The "Q" Coming to Oregon.

BAKER CITY, Or., April 7 .-- A wellknown railroad, man who has just returned from New York and passed through here to Portland, is authority for the statement that the Chicago, Burlington & Quincy will make a transcontinental connection with the Columbia Southern Railway at Ontario. It is said that the "Q" will build either from Billings or the Black Hills to the Oregon state line. The new route will shorten the distance to Portland 125 miles, and will have in Oregon only one mountain range to cross instead of three. The Columbia Southern has already filed
