THE PLATFORM IS DRAFTED

Republican Leaders of the Senate and National Committeemen Have Accepted the Articles of Faith.

Chicago, April 16.—A special to the Post from Washington says:

Administration leaders have agreed upon the issues and articles of Republican faith which will be incorporated in the National platform to be submitted to the Philadelphia convention for ratification. A rough draft of the Republican party creed has been accepted by Republican leaders of the senate and Republican national committeemen.

The opening declaration will be a hearty endorsement of President McKinley and a tribute to his personal management of the most brilliant military and naval achievements of the close of the century. Unqualified approval will be accorded to all the Administrative acts. The establishment of a gold standard will be dwelt upon, and a plank will be devoted to renewed allegiance to the gold standard.

The keynote of the platform will be the expansion issue. A strong, clear utterance in favor of the retention of the Philippines and of a vigorous foreign policy will be declared. There will be no positive affirmation of the right of this government to govern the Philippines, as that must be left for further adjudication. The policy of protection will be affirmed, and the platform will pledge the party to the support of the doctrine of reciprocity. A greater merchant marine and liberal pension laws will be demanded, and the Monroe Doctrine reasserted. The Nicaragua Canal will be supported, if no action is taken at this session of congress. The developments of the near future in Cuba and the outcome of the municipal elections next month will largely shape the policy toward that island.

Among other planks in the platform will be one in favor of an augmented navy, others in favor of civil service, free homesteads, restriction of immigration, and temperance and woman suffrage will also have a place in the platform.

Gold in Luzon.

SAN FRANCISCO, April 16.—The transport Tartar, which arrived Saturday afternoon from Manila, was released from quarantine today. The Tartar brought advices from the Philippines up to March 6th. One of the reports from Manila is that William Odun, who is spoken of as a miner of large experience, has returned from a prospecting trip on the distant coast of Vigan. He showed rich specimens of gold, and declared

that he had located a ledge of quartz as rich as anything in Colorado or California. He is organizing a company of ex-soldiers, and will go into the mountain districts of Vigan to secure claims. In an interview in the Manila Freedom, Odun says: "Never before did I see such indications of mineral wealth. I have traveled from the Klondike to South Africa, and I am convinced that there is not a much richer mineral country in the world than the Island of Luzon."

Anti-Trust Laws.

WASHINGTON, April 16.—Two measures directed against trusts were determined upon today by the special sub-committee on trusts of the House judiciary committee. The special sub-committee has spent many days examining the various remedies proposed, and the conferences were not concluded until a late hour today. As agreed upon, the remedy is twofold, namely, a constitutional amendment giving congress full power to deal with trusts, and a new anti-trust law making the following extensions to the Sherman act:

First—Requiring the branding or marking of trust-made goods shipped out of a state, so as to be easily identified as the product of a trust.

Second—Prohibiting the interstate traffic of trust-made goods not so branded, and making them subject to seizure and condemnation.

Third—Requiring corporations having a capital over \$1,000,000, or doing an annual business of \$1,000,000, to file a report of their affairs with the secretary of state.

Fourth—Providing the process of injunction against combinations sending trust-made goods from state to state or to foreign countries.

Fifth—Prohibiting the use of the mails to concerns and their officials proven to be trusts.

Catarrh Cannot be Cured

with local applications, as they cannot reach the seat of the disease. Catarrh is a blood or constitutional disease, and in order to cure it you must take internal remedies. Hall's Catarrh Cure is taken internally, and acts directly on the blood and mucous surfaces. Hall's Catarrh Cure is not a quack medicine. It was prescribed by one of the best physicians in this country for years, and is a regular prescription. It is composed of the best tonics known, combined with the best blood purifiers, acting directly on the mucous surfaces. The perfect combination of the two ingredients is what produces such wonderful results in curing Catarrh. Send for testimonials, free.

MARK HANNA WILL RESIGN

And What Will the Democrats Do For Some One to Talk About Then. Poor Things?

NEW YORK, April 17.—A special to the Herald from Washington says: It is very generally understood by leading Republican politicians that Senator Hanna will not be chairman of the Republican national committee during the coming campaign. There is no one whom the President or the party leaders would have more confidence in than Senator Hanna, but the state of his health is such that he does not feel equal to assuming the responsibility for the management of the campaign.

Tagalos Still on the War Path.

MANILA, April 17.—Twelve hundred Tagalos attacked Case's battalion headquarters of the Fortieth regiment at Cagayan, Island of Mindanao, on April 7. The Americans had fifteen casualties, while of the attacking force fifty were killed and thirty wounded or taken prisoners.

The enemy, numbering 150 riflemen, the remainder being bolomen, archers and mounted spearmen, swooped down in a howling mass at daylight, surprising and killing three of the sentries. They swarmed through the streets in small parties, some bearing scaling ladders, by means of which they attempted to enter the houses. The Americans tumbled out of the barracks and formed in the plazas and companies began sweeping the town. The subsequent street fight lasted twenty minutes.

