

For Nearly Two Years Unable to Lay in Bed

"In my capacity as druggist, in Buffalo, N. Y., I have the best opportunity to judge of the merits of many different remedies. I am in close touch with the sick, who come into my store for medicines, and most of them tell me how they are getting along. Of all the hundreds of preparations which I sell, not a single one begins to give as much satisfaction as Acker's English Remedy for Coughs, Colds, Bronchitis, Asthma, Pleurisy and Consumption. I sell it on a distinct guarantee that it will cure, or the purchaser's money will be returned. This is a perfectly safe guarantee, because the remedy does cure. Nobody wants his money returned. Its cures are nothing short of marvelous. Take the case of Mr. A. H. Gilbert, for instance. He lives at No. 3 Carey street, Buffalo, N. Y. For more than three years he had a bad case of asthma, and had been unable to lie down in bed for nearly two years. He came to my store and asked me what to do. I said: 'Take Acker's English Remedy.' He said he had tried other remedies and didn't think this would help him. But he thinks differently now. Three bottles fixed his asthma all right. He could sleep and eat after taking them, as well as when a boy. He was cured several months ago, and is well yet, so I am certain his trouble is gone for good. You can write to Mr. Gilbert himself, if you doubt my word. He will go further than me in praising Acker's English Remedy." (Signed) S. B. THORNE, druggist, Buffalo, N. Y.

Sold at 25c., 50c. and \$1 a bottle, throughout the United States and Canada; and in England, at 1s. 2d., 2s. 6d., 4s. 6d. If you are not satisfied after buying, return the bottle to your druggist, and get your money back.

NEW TRAIN SERVICE.

The double train service to be established between Portland and Chicago April 22, in which the O. R. & N., the Union Pacific and the Oregon Short Line are interested, will shorten the through time eleven hours. Train No. 2, leaving Portland at 9:15 a. m., beginning on the date named, will be known as the Chicago-Portland special. Its equipment will be new, making it fully the equal of any train now in service from the Pacific coast to the East. It will consist of a mail car, baggage car, two chair cars, and a tourist sleeper. There will be but one change of cars to all eastern points. The full time will be three days through to Chicago, or four days through to Chicago, or four days and two hours to New York.

The second train, known as No. 6, will leave Portland at 6:30 p. m., connecting at East Portland with the Southern Pacific's overland train from San Francisco, and will carry through equipment to Chicago via the Union Pacific and the Chicago and Northwestern, and also the equipment for the Washington division of the O. R. & N., in connection with the Great Northern for St. Paul. This train will reach Spokane at 10 a. m. A dining car will be furnished for breakfast into Spokane, and for dinner on corresponding train leaving Spokane at 3:45 p. m. The new schedule as arranged will supply the most complete service ever furnished on the O. R. & N., as it provides increased service in Eastern Oregon, where it is greatly needed, and gives immediate connection with the Washington division at Pendleton. At this point there is a large interchange of traffic, on account of the various mining districts of Baker county, the Coeur d'Alene, the Republic and Kootenai mining camps. Portland is greatly benefited by this change, in as much as increased service is given from Eastern Oregon and Idaho. No. 2 will arrive in Chicago at 9:30 a. m.; No. 6 at 7:45 a. m., as at present.

The Westbound train out of Chicago, corresponding with No. 2, is No. 1. This will arrive in Portland at 4:00 p. m. The train corresponding with the eastbound No. 6 is No. 3, out of Chicago. This will reach Portland at 7:30 a. m. Westbound train No. 1 will leave Chicago at 6:30 p. m., and Omaha at 8:20 a. m. the following day. The time will be reduced two hours and forty-five minutes. No. 3 westbound train will leave Chicago at 10:30 p. m., and Omaha at 4:25 p. m. the next day.

The service on the Union Pacific on all these trains include Buffet smoking-library cars, and dining cars. No. 6 will carry a daily ordinary sleeper to Kansas City, with change en route to ordinary cars to Chicago.

Consult the nearest ticket agent for detailed information.

THE LOVING CUP.

A Popular Custom of the Present Day That Dates from Anglo-Saxon Times.

Naturally some of the ancient city customs are connected with the art of dining, says Good Words. Gastronomy and the Guildhall are inseparably associated. One of the most curious of these is the passing of the loving cup, which takes place at all the guild dinners as well as at the banquets of the corporation.

The cup is a two-handled one with a lid. While one guest is holding the lid, the next sips the spiced wine; a third, on the other side of the drinker, stands up. Then, the brim, having been wiped by a clean napkin, the cup is passed to the guest holding the lid. He drinks in his turn, while his next neighbor takes charge of the lid. In this way the cup makes the round of the table.

This custom dates from Anglo-Saxon times. The holding of the lid was not then an act merely of courtesy, for the guest who held it was thus prevented from drawing his dagger and stabbing the drinker—a playful after-dinner practice not uncommon in those times. Meanwhile the guest who was standing guarded the drinker from an assault from behind.

She Guessed Wrong.
Mr. Slowgrit (about to propose, time 11 p. m.)—I am about to say something, Miss Chillington, that I should have said some time ago. Look into my eyes and tell me if you cannot guess what it is.

Miss Chillington (suppressing a yawn)—You look as sleepy as I feel, so I suppose you must be going to say good night.—Stray Stories.

English Earn Little.

Statistics just completed by the income tax commission of Great Britain show that out of a total adult population of 12,500,000 more than 10,000,000 earn less than \$860 a year. The income tax is collected at the rate of 16 cents on each \$5 above \$860, and the total tax, which last year amounted to more than \$100,000,000, was contributed by not more than 2,000,000 people.
