**PEANUT POLITICS.**

The Democrats ought to get together again and decide just what it was they agreed upon for a platform at their state convention. We called attention the other day to a card that is being distributed among railroad men in these parts on which is printed what is claimed to be a plank adopted by the Democratic convention at the request of certain railroad men from Albina, as a substitute for a plank drafted by the platform committee. Now the singular thing about this pretended plank is that it did not appear in the Oregonian's report nor in the platform as published by any paper that has come under our observation, with the single exception of the Times-Mountaineer. A Pendleton semi-socialist sheet printed it in separate form and claimed the genuine plank had been published previously by mistake; and doubtless the bogus plank is being used at Pendleton for the same purpose it is being used here, namely, to boost a Democrat into the legislature. It is explained that this alleged railroad plank and the plank which appeared in the platform, as reported by the Oregonian, got mixed up somehow by the Oregonian reporter and the mistake was not discovered till it was too late. Why, in that case, did not somebody demand a public correction? And why is it that the platform, as it appeared in the Oregonian, is published in the Populist Salem Journal under the heading: "Union Platform Adopted by the Democrats and Populists of Oregon." Is it because the Fusionists have no railroad men down that way that they hope to deceive by pretending an interest in their affairs that they were too cowardly to own in public convention? For that is just what the whole affair comes to. For when this bogus plank was before the convention on the evening of the first day of the convention "it was opposed by Chairman Crawford, Bennett of Wasco, O'Day of Multnomah and other members of the platform committee. They said it was altogether too radical and would invoke

the wrath of the corporations upon the Democratic ticket." So reported the Oregonian the following morning. And to make the matter still more explicit it is on record that the morning the platform came before the convention for ratification Holman, of Multnomah, opposed this "bogus" plank with all his might in these words: "I do not believe in a polyglot platform. The principle of putting things in the platform that the convention does not believe is political dishonesty and will not get votes. I will not undertake to say that the substitute (meaning this bogus plank) is not wanted by the convention, but I do not believe in adopting it because some one else wants it." The convention then sat down on this alleged "Railroad Plank," and the plank drafted by the platform committee and published in the Oregonian and other papers was adopted without objection. The next thing we hear of this discarded plank it is used to elect to the legislature a member of the platform committee who assisted in drafting the real plank and who joined publicly with others in condemning this bogus thing as altogether too radical and impolitic for a Democratic platform. THE CHRONICLE would not willingly write a line that would wrong the meaneast thing that ever trod the earth, but the evidence before it compels the belief that there are some very small peanut politicians among Oregon Democrats.

**NEW TRAIN SERVICE.**

The double train service to be established between Portland and Chicago April 22, in which the O. R. & N., the Union Pacific and the Oregon Short Line are interested, will shorten the through time eleven hours. Train No. 2, leaving Portland at 9:15 a. m., beginning on the date named, will be known as the Chicago-Portland special. Its equipment will be new, making it fully the equal of any train now in service from the Pacific coast to the East. It will consist of a mail car, baggage car, two chair cars, and a tourist sleeper. There will be but one change of cars to all eastern points. The full time will be three days through to Chicago, or four days through to Chicago, or four days and two hours to New York.

The second train, known as No. 6, will leave Portland at 6:20 p. m., connecting at East Portland with the Southern Pacific's overland train from San Francisco, and will carry through equipment to Chicago via the Union Pacific and the Chicago and Northwestern, and also the equipment for the Washington division of the O. R. & N., in connection with the Great Northern for St. Paul. This train will reach Spokane at 10 a. m. A dining car will be furnished for breakfast into Spokane, and for dinner on corresponding train leaving Spokane at 3:45 p. m. The new schedule as arranged will supply the most complete service ever furnished on the O. R. & N., as it provides increased service in Eastern Oregon, where it is greatly needed, and gives immediate connection with the Washington division at Pendleton. At this point there is a large interchange of traffic, on account of the various mining districts of Baker county, the Coeur d'Alene, the Republic and Kootenai mining camps. Portland is greatly benefited by this change, in as much as increased service is given from Eastern Oregon and Idaho.

No. 2 will arrive in Chicago at 9:30 a. m.; No. 6 at 7:45 a. m., as at present. The westbound train out of Chicago, corresponding with No. 2, is No. 1. This will arrive in Portland at 4:00 p. m. The train corresponding with the eastbound No. 6 is No. 3, out of Chicago. This will reach Portland at 7:30 a. m. Westbound train No. 1 will leave Chicago at 6:30 p. m., and Omaha at 8:20 a. m. the following day. The time will be reduced two hours and forty-five minutes. No. 3 westbound train will leave Chicago at 10:30 p. m., and Omaha at 4:25 p. m. the next day.

The service on the Union Pacific on all these trains include Buffet smoking-library cars, and dining cars. No. 6 will carry a daily ordinary sleeper to Kansas City, with change en route to ordinary cars to Chicago.

Consult the nearest ticket agent for detailed information.
