# **A Grocer Says**

"I guess everybody in Bellevue, Ohio, knows O. B. Callaghan, the grocer. I am

in his em ploy, and am about as well known as he is. A as he is. A grocery is a place where you have cold gusts of wind every time the door opens, and there is a good deal of

coming n

running about out-f-doors too. Anyhow, I

f-doors too. Anyhow, I catch cold very often, but the minute I begin to sneeze I reach up on the shelf and take a dose of Acker's English Remedy. I tell you it is wonderful how quickly it stops a cough or cold. I have used it myself, and in my family for a number of years. It works like a charm. I suppose some of the folks would have run into consumption before this if I had neglected to keep a bottle ready all the time for immediate use. I wouldn't think of using anything else for throat and lung troubles. I know what Acker's Remedy actually does, so what sense is there in experimenting? Certainty is better than chance. (Signed) John Hoff.

Sold at 25c., 50c. and \$1 a bottle, throughout the United States and Canada; and in England, at 1s. 2d., 2s. 3d., 4s. 6d. If you are not satisfied after buying, return the bottle to your druggist, and get your money back. W. H. HOOKEE & CO., Proprietors, New York.
