the United States, at any city therein, at the option of the borrower.

The bonds mentioned will be issued under the provisions of the several legislative acts of the state of Oregon, approved Feb. 26, 1885, Feb. 19, 1889, and Feb. 14, 1895, and in pursuance of an ordinance adopted by the common council of Dalles City, approved January 25, 1900. The proposed refunding water bonds are intended for the redemption of outstanding water bonds in the sum of \$25,000; but in case the board of water commissioners prefer, it will issue refunding bonds for \$20,000 only, therefore bidders may make proposals for both \$25,000 and \$20,000, and in the denomination of \$500 each.

No bid will be entertained for a rate less than par value of the bonds. Premiums and rate of interest will be taken into consideration in passing on the value of all bids.

Bidders must deposit with the president of the board a duly certified check on some responsible bank equal to 2 per cent of the amount of bonds bid for, or accompany his bid with cash of such amount as will equal such per cent of his bid, and such certified check made payable to the president of the board of water commissioners of Dalles City, Ore., as stipulated damages in case the bidder shall fail or neglect to receive and pay for, at the office of the city treasurer of said city, the bonds awarded to him on his bid, on or before the first day of March, 1900.

Attention should be given the fact that the board will not issue and dispose of more than \$20,000 of such refunding bonds, unless it shall be deemed necessary to do so, but otherwise, if the board shall find that it is necessary to issue bonds in the sum of \$25,000, it will then offer and issue the full sum, \$25,000.

The right to reject any and all bids is reserved by the said board of water commissioners. Bids should be addressed to the president of said board, or to the city recorder, Dalles City, Wasco county, Oregon, and noted "Proposals for refunding water bonds."

By order of the Board of Water Commissioners, by and with the consent of the Common Council. This 25th day of January, 1900.
