REBELLION IS ALIVE

Filipinos Have Not Yet Been Subdued.

PLANNING FOR THE RAINY SEASON

May Carry on Guerrilla Warfare on a Large Scale—Treacherous Native Officials.

MANILA, March 3, 9:55 p. m.—Reports reach the Associated Press from various sources, including army officers and the heads of commercial houses with agents throughout the islands, of continued activity among the insurgents, who are endeavoring to keep alive the armed opposition to the United States, and are planning to continue the insurrection with guerrilla warfare on a larger scale when the rainy season begins. A person holding a position second only to that of the Governor-General tells the Associated Press he is convinced that the insurgent organization has been remarkably rehabilitated during the past month, particularly in the northern provinces. He says the insurgents have a secret organization, even in the strongest garrisoned towns, affording perfect means of communication and that the machinery is managed from Manila. Some of the leaders are Filipinos pretending to be supporters of the American administration, and many of the municipal governments installed by the army form parts of the machinery.

Two correspondents of leading American weeklies who have traveled for a month in Benquet and Ilocos with letters for insurgent chiefs, going alone fifty miles from garrisons and being everywhere hospitably received, say the people make no secret of their sympathy with the insurgents. Though admitting that the Filipino soldiers abuse them, they still protect these soldiers from the American scouting parties. They claim to have communications from Aguinaldo. Paterno, in the northern mountains of Manila, is full of civil and military officials of all ranks of Aguinaldo's government, who were captured or surrendered and who were brought here and released on promises to refrain from agitation.

While many of the insurgent municipal officers were continued in office on taking the oath of allegiance, residents who are acquainted with them have little faith in their promises. All the citizens of Tulaac, capital of the province of that name, have been arrested and charged with plotting, and two insurgents have been captured at Malabon with discriminating papers and \$4000 collected from the natives. Some of the municipal governments appear loyal and efficient. On the other hand, one American General declares he believes the majority in his province are agents of the insurrection.

A fresh issue of insurgent pamphlets is being circulated, asserting that the American promises of good government are merely a mask for commercial exploitation of the Philippines, quoting Senator Beveridge's speech and an editorial from a Washington newspaper, headed, "Let Us Be Honest."

The trial of the guerrillas charged with murder is finished, and it is believed the commission's verdict will be guilty. Indictments against others have been prepared.

No report has been received from General Bates' expedition. He has probably moved inland, where communication with him is impracticable.

The Army throughout the island of Luzon is working hard, scouring the country for insurgents and killing a few daily. The section from Manila to Dagupan has been thoroughly cleared, the scouting parties being unable to find any insurgents. General Finston and Colonel Keenan took 200 men through the mountains to Baler, on the eastern coast, without meeting any insurgents.

But they are active along the northern coast from Dagupan to Aparri. Occasional reports come of an American soldier being killed or disappearing. In the southern provinces the insurgents continue to harass the American garrisons by night demonstrations.

His Life Was Saved.
Mr. J. E. Lilly, a prominent citizen of Hannibal, Mo., lately had a wonderful deliverance from a frightful death. In telling of it he says: "I was taken with Typhoid fever, that ran into pneumonia. My lungs became hardened. I was so weak I could not even sit up in bed. Nothing helped me. I expected to soon die of consumption, when I heard of Dr. King's New Discovery. One bottle gave great relief. I continued to use it, and now am well and strong. I can't say too much in its praise." This marvelous medicine is the surest and quickest cure in the world for all throat and lung trouble. Regular sizes 50 cents and \$1.00. Trial bottles free at Blakeley & Houghton's drugstore; every bottle guaranteed.

Cruisers Transferred.
WASHINGTON, March 3.—Arrangements were made today for the transfer of the auxiliary cruisers Badger and Resolute from the Navy to the War Department. These vessels were purchased during the Spanish War, and are no longer needed by the Navy. The Badger is now at San Francisco, and will be fitted out by the Quartermaster's Department for a cruise to Alaska, after which she will be sent to the Philippines for the interisland transport service. The Resolute is undergoing repairs at Philadelphia. She will be placed temporarily on the service between New York and the West Indies. When she can be spared, it is intended to send her also to the Philippines.

No Right to Ugliness.
The woman who is lovely in face, form and temper will always have friends, but one who would be attractive must keep her health. If she is weak, sickly and all run down, she will be nervous and irritable. If she has constipation or kidney trouble, her impure blood will cause pimples, blotches, skin eruptions and a wretched complexion. Electric Bitters is the best medicine in the world to regulate stomach, liver and kidneys and to purify the blood. It gives strong nerves, bright eyes, smooth, velvety skin, rich complexion. It will make a good-looking, charming woman of a run-down invalid. Only 50 cents at Blakeley & Houghton's drugstore.

For Arrest of Goebel's Murderer.
FRANKFORT, Ky., March 3.—The Democratic Senate today passed the bill for the appointment of a committee to hunt down the person or persons who assassinated Governor Goebel and appropriating \$100,000 to carry on the work. The bill had previously passed the House, and now goes to Governor Beckham for approval. The Republican Senate, sitting in the same hall, took no part in the proceedings.

Startling Claims.
Eighty-five per cent of all persons declared incurable or given up to die by physicians can be cured, or their lives greatly prolonged by the beneficent powers of the "Perfect" Oxygen King. This startling assertion is susceptible of proof. We have it in the form of letters from all classes of people "reading far and near" who are delighted to testify to the marvelous curative powers of this latest and most perfected home oxygenating instrument. Changes in Canal Plans.
New York, March 3.—A special dispatch to the Herald from Washington says: Some modifications in the plans for the Nicaragua Canal recommended by the first Walker commission will have to be made. This is made clear by re-

ports forwarded to the office of the present Walker commission from one of the surveying parties now in the field. It has been found that it will be impracticable to build the proposed dam across the San Juan River just above the mouth of the San Carlos, known as the Boca San Carlos dam. It is believed, however, that a practicable site for the proposed dam can be found at no great distance from the site formerly selected, and surveys are now in progress for the purpose of finding a better location.

