

# From a Pastor

"I am the pastor of the Baptist Church at Port Jervis, N. Y., and sometimes am called upon to take part in evangelistic work away from home. Not long ago I went to Sandy Creek, N. Y., which is swept by the damp winds from Lake Ontario. Here I contracted a bad cough, and became so hoarse that I could hardly preach to my congregation. It was not only distressing in a bodily sense, but extremely embarrassing to enter the pulpit in this condition. I had heard of Acker's English Remedy and, after service, I bought a bottle and began taking it. The next night my throat was nearly well, and I delivered my sermon without difficulty. In a few days I was thoroughly cured. I conceive it to be my duty to benefit mankind physically as well as spiritually whenever I can, and am glad to write these words in praise of this grand old medicine. Those with sensitive throats and those who catch cold easily should certainly take Acker's English Remedy."

(Signed) REV. EZRA TERRY SANFORD.  
Sold at 25c. per bottle, and in a 12 bottle, throughout the United States and Canada; and in England, at 1s. 2d. per bottle. If you are not satisfied after buying, return the bottle to your druggist and get your money back.  
We authorize the above guarantee.

## Ordinary Falling Eyesight

Is by some regarded as alarming, by others, treated too carelessly. All eyes begin to fail at 40 years of age; some have trouble a year or two before that time—the majority not until after. From 36 to 45 is the time you should consult a competent optician in order to start right, otherwise several dangers confront you, among which is that terrible disease, glaucoma, which leads to total or partial blindness.  
It is estimated that 90 per cent of all cases of glaucoma are due to the "putting off" the use of glasses after failure begins. Scientific examination free by Theodore H. Liebe, optician, next door east of First National Bank on Second street.
