

## For Nearly Two Years Unable to Lay in Bed

"In my capacity as druggist, in Buffalo, N. Y., I have the best opportunity to judge of the merits of many different remedies. I am in close touch with the sick, who come into my store for medicines, and most of them tell me how they are getting along. Of all the hundreds of preparations which I sell, not a single one begins to give as much satisfaction as Acker's English Remedy for Coughs, Colds, Bronchitis, Asthma, Pleurisy and Consumption. I sell it on a distinct guarantee that it will cure, or the purchaser's money will be returned. This is a perfectly safe guarantee, because the remedy does cure. Nobody wants his money returned. Its cures are nothing short of marvelous. Take the case of Mr. A. H. Gilbert, for instance. He lives at No. 5 Carey street, Buffalo, N. Y. For more than three years he had a bad case of asthma, and had been unable to lie down in bed for nearly two years. He came to my store and asked me what to do. I said: 'Take Acker's English Remedy.' He said he had tried other remedies and didn't think this would help him. But he thinks differently now. Three bottles fixed his asthma all right. He could sleep and eat after taking them, as well as when a boy. He was cured several months ago, and is well yet, so I am certain his trouble is gone for good. You can write to Mr. Gilbert himself, if you doubt my word. He will go further than me in praising Acker's English Remedy." (Signed) S. B. THORNE, druggist, Buffalo, N. Y.

Sold at 25c, 50c, and \$1 a bottle, throughout the United States and Canada; and in England, at 1s, 2s, 3s, 4s, 6d. If you are not satisfied after buying, return the bottle to your druggist, and get your money back.

### NEW TRAIN SERVICE.

The double train service to be established between Portland and Chicago April 22, in which the O. R. & N., the Union Pacific and the Oregon Short Line are interested, will shorten the through time eleven hours. Train No. 2, leaving Portland at 9:15 a. m., beginning on the date named, will be known as the Chicago-Portland special. Its equipment will be new, making it fully the equal of any train now in service from the Pacific coast to the East. It will consist of a mail car, baggage car, two chair cars, and a tourist sleeper. There will be but one change of cars to all eastern points. The full time will be three days through to Chicago, or four days through to Chicago, or four days and two hours to New York.

The second train, known as No. 6, will leave Portland at 6:20 p. m., connecting at East Portland with the Southern Pacific's overland train from San Francisco, and will carry through equipment to Chicago via the Union Pacific and the Chicago and Northwestern, and also the equipment for the Washington division of the O. R. & N., in connection with the Great Northern for St. Paul. This train will reach Spokane at 10 a. m. A dining car will be furnished for breakfast into Spokane, and for dinner on corresponding train leaving Spokane at 3:45 p. m. The new schedule as arranged will supply the most complete service ever furnished on the O. R. & N., as it provides increased service in Eastern Oregon, where it is greatly needed, and gives immediate connection with the Washington division at Pendleton. At this point there is a large interchange of traffic, on account of the various mining districts of Baker county, the Coeur d'Alene, the Republic and Kootenai mining camps. Portland is greatly benefited by this change, in as much as increased service is given from Eastern Oregon and Idaho. No. 2 will arrive in Chicago at 9:30 a. m.; No. 6 at 7:45 a. m., as at present.

The Westbound train out of Chicago, corresponding with No. 2, is No. 1. This will arrive in Portland at 4:50 p. m. The train corresponding with the eastbound No. 6 is No. 3, out of Chicago. This will reach Portland at 7:30 a. m. Westbound train No. 1 will leave Chicago at 6:30 p. m., and Omaha at 8:20 a. m. the following day. The time will be reduced two hours and forty-five minutes. No. 3 westbound train will leave Chicago at 10:30 p. m., and Omaha at 4:25 p. m. the next day.

The service on the Union Pacific on all these trains include Buffet smoking-library cars, and dining cars. No. 6 will carry a daily ordinary sleeper to Kansas City, with change en route to ordinary cars to Chicago.

Consult the nearest ticket agent for detailed information.

W. H. HURLBERT, General Passenger Agent.

Drying preparations simply developed dry catarrh; they dry up the secretions, which adhere to the membrane and decompose, causing a far more serious trouble than the ordinary form of catarrh. Avoid all drying inhalants, fumes, smokes and snuffs and use that which cleanses, soothes and heals. Ely's Cream Balm is such a remedy and will cure catarrh or cold in the head easily and pleasantly. A trial size will be mailed for 10 cents. All druggists sell the 50c. size. Ely Brothers, 66 Warren St., N. Y.

The Balm cures without pain, does not irritate or cause sneezing. It spreads itself over an irritated and angry surface, relieving immediately the painful inflammation. With Ely's Cream Balm you are armed against Nasal Catarrh and Hay Fever.

### STRICTLY DEFINITIVE.

#### A Small Girl Gives Two Apt Illustrations of the Meanings of Words.

Mrs. May Wright Sewall, the new president of the International Council of Women, became generally known a few years ago through her participation in the general federation of women's clubs, which resulted in the international council, says the Philadelphia Post. She has frequently represented American women abroad and has long been a prominent figure in the important national conventions.

Mrs. Sewall, who is the head of a classical school for girls in Indianapolis, could contribute a readable sequel to English as she is taught, for the pupils in a girls' classical school are not above the amusing blunders which characterize the efforts of their young sisters in the public schools.

On one occasion Mrs. Sewall was instructing a class in physics. Force was the subject and she made plain to the girls the difference between the centrifugal and centripetal force.

"Centrifugal," said Mrs. Sewall, "is a force whose direction is from the center and centripetal is a force whose direction is toward the center. Do you all understand that?"

"The class chorused assent. 'Now, will some girl give me an illustration?' continued Mrs. Sewall.

"The domestic virtues are centripetal," replied a small girl, "because they keep a man in the center of his home and a centrifugal force is—well, a saloon is a centrifugal force."

#### Another French Train.

A trial has begun in France which may have important results, although it is somewhat overshadowed by the agitation over the Dreyfus case. Twenty-two royalists and other politicians, including the leaders of the League of Patriots, the Anti-Semitic league and similar organizations, have been indicted on a charge of conspiring to change the form of government. The trial is taking place before the senate, which sits as a high court of justice, and it will be several weeks before a decision is reached.

#### Elbow Grease Electricity.

If all the electricity made by cleaning windows in the country, by rubbing the glass with a cloth, could be collected and stored, it would at once solve the smoke difficulty of all the railways by allowing the trains to be run by electric motors.

## Nasal CATARRH

In all its stages there should be cleanliness. Ely's Cream Balm cleanses, soothes and heals the diseased membrane. It cures catarrh and drives away a cold in the head quickly.

Cream Balm is placed into the nostrils, spreads over the membrane and is absorbed. Relief is immediate and a cure follows. It is not drying—does not produce sneezing. Large Size, 50 cents at Druggists or by mail; Trial Size, 10 cents by mail. ELY BROTHERS, 66 Warren Street, New York.
