What will the Bryans and the Sulzers and the Pettigrews and the Masons and the Shaforths and our own Oregon O'Days and Chamberlains do now, poor things? For the McKinley administration, in spite of the "secret treaty" with Great Britain, (which was not a secret treaty at all, for Bryan and all the hosts of Fusion knew all about it,) has actually offered its services to the British government as mediator, with the view of bringing about peace in South Africa. But the offer has been declined, as everybody knew it would, but declined politely, withal, and no proposals for peace are ever likely to be entertained except on the principle of unconditional surrender.

Senator Simon has placed himself on record as opposed to the Puerto Rico tariff bill. Waving the constitutional question involved in the bill, Mr. Simon sees enough merit in extending free trade to the island to make it compulsory upon us to do so. The senator is right. The products of the island will never materially effect the interests of the United States and insistence on the principle—if there is any principle in the matter—of a miserable little 15 per cent tariff will assuredly rise up to plague its authors later on.

President Kruger having appealed to Germany for mediation or intervention in the war with Great Britain got for an answer that she was in no way concerned in the conflict and declined to interfere. Of course Germany must have entered into "a secret treaty" with England, but O My Countrymen! if the United States had only answered thus, wouldn't the protest of all Bryandoms have rent the ambient air from Lincoln Nebraska to Bantry Bay?

The Courier-Journal warns Kentucky Democrats that if the Goebel election law is not repealed there is nothing surer in future politics than that it will come back to plague them. It predicts that if the election next fall is held under the Goebel law, and if the vote of Kentucky is necessary for the election of a Republican president, Kentucky's vote will be counted for the Republicans, it matters not what the returns may show.

The general impression is that the silver Republicans have shut shop and gone out of business in Oregon. If there is one in Wasco county that will acknowledge the title THE CHRONICLE would like to make his acquaintance.

WINTER TRIPS.

For winter residence or winter outing ideal conditions will be found on every hand in California. Prolonged early rainfall has this season given to the semi-tropical vegetation wonderful impetus; the floral offerings are more than usually generous and the crop of southern fruits bountiful and excellent.

Old ocean possesses new charms at Santa Barbara, Santa Monica, Long Beach, Coronado and the enchanted isle of the sea, Catalina—where fishing, boating, rambling, riding, hunting and loafing may be enjoyed as nowhere else.

Quiet little spots, snug and warm, offer themselves at Montecito, Nordhoff, Pasadena, Echo Mountain, San Jacinto, Fall Brook and Palm Springs. For renewing health and vigor, here abound many hot springs, of widely varying constituents and demonstrated merits; the dry, antiseptic, tonic air of the desert may be enjoyed at Banning, Indio, Yuima; and, even farther on, at Phoenix, Tucson, El Paso, exists conditions equally well indicated for weak throats and lungs.

Many think nothing in nature more attractive than the shimmering olive orchards of Santa Barbara and San Diego; others prefer the stately walnuts of Ventura and Los Nietos, or the lemons of Fernando; but for glorious fruit and graceful tree commend us to the golden orange, first, last and always, and it exists in greatest perfection at Covina, Riverside, Redlands and Highlands. Equally interesting is the scientific and tempting fashion in which the sorting and packing of the orange is here accomplished.

The faithful were exhorted to see Mecca and shuffle off; but wiser generations will see California of the south and prolong life.

His Life Was saved.

Mr. J. E. Lilly, a prominent citizen of Hannibal, Mo., lately had a wonderful deliverance from a frightful death. In telling of it he says: "I was taken with Typhoid fever, that ran into pneumonia. My lungs became hardened. I was so weak I could not even sit up in bed. Nothing helped me. I expected to soon die of consumption, when I heard of Dr. King's New Discovery. One bottle gave great relief. I continued to use it, and now am well and strong. I can't say too much in its praise." This marvelous medicine is the surest and quickest cure in the world for all throat and lung trouble. Regular sizes 50 cents and \$1.00. Trial bottles free at Blakeley & Houghton's drugstore; every bottle guaranteed.

Startling Claims.

Eighty-five per cent of all persons declared incurable or given up to die by physicians can be cured, or their lives greatly prolonged by the beneficent powers of the "Perfected" Oxygen King. This startling assertion is susceptible of proof. We have it in the form of letters from all classes of people "residing far and near" who are delighted to testify to the marvelous curative powers of this latest and most perfected home oxygenating instrument.
