Proposals for Refunding Water Bonds, Dalles City Oregon.

Sealed proposals will be received by the board of water commissioners of Dalles City, Oregon, at said city until 8:30 o'clock p. m. of the 26 day of Feb., 1900, for twenty-five thousand dollars; and twenty thousand dollars of refunding water bonds of said city, as it is not settled as to whether the total amount of bonds will be \$25,000 or \$20,000, authority is extended to the said board to issue refunding water bonds in the sum of \$25,000, but if found not to be necessary, the issue will be for no more than \$20,000; and at a rate of interest not exceeding four per cent per annum payable twenty years from date of issue, interest payable semi-annually, principal and interest payable in gold coin of the United States, at any city therein, at the option of the buyer.

The bonds mentioned will be issued under the provisions of the several legislative acts of the state of Oregon, approved Feb. 26, 1885, Feb. 19, 1889, and Feb. 14, 1895, and in pursuance of an ordinance adopted by the common council of Dalles City, approved January 25, 1900. The proposed refunding water bonds are intended for the redemption of outstanding water bonds in the sum of \$25,000; but in case the board of water commissioners prefer, it will issue refunding bonds for \$20,000 only, therefore bidders may make proposals for both \$25,000 and \$20,000, and in the denomination of \$300 each.

No bid will be entertained for a rate less than par value of the bonds. Premiums and rate of interest will be taken into consideration in passing on the value of all bids. Bidders must deposit with the president of the board a duly certified check on some responsible bank equal to 2 per cent of the amount of bonds bid for, or accompany his bid with cash of such amount as will equal each per cent of his bid, and such certified check made payable to the president of the board of water commissioners of Dalles City, Ore., as liquidated damages in case the bidder shall fail or neglect to receive and pay for, at the office of the city treasurer of said city, the bonds awarded to him on his bid, on or before the first day of March, 1900.

Attention should be given the fact that the board will not issue and dispose of more than \$20,000 of such refunding bonds, unless it shall be deemed necessary to do so, but otherwise, if the board shall find that it is necessary to issue bonds in the sum of \$25,000, it will then offer and issue the full sum, \$25,000.

The right to reject any and all bids is reserved by the said board of water commissioners. Bids should be addressed to the president of said board, or to the city recorder, Dalles City, Wasco county, Oregon, and noted "Proposals for refunding water bonds."

By order of the Board of Water Commission, by and with the consent of the Common Council. This 25th day of January, 1900.

Distinguished Testimony. No secret society in the world stands higher in noble aims and charitable accomplishments than the Knights of Pythias. That order is doing great good, and one of its finest institutions is the Ohio Pythian Home, at Springfield, Ohio, which is ably presided over by Superintendent Le Fevre and his wife, Mrs. Callie I. Le Fevre, the matron. The latter has recently written a letter, which will command widespread attention because of the prominence of the writer. It is as follows:— Messrs. W. H. Hooker & Co., New York: Last year I used Acker's English Remedy at the suggestion of a friend, for a serious, long-standing throat difficulty and extremely hard cough. Had used many well-spoken-of preparations without relief. I can honestly say that Acker's English Remedy removed the difficulty and stopped the cough. I did not purchase or use more than three bottles, and at least one-half of the last is still on hand. I also consulted physicians with no permanent results. (Signed) CALLIE I. LE FEVRE. The friend to whom Mrs. Le Fevre refers as having suggested Acker's English Remedy is Mrs. W. B. Chilton, wife of the president of the Troy Transfer Co., of Troy, Ohio, where this remedy has accomplished many other cures in Throat and Lung Troubles. In conversation with an acquaintance Mrs. Le Fevre also said: "If you will call on Mr. W. H. Schauss, a prominent china and art merchant of Springfield, Ohio, you will find that he, too, has had any amount of experience with Acker's English Remedy in his family, and thinks they cannot keep house without it." Acker's English Remedy is sold by all druggists under a positive guarantee that your money will be refunded in case of failure. 50c. per bottle in United States and Canada. In England, 1s. 6d. per bottle, and 3s. 6d. per dozen. We authorize the above guarantee. W. H. HOOKER & CO., Proprietors, New York. For Sale by BLAKELEY & HOUGHTON.
