TRYING TO CORRAL THE BOERS.

French and His Forty Thousand Men Endeavoring to Capture Twenty-Five Thousand Boers.

LONDON, April 24.—The indecisive action and slow progress of Generals Hart and Brabant are relatively unimportant when compared with the progress of General French. It is now evident that Lord Roberts' wishes are not only to defeat the Boers, but to pen them in at Paardeburg. To this end, 40,000 British troops are concentrating in the southeastern portion of the Orange Free State and are operating according to carefully devised plans, and the delay may be due as much to strategy as to necessity.

The success of this important movement almost entirely depends upon General French. If he can swoop down from the North with the rapidity of execution which he displayed at Kimberley and Paardeburg, he will effect the same swift, sudden transformation which followed the cavalry evolution two months ago. According to last accounts, he was pushing on successfully.

Every day the Boers remain at Wepener improves General French's chances of success. To put a girdle around the 25,000 Boers estimated to be in the southeastern part of the Orange Free State, Lord Roberts has evidently taken large chances. The British critics differ regarding the result, some declaring it is impossible for the Boers to escape, while others reserve their opinion until more definite news of General French's progress is received.

There is a general impression that the main advance upon Pretoria will be taken up without any reconcentration at Blomfontein, as with more than half the British army stretched in echelon across the Orange Free State, such a change in directions would indefinitely delay the accomplishment of Lord Roberts' main objective.

Mr. Myers Has a Nightmare.

WICHITA, Kan., April 25.—Allan O. Myers, of Ohio, responding to a toast at the banquet of the Sunflower League of Kansas, following W. J. Bryan, created a sensation by his utterances. Mr. Bryan did not finish his speech until 1 o'clock this morning. Mr. Myers drew a dark picture. The country was fast racing to destruction, he said, and Mark Hanna, William McKinley and Great Britain were driving it. Then, suddenly turning toward Mr. Bryan, the speaker exclaimed:

"You may be elected, sir, by a million majority, but they will not permit you to take the presidential chair. Look at the fate of William Goebel in Kentucky! Men whose pastime is bribery find in murder an amusement. Ohio was bought in 1896; the country was bought; it will be bought again in 1900, and Mark Hanna's reward for it is a seat in the United States senate."

The masses of the country would continue to permit the encroachments on the classes, concluded Mr. Myers, until finally too late for a restoration of rights by the ballot. Then the sword and gun, violence, revolution—a new order of things.

Will Not Consult Schley.

WASHINGTON, April 25.—The friends of Rear-Admiral Schley in Washington say that he has no desire whatever to enter politics, and that all the talk about the Democratic leaders attempting to secure his consent to accept the vice-presidential nomination at Kansas City will fail. It is doubtful if the effort will be made. It is not at all likely that a messenger will be sent to the admiral to ask him whether or not he would accept the nomination. This has been discussed before by the Democratic leaders. In the event that they desired to make their ticket Bryan and Schley this year, they would do so at Kansas City without any consultation whatever with Admiral Schley.

Ruiz' Last Message.

New York, April 25.—The state department at Washington has notified Mrs. Rita L. Ruiz, widow of Dr. Ricardo Ruiz, who was murdered in prison at

Guanabaco, Cuba, while a captive of the Spaniards, that the chair on which he wrote his last message would be forwarded to her.

The chair came into the possession of General Fitzhugh Lee soon after the murder of Dr. Ruiz, which occurred February 4, 1896. General Lee kept it till he left Havana two years ago, when he gave it to the British vice-consul, Mr. Jerome, who kept it until General Lee's return to Havana after the war. At the request of Mrs. Ruiz he has forwarded it to Washington.

The message, which was written on the back of this chair by Dr. Ruiz, who dipped his nails in his own blood, reads: "Mercedes, mine, Evangelina, Ricardo, good bye. My children of my life, I give you my blessing. Be obedient to your mother. Good-bye, Rita of my soul."

Christians Without a Christ.

New York, April 25.—Rev. Jacob Chamberlain, a missionary to Hindoostan, said in an address at the Carnegie Hall meeting of the Ecumenical conference last night:

"There is a trend in India today toward the acceptance of our Christianity, but without our Christ; that is, merely accepting the morality taught in the bible. This is accounted for by the fact that many today reject the incarnation of Brahma, and as a natural sequence it is difficult to get them to accept the reincarnation of Christ. A few years ago a prominent Hindoo said in my presence: 'I have read the Bible myself, have noted its system of morality, and I say unhesitatingly that I know of nothing at all comparable to it.'"

May Be Bray and Schley.

WASHINGTON, April 25.—The friends of Rear-Admiral Schley in Washington say that he has no desire whatever to enter politics, and that all the talk about the Democratic leaders attempting to secure his consent to accept the vice-presidential nomination at Kansas City will fail. It is doubtful if the effort will be made. It is not at all likely that a messenger will be sent to the admiral to ask him whether or not he would accept the nomination. This has been discussed before by the Democratic leaders. In the event that they desired to make their ticket Bryan and Schley this year, they would do so at Kansas City, without any consultation whatever with Admiral Schley.

Boers Withdrew Unpursued.

LONDON, April 26.—The Times has the following from a special correspondent, dated Mafeking, Basutoland, April 25:

"I rode from Jammersburg here, skirting Wepener, and I met General Brabant's advance guard four miles south of Wepener. They report three successful fights Saturday, Sunday and Tuesday, with twenty-two casualties. The siege was raised, and 5000 of the enemy retired along the Ladybrand road within our sight and unpursued. Colonel Daigely's casualties are 33 killed and 132 wounded."

Dewey and Bryan Will Not Sup Together.

CHICAGO, April 25.—Admiral Dewey will not break bread in Chicago with W. J. Bryan. The Seven O'clock Club, which had arranged for the pleasant ceremonial to take place next Thursday evening at the Lakeside Club, has changed the date of the dinner to May 5th. Admiral Dewey will leave town on the evening of the 4th and Colonel Bryan can reign supreme at the banquet. The officers of the Seven O'clock Club have little to say concerning the sudden change of plans except that Mr. Bryan, the guest of honor, could not arrange to be in town May 1st.

French Enters De Wet's Camp.

DE WET'S CAMP, April 25, Evening.—General French entered this town today with two cavalry brigades. He left camp at daylight, and found the Boers holding the hills. These were shelled, and the Boers retreated. The cavalry pushed around the position of the Boers above the town, where they were holding General Ruddle in check. It is reported that 6000 Boers passed through the town last night in order to avoid General French's attack in the rear.

A Fatal Labor Riot.

CHICAGO, April 25.—In a labor riot tonight at Racine and Wellington avenues Peter Miller was shot through the head and killed and six other men were more or less injured. Miller, together with John McGuire, William Pottinger, Louis Jackiske and James Gibbons, union printers, waylaid three non-union men who had taken their places in the Baker-Sawter Printing Company's office, and attacked them. H. C. Baster, the company's superintendent, who was one of the men attacked, opened fire on the assailants with a revolver. Miller was instantly killed, and McGuire was shot twice and badly hurt. Policemen quickly surrounded them, and arrested all except Gibbons, who escaped.

QUICK RELIEF FROM PAIN. All who use Chamberlain's Pain Balm for rheumatism are delighted with the quick relief from pain which it affords. When speaking of this Mr. D. N. Parsons & Co., druggists of this place, to try Chamberlain's Pain Balm. They recommended it so highly that I bought

a bottle. I was soon relieved of all pain. I have since recommended this liniment to many of my friends, who agree with me that it is the best remedy for muscular rheumatism in the market." For sale by Blakeley & Houghton.
