# Republican Ticket.

STATE OFFICERS.

Justice of the Supreme Court—C. E. Wolverton.

Food and Dairy Commissioner—J. W. Bailey.

Presidential Electors—O. F. Paxton, of Multnomah; Tillman Ford, of Marion; J. C. Fullerton, of Douglas; W. J. Furnish, of Umatilla.

DISTRICT OFFICERS.

Congressman—Malcolm A. Moody, of The Dalles.

Joint Senators—J. N. Williamson, of Crook; T. H. Johnston, of Wasco; W. W. Steiwer, of Wheeler.

Joint Representatives—A. S. Roberts, of Wasco; R. A. Emmett, of Klamath; George Miller, of Gilliam; George Cattanach, of Grant; George A. Barrett, of Grant; T. H. McGreer, of Wasco.

District Attorney—Frank Menefee, of The Dalles.

COUNTY TICKET.

County Judge—A. S. Blowers, of Hood River.

Commissioner—P. A. Kirchheimer, of Antelope.

Sheriff—Robert Kelly, of The Dalles.

Clerk—A. L. Lake, of Wamic.

Treasurer—C. L. Phillips, of The Dalles.

Assessor—C. L. Schmidt, of The Dalles.

Superintendent of Schools—C. L. Gilbert, of The Dalles.

Surveyor—J. B. Goit, of The Dalles.

Coroner—W. H. Butts, of The Dalles.

For Justice of the Peace of The Dalles—Timothy Brownhill.

Referring to the Republican candidate for joint senator of the 21st district, the Arlington Independent says: "Mr. Steiwer's home is in Fossil. When he located there what now constitutes the five counties was all Wasco and Grant, which fact makes him peculiarly fitted to represent this senatorial district. He is a man of ability, integrity and large experience, and is so well known in this district that it seems useless for us to say anything regarding him. He has had experience as a legislator and has acquitted himself to the satisfaction of his constituents and credit to himself. He has always been a sound, consistent Republican, and can be depended upon to further the best interests of the Republican party, as well as the country at large. All who are in sympathy with the principles of the Republican party can and will heartily support Mr. Steiwer and many who would not vote for him if he were a stranger will cast their ballots for him on account of his sterling integrity, known ability and all-around good qualities."

The editor of a Democratic sheet published in Baker City has made the astounding discovery that with a cash capital of $6000 a man can buy $100,000 worth of U. S. two per cent bonds at the market price of $106,000, start a National bank and reap a profit on his investment of 21.55 per cent per annum. These Popocratic editors are getting so blamed smart that we Republicans cannot get up the most insignificant little scheme for robbing the dear people that they don't drop onto our game. That fellow up at Baker City ought to get a chromo and be put under the care of J. D. Lee till his brain cools off.

In 1892 the people voted for a change. In the four subsequent years they found themselves without a cent of change. This year they are content with the change they have in their pockets and won't throw away the substance for the shadow again, even to please the Democratic party of pessimism.

It is with a good deal of reluctance that THE CHRONICLE gives place to the letter of D. S. Dufur in this issue. The rumor Mr. Dufur seeks to contradict is so utterly absurd that it is unworthy of a moment's notice. It is simply and laughably ridiculous and could not have been invented by anybody except as a joke. To notice it in any way is to give it an importance it does not deserve. THE CHRONICLE only admits the letter out of personal friendship for the parties concerned, but it draws the line here and now against a repetition of a like infliction upon its readers.

Divested of all "glittering generalities," says an exchange, the questions between the parties resolve themselves into calamity or prosperity. Bryanism, under whatever name, means calamity, while the success of Republicanism stands for a continuation of the McKinley prosperity that now stalks abroad in the land. It's either the embalming fluid of Bryanism or the rich red blood of McKinley prosperity that the people have for their choice.

**A Testimonial from Old England.**

"I consider Chamberlain's Cough Remedy the best in the world for bronchitis," says Mr. William Savory, of Warrington, England. "It has saved my wife's life, she having been a martyr to bronchitis for over six years, being most of the time confined to her bed. She is now quite well." Sold by Blakeley & Houghton.

Mrs. Calvin Zimmerman, Milesburg, Pa., says, "As a speedy cure for coughs, colds, croup and sore throat One Minute Cough Cure is unequaled. It is pleasant for children to take. I heartily recommend it to mothers." It is the only harmless remedy that produces immediate results. It cures bronchitis, pneumonia, grippe and throat and lung diseases. It will prevent consumption

**Red Hot From the Gun**

Was the ball that hit G. B. Steadman of Newark, Mich., in the Civil War. It caused horrible ulcers that no treatment helped for twenty years. Then Bucklen's Arnica Salve cured him. It cures cuts, bruises, burns boils, felons, corns, skin eruptions. Best pile cure on earth. Twenty-five cents a box. Cure guaranteed. Sold by Blakeley & Houghton, druggists. 3

Rev. W. E. Sitzer, W. Canton, N. Y., writes, "I had dyspepsia over twenty years, and tried doctors and medicines without benefit. I was persuaded to use Kodol Dyspepsia Cure and it helped me from the start. I believe it to be a panacea for all forms of indigestion." It digests what you eat.

**Progressive Japan.**

Japan, not to be behind European states in civilization, is going to send out an arctic expedition. The reason given is that, if Japan is ever to compete with England on the seas, it must develop in the Japanese the spirit of adventure and discovery which has made the English powerful. The only places left to be discovered are the north and south poles.

**Paper Tiles.**

An eastern firm is turning out large quantities of paper tiles which are used for roofing. They are reported to be hard and tough, and the glazing appears to be of the nature of Japanese ine. They are said to be exceedingly cheap, and can be fashioned in any color or shape to suit the purchaser.