Catarrh Cannot be Cured
with local applications, as they cannot reach the seat of the disease. Catarrh is a blood or constitutional disease, and in order to cure it you must take internal remedies. Hall's Catarrh Cure is taken internally, and acts directly on the blood and mucous surfaces. Hall's Catarrh Cure is not a quack medicine. It was prescribed by one of the best physicians in this country for years, and is a regular prescription. It is composed of the best tonics known, combined with the best blood purifiers, acting directly on the mucous surfaces. The perfect combination of the two ingredients is what produces such wonderful results in curing Catarrh. Send for testimonials, free.

Bigamist Farnsworth Sentenced.
CHICAGO, March 3.—"I don't claim to be an angel, your honor; but I believe I have been more sinned against than sinning," said Bigamist Walter L. Farnsworth, as he stood before Judge Baker for sentence. Farnsworth was sentenced to the penitentiary. Originally he was said to have forty wives in various parts of the country. He was indicted on four charges, and acknowledged he had been married four times. Farnsworth was known as Bradford, and by other names. His real name is said to be Orton.

A Convincing Answer.
"I hobbled into Mr. Blackmon's drug store one evening," says Wesley Nelson, of Hamilton, Ga., "and he asked me to try Chamberlain's Pain Balm for rheumatism, with which I had suffered for a long time. I told him I had no faith in any medicine as they all failed. He said: 'Well if Chamberlain's Pain Balm does not help you, you need not pay for it.' I took a bottle of it home and used it according to directions and in one week I was cured, and have not since been troubled with rheumatism." Sold by Blakeley & Houghton.

As a cure for rheumatism Chamberlain's Pain Balm is gaining a wide reputation. D. B. Johnston of Richmond, Ind., has been troubled with that ailment since 1862. In speaking of it he says: "I never found anything that would relieve me until I used Chamberlain's Pain Balm. It acts like magic with me. My foot was swollen and paining me very much, but one good application of Pain Balm relieved me. For sale by Blakeley & Houghton.

Drying preparations simply develop dry catarrh; they dry up the secretions, which adhere to the membrane and decompose, causing a far more serious trouble than the ordinary form of catarrh. Avoid all drying inhalants, fumes, smokes and snuffs and use that which cleanses, soothes and heals. Ely's Cream Balm is such a remedy and will cure catarrh or cold in the head easily and pleasantly. A trial size will be mailed for 10 cents. All druggists sell the 50c. size, Ely Brothers, 50 Warren St., N.Y. The Balm cures without pain, does not irritate or cause sneezing. It spreads itself over an irritated and angry surface, relieving immediately the painful inflammation. With Ely's Cream Balm you are armed against Nasal Catarrh and Hay Fever.

John Durr, Poseyville, Ind., says, "I never used anything so good as One Minute Cough Cure. We are never without it." Quickly breaks up coughs and cold. Cures all throat and lung troubles. Its use will prevent consumption. Pleasant to take.

Wrecking of the Charleston.
WASHINGTON, March 3.—Sensational charges are contained in an anonymous letter which has been received at the Navy Department from Manila. The communication relates to the wrecking of the Charleston, and makes the serious statement that a number of officers of the vessel at the time of the disaster were under the influence of liquor. The correspondent who furnishes the information claims to have verified the allegations by diligent inquiry among the officers of the Charleston.

The letter was not placed on the official files on account of the peculiar nature of the charges, but it has been referred to the Judge-Advocate-General of the Navy with instructions from Secretary Long that the matter be investigated at once. This inquiry will probably not take a more formidable aspect than a note of inquiry addressed to the Commander-in-Chief of the Asiatic station. Naval officers here who have seen the letter say there was nothing to justify the charges, and they believe the Department's inquiry will relieve the accused officers from the unwarranted allegations. Captain Pigman, who commanded the Charleston at the time of the wreck, is not involved in any of the charges.

"After doctors failed to cure me of pneumonia I used One Minute Cough Cure and three bottles of it cured me. It is also the best remedy on earth for whooping cough. It cured my grandchildren of the worst cases," writes Jno. Berry, Loganton, Pa. It is the only harmless remedy that gives immediate results. Cures coughs, colds, croup and throat and lung troubles. It prevents consumption. Children always like it. Mothers endorse it.

Race Trouble Feared.
MONTGOMERY, Ala., March 3.—Race trouble is feared near Letohatchie, 25 miles south of this city. It is reported that 1000 negroes are congregated and are threatening. It is said that last night some white men went to the house of Jim Cross, a negro, called him to the door and shot him. Afterwards the crowd shot his wife, son and daughter. Only a few days ago Sam Powell, white, was shot by a negro in the same neighborhood. The negro was taken from the sheriff and hanged by a mob.

Bismarck's Iron Nerve
Was the result of his splendid health. Indomitable will and tremendous energy are not found where stomach, liver, kidneys and bowels are out of order. If you want these qualities and the success they bring, use Dr. King's New Life Pills. They develop every power of brain and body. Only 25c at Blakeley & Houghton's drugstore.

Impersonated an Officer.
NEW ORLEANS, March 3.—Julius Morse, who married Miss Bertha Warrick, of Dayton, O., under the name of "Captain Clark," was tried before Commissioner Craig, of the United States Court, today on the charge of impersonating a Government officer. He was committed to the High Court under a bond of \$1000.
