A PERVERTER OF WORDS.

We are decidedly grateful, says our Court street contemporary, that The Chronicle takes the position that the constitution of the United States, that document on which the union of states was founded, stands for nothing.

You are, are you? When did THE CHRONICLE say anything that the most perverted, Bryanite ingenuity could construe in this manner? Is this your answer to THE CHRONICLE'S contention that the constitution does not, and never did, follow the flag of its own force, and never went, in whole or in part, to any territory of the United States till congress sent it there? THE CHRONICLE says "the constitution stands for nothing," does it? THE CHRONICLE says "damn the constitution," does it? Be it known to you, O you perverter of words you cannot answer, that THE CHRONICLE has more reverence for the constitution than any Bryanite outside the domain of Pluto.

It is said that if the Prohibitionists of Oregon put a ticket in the field it will have to be by petition, as under the Oregon law they failed to cast the necessary 3 per cent vote to entitle them to be considered a party organization.

The faithful at Eugene want to hear Bryan but they are informed that that luxury will cost them \$220. Spellbinding of the Bryan brand comes high.

It is announced that Carl Schurz will support Bryan. Good! If Bryan will survive that kind of a blow he may live to be emperor of the Sulus.

If anybody has any lingering suspicion that this Eastern Oregon of ours is only fit for stockraising or that it does not do a little farming once in a while on the side, he ought to take a trip to the country back of the Blalock farm in Gilliam county. Ex-Governor Moody went up there yesterday to look at a piece of land he has owned for some time, which he has rented to Smith Bros. While there he saw—in one field if you will—the Smith Bros. with eleven ten-horse teams, cultivating and seeding summer fallow at the rate of ten acres a day for each team, or one-hundred and ten acres a day for the eleven teams! Think of it, ye cultivators of two-by-four wheat patches on the Willamette, and ye, too, subjects of an effete civilization in the far east. We're in the farming business out here, I tell you. That's what we are.

Bismarck's Iron Nerve
Was the result of his splendid health. Indomitable will and tremendous energy are not found where stomach, liver, kidneys and bowels are out of order. If you want these qualities and the success they bring, use Dr. King's New Life Pills. They develop every power of brain and body. Only 25c at Blakeley & Houghton's drugstore.

Remarkable Cures of Rheumatism.
From the Vindicator, Rutherfordton, N. C.
The editor of the Vindicator has had occasion to test the efficacy of Chamberlain's Pain Balm twice with the most remarkable results in each case. First, with rheumatism in the shoulder from which he suffered excruciating pain for ten days, which was relieved with two applications of Pain Balm, rubbing the parts afflicted and realizing instant benefit and entire relief in a very short time. Second, in rheumatism in thigh joint, almost prostrating him with severe pain, which was relieved by two applications, rubbing with the liniment on retiring at night, and getting up free from pain. For sale by Blakeley & Houghton.

Startling Claims.
Eighty-five per cent of all persons declared incurable or given up to die by physicians can be cured, or their lives greatly prolonged by the beneficent powers of the "Perfect" Oxygenator King. This startling assertion is susceptible of proof. We have it in the form of letters from all classes of people "reading far and near" who are delighted to testify to the marvelous curative powers of this latest and most perfected home oxygenating instrument. For sale by J. M. Filloon, The Dalles, Ore. ml-1wd2w

Dull Headache, Pains in various parts of the body, Sinking at the pit of the stomach, Loss of appetite, Feverishness, Pimples or Sores all positive evidences of impure blood. No matter how it became so it must be purified in order to obtain good health. Acker's Blood Elixir has never failed to cure Scrofulous or Syphilitic poisons or any other blood diseases. It is certainly a wonderful remedy and we sell every bottle on a positive guarantee. Blakeley & Houghton's drug store.

A Good Cough Medicine for Children
"I have no hesitancy in recommending Chamberlain's Cough Remedy," says F. P. Moran, a well known and popular baker, of Petersburg, Va. "We have given it to our children when troubled with bad coughs, also whooping cough, and it has always given perfect satisfaction. It was recommended to me by a druggist as the best cough medicine for children as it contained no opium or other harmful drug." Sold by Blakeley & Houghton.

An Honest Medicine for La Grippe.
George W. Wait, of Gardner, Me., says: "I have had the worst cough, cold, chills and grip and have taken lots of trash of no account but profit to the vendor. Chamberlain's cough Remedy is the only thing that has done any good whatever. I have used one bottle of it and the chills, cold and grip have all left me. I congratulate the manufacturer of an honest medicine." For sale by Blakeley & Houghton.
