CONVENTION AFTERMATH.

The Republican county convention held here yesterday was the most harmonious political gathering that ever assembled in The Dalles. There was not a motion made, a suggestion offered, a resolution presented that was not accepted without a dissenting voice. The convention seemed to know what it wanted to do and it went about and did it in short order. Congressman Moody's special workers had it all their own way, so far as their main object was concerned—the election of a solid Moody delegation to the congressional and state conventions. The names suggested by Mr. Moody's friends for delegates were accepted by the convention with a promptness and cordiality that was highly complimentary to Mr. Moody. If there was the slightest dissent it cast no discernible shadow on the convention. Sheriff Kelly's renomination to succeed himself was esteemed a fit testimony to the prevailing impression as to his faithfulness to duty and efficiency. Al Lake won the nomination for clerk by the sheer force of his own personality. It was no discredit to Simeon Bolton that he came out second in a race with Al Lake. Mr. Bolton has made an enviable record for himself as a faithful, obliging and efficient deputy and it is doubtful if there is another man in Wasco county, save Mr. Lake, who could have beaten him for the nomination. Mr. Blowers won the nomination for the county judgeship over two men who would have honored the office had they ever been elected to fill it. THE CHRONICLE has the highest respect for the defeated candidates but it has not a particle of doubt that the future will justify the choice of the convention. By the nomination of C. L. Schmidt for assessor, the county is assured of an able and efficient administration of an office that requires more brains, more sense, more honesty and more backbone than any other in the gift of the people. The renomination of C. L. Gilbert to the superintendency of public schools over Troy Shelly, a man of distinguished record for conscientiousness and faithfulness, is a striking testimony to Mr. Gilbert's popularity. As to the treasurership, three good men were defeated in the race apparently because the convention thought that the county funds could not be intrusted to better or safer hands than those of C. L. Phillips. Peter Kirchner had it all his own way for commissioner and it is doubtful if a better choice could have been made. Surveyor Golt succeeds himself because the convention did not think it could do better, and Butts—"Dad" Butts—the can-

didate for coroner, wasn't nominated at all! The convention, when it came to sit on his case, simply shouted "Butts" with one voice and Chairman Kueck declared him the nominee of the convention. And thus ended a convention that will long remain memorable for the harmony that characterized its proceedings. The ticket is unquestionably a strong one and our friends, the enemy, will have to hustle like Sam Hill to beat any part of it.

Salem Democrats had the gall to ask for the use of the hall of representatives for Bryan to speak in, a request without a precedent. They were politely refused.

Catarrah Cannot be Cured with local applications, as they cannot reach the seat of the disease. Catarrah is a blood or constitutional disease, and in order to cure it you must take internal remedies. Hall's Catarrah Cure is taken internally, and acts directly on the blood and mucous surfaces. Hall's Catarrah Cure is not a quack medicine. It was prescribed by one of the best physicians in this country for years, and is a regular prescription. It is composed of the best tonics known, combined with the best blood purifiers, acting directly on the mucous surfaces. The perfect combination of the two ingredients is what produces such wonderful results in curing Catarrah. Send for testimonials, free.

Ordinary Failing Eyesight

Is by some regarded as alarming, by others, treated too carelessly. All eyes begin to fail at 40 years of age; some have trouble a year or two before that time—the majority not until after. From 36 to 45 is the time you should consult a competent optician in order to start right, otherwise several dangers confront you, among which is that terrible disease, glaucoma, which leads to total or partial blindness.

It is estimated that 90 per cent of all cases of glaucoma are due to the "putting off" the use of glasses after failure begins. Scientific examination free by Theodore H. Liebe, optician, next door east of First National Bank on Second street.

An Honest Medicine for La Grippe.

George W. Wait, of Gardner, Me., says: "I have had the worst cough, cold, chills and grip and have taken lots of trash of no account but profit to the vendor. Chamberlain's cough Remedy is the only thing that has done any good whatever. I have used one bottle of it and the chills, cold and grip have all left me. I congratulate the manufacturers of an honest medicine." For sale by Blakeley & Houghton.
