The Arlington Advocate, an independent paper, pays the following handsome compliment to one of our Republican candidates for joint representative: "Geo. Miller, the nominee for representative for this district, is a well known Gilliam county man. At the present he is engaged in the mercantile business in this city, whose house is the oldest established in Arlington. Mr. Miller is an Oregon native son, born in Benton county in 1863. Since attaining his majority he has made his home in Morrow and Gilliam counties. As a man of honesty of purpose and uprightness of heart he has never been doubted. With all fairness to other candidates we feel obliged to say that a better man for the position could not be found in the entire district."

The history of the forest reserves may eventually come out. Congressman Wilson, of Idaho, has introduced a resolution in congress asking whether the request for the creation of the forest reserves came from the people residing within the states where the reserves are created, or from the land grant railroad companies, who have thus been enabled to exchange lands of little value for forest reserve scrip worth many times the value of the lands in lieu of which it is issued.

It was only a little bit of a bouquet that had been worn for a few minutes in the button hole of Wandering Willie of Nebraska, when he last vexed the air of the Webfoot metropolis, but when once presented to the fat editor of the Prineville Review it had the magical effect of transforming him from a mild-voiced, gold standard, Palmer and Buckner Democrat, into a wild-eyed, rip-snorting, octopus-pulverizing Bryanite.

The man in these days who says "I am a Democrat," is not in it unless he adds: "I am also a Pop, a fusionist or any old thing for the sake of the offices, says the Albany Herald.

Nebraska's bank deposits have increased \$3,000,000 within a year. That state may run after demagogues

but it can not deny that its prosperity dates from Republican success.
Wool and sheep are worth twice as much as they were in 1896. The gold standard and reasonable protection restored a living profit to American owners of sheep.

Throat Troubles

"Hardwell, Ky., where I live, is in the extreme western part of the State and only a few miles from Cairo, Ill., where the Ohio empties into the Mississippi River. It may be that throat troubles are common here because of location, but whatever the reason, I find it wise to constantly keep a supply of Acker's English Remedy for Consumption on hand. It is the best thing I ever came across for coughs, colds and throat troubles, and I have used it in my family for years. No druggist here can be depended upon to have it always, so I am writing this letter to W. H. Hooker & Co., 220 Broadway, N. Y., to order a dozen bottles at a time. My wife is bothered lately with sore throat and difficult breathing, but just as soon as the dozen bottles get here, I will give her a few doses, and she will certainly be well again. I expect to write another letter in a short time saying my wife is cured, for I feel absolutely sure it is what she needs." (Signed) T. A. Warr.

Dull Headache. Pains in various parts of the body, loss of appetite, Feverishness, Pimples or Sores all positive evidences of impure blood. No matter how it became so it must be purified in order to obtain good health. Acker's Blood Elixir has never failed to cure Scrofulous or Syphilitic poisons or any other blood diseases. It is certainly a wonderful remedy and we sell every bottle on a positive guarantee. Blakeley & Houghton's drug store.

Mrs. Calvin Zimmerman, Milesburg, Pa., says: "As a speedy cure for coughs, colds, croup and sore throat One Minute Cough Cure is unequalled. It is pleasant for children to take. I heartily recommend it to mothers." It is the only harmless remedy that produces immediate results. It cures bronchitis, pneumonia, grippe and throat and lung diseases. It will prevent consumption.

Wm. Orr, Newark, O., says: "We never feel safe without One Minute Cough Cure in the house. It saved my little boy's life when he had the pneumonia. We think it is the best medicine made." It cures coughs and all lung diseases. Pleasant to take harmless and gives immediate results.

The Dalles Commission House will keep fresh milk at all times on hand and deliver it anywhere in the city at the following prices: One quart, \$2 per month; three pints, \$3; two quarts, \$4; three quarts \$5.50; cream 20 cents per pint. Fresh butter every day. 18a-1m

Mrs. Harriet Evans, Hinesdale, Ill., writes: "I never fail to relieve my children from croup at once by using One Minute Cough Cure. I would not feel safe without it." Quickly cures coughs, colds, grippe and all throat and lung diseases.

Experience is the best Teacher. Use Acker's English Remedy in any case of coughs, cold or croup. Should it fail to give immediate relief money refunded, 25 cts. and 50 cts. Blakeley & Houghton Druggists.