Twelve of the wounded Americans are now on board the hospital ship Relief. The enemy withdrew to the mountains in great confusion.

Remarkable Cures of Rheumatism.

From the Vindicator, Rutherfordton, N. C. The editor of the Vindicator has had occasion to test the efficacy of Chamberlain's Pain Balm twice with the most remarkable results in each case. First, with rheumatism in the shoulder from which he suffered excruciating pain for ten days, which was relieved with two applications of Pain Balm, rubbing the parts afflicted and realizing instant benefit and entire relief in a very short time. Second, in rheumatism in thigh joint, almost prostrating him with severe pain, which was relieved by two applications, rubbing with the liniment on retiring at night, and getting up free from pain. For sale by Blakeley & Houghton.

Fighting in Luzon.

MANILA, April 17.—General Young reports that 300 insurgent riflemen and bolomen attacked the American garrison at Batoo, Province of North Ilocos, yesterday, but were repulsed, losing 106 men. The Americans had no casualties. Captain Dodd, with a squadron of the Third Cavalry, recently surrounded a village in Union Province, and surprised 200 insurgents living in barracks, it apparently being the recruiting center for the province. The enemy lost 53 men killed. Our troops also captured 44 men and burned the village. One American was wounded.

His Life Was Saved.

Mr. J. E. Lilly, a prominent citizen of Hannibal, Mo., lately had a wonderful deliverance from a frightful death. In telling of it he says: "I was taken with Typhoid fever, that ran into pneumonia. My lungs became hardened. I was so weak I could not even sit up in bed. Nothing helped me. I expected to soon die of consumption, when I heard of Dr. King's New Discovery. One bottle gave great relief. I continued to use it, and now am well and strong. I can say too much in its praise." This marvelous medicine is the surest and quickest cure in the world for all throat and lung trouble. Regular sizes 50 cents and \$1.00. Trial bottles free at Blakeley & Houghton's drugstore; every bottle guaranteed.

Wall-Paper Trust.

NEW YORK, April 16.—The World to-morrow will say: "At the annual meeting of the National Wall Paper Company, it is said a strong effort will be made to dissolve the com-

pany, better known as the Wall Paper Trust. The party of directors working to this end is headed by Colonel Jacob J. Janeway, of New Brunswick, whose factory is now controlled by the trust. These directors assert that the organization has never been a success, owing to the fact that it raised the price of wall paper to a figure where competition was made very profitable, and independent factories were started faster than the trust could absorb them. They say it has been able to control only a small percentage of the output, as it embraces but seventeen factories, while there are more than eighty anti-trust factories in the United States."

No Right to Ugliness.

The woman who is lovely in face, form and temper will always have friends, but one who would be attractive must keep her health. If she is weak, sickly and all run down, she will be nervous and irritable. If she has constipation or kidney trouble, her impure blood will cause pimples, blotches, skin eruptions and a wretched complexion. Electric Bitters is the best medicine in the world to regulate stomach, liver and kidneys and to purify the blood. It gives strong nerves, bright eyes, smooth, velvety skin, rich complexion. It will make a good-looking, charming woman of a run-down invalid. Only 50 cents at Blakeley & Houghton's drugstore.

Talk For the Canal.

WASHINGTON, April 16.—Representative Tongue called on the President today and made an appointment for Wednesday afternoon, when the entire Pacific Coast delegations will call and urge the President to support the Nicaragua canal project. The President would not discuss the subject with Mr. Tongue today.

Representative Lacy today introduced a bill authorizing the secretary of the interior to make a charge of grazing within the forest reservations. This is the bill submitted by the secretary himself, and will be opposed in committee.

Mrs. Calvin Zimmerman, Milesburg, Pa., says: "As a speedy cure for coughs, colds, croup and sore throat One Minute Cough Cure is unequalled. It is pleasant for children to take. I heartily recommend it to mothers." It is the only harmless remedy that produces immediate results. It cures bronchitis, pneumonia, grippe and throat and lung diseases. It will prevent consumption.

Boers Looking Toward America.

LONDON, April 17.—The Lourenco Marques correspondent of the Daily Mail, telegraphing Sunday, says: "The tone of the Standard and Diggers' News shows that the Transvaal Government is relying strongly upon American intervention. Great results are expected from the campaign of Webster-Davis and from the Presidential contest."

An Honest Medicine for La Grippe.

George W. Wait, of Gardner, Me., says: "I have had the worst cough, cold, chills and grip and have taken lots of trash of no account but profit to the vendor. Chamberlain's Cough Remedy is the only thing that has done any good whatever. I have used one bottle of it and the chills, cold and grip have all left me. I congratulate the manufacturer of an honest medicine." For sale by Blakeley & Houghton.
