AN HONORABLE RECORD.

Captain A. S. Blowers, the Republican nominee for county judge, is a native of the Empire state where he was born in 1845. In the latter fifties he removed to Minnesota, and when the civil war broke out and he was scarce past the age of fifteen he enlisted in the 16th U. S. Regulars Dec. 1, 1861, and served till the following year when he was discharged because of his youth. In the October of 1862 he enlisted again in the Second Minnesota Cavalry and served till April 3, 1866, when he was mustered out with his regiment. He participated in every engagement and movement of his regiment during the war and was several times commended by his superior officers for coolness and bravery in time of danger. He is an honored member of the G. A. R. and was for a time captain of a company of a militia at Hood River. This is a record of devotion to the Union and its flag that any man may be proud of, and when such a man comes before the people for their suffrages in the full vigor of matured mental manhood and ripe and varied experience, it ought to receive due consideration from every patriotic citizen without respect to his political affiliation. Whatever Captain Blowers has or is he owes to his own energy and to no one else. Left alone at the age of eleven years he has since carved out his own fortune. In the civil walks of life his experience has been as varied as it is honorable. After the war he settled on a homestead and for a number of years followed the plow. Subsequently he engaged in the lumber and sawmill business, to which was added a general merchandise store. For twelve years he served as commissioner for Beecher and Otter Tail counties, Minn., during which time he built and superintended the building of nearly all the roads and bridges in his district, which comprised seventeen townships. When he was first elected the county was new and without roads, but under his management some of the best roads in the state were built. Good roads were and still are almost a hobby of Captain Blowers, and for this reason he was kept in office from year to year till he left Minnesota and came to Oregon. Six years ago the Republicans

of Hood River asked his nomination as commissioner at the hands of the county convention. His election followed in due course and his service in this capacity is a matter of public record. It is a matter of simple justice to say that he brought into his commissionership the ripe business experience of long years of service in the same capacity elsewhere; that no meritorious improvement was ever discriminated against because of locality, and that every proposition for the improvement of the roads leading to the county seat received his special and cordial support. Captain Blowers will bring to the county judgeship the varied experience of long years of service as commissioner in two states, added to that of a long and successful business career. Should he be elected he will move his family to The Dalles and devote his entire time to the business of the county. Captain Blowers is entitled to and ought to receive every Republican vote in the county.

There was a lull in the octopus-pulverizing business of Crook county last week. The editor of the Review suspended operations long enough to tell THE CHRONICLE we're "another" because we intimated that he had sense enough to know the difference between forty-five cents and a dollar till he was metamorphosed by a little sprig of a flower that Wandering Willie wore in his button hole when he last vexed the air of the Woodfoot metropolis. THE CHRONICLE takes it all back and craves pardon on its knees. The Review man is the same affrid, free-silver lunatic he always was. There now. What more do you want?

The Sumpter American has "Myrum" Moody on its ticket for congressman for this district, but the American will vote for our Malcolm A. just the same.

A Testimonial from Old England.
"I consider Chamberlain's Cough Remedy the best in the world for bronchitis," says Mr. William Savory, of Warrington, England. "It has saved my wife's life, she having been a martyr to bronchitis for over six years, being most of the time confined to her bed. She is now quite well." Sold by Blakeley & Houghton.

Mrs. Calvin Zimmerman, Milesburg, Pa., says, "As a speedy cure for coughs, colds, croup and sore throat One Minute Cough Cure is unequalled. It is pleasant for children to take. I heartily recommend it to mothers." It is the only harmless remedy that produces immediate results. It cures bronchitis, pneumonia, grippe and throat and lung diseases. It will prevent consumption

Red Hot From the Gun
Was the ball that hit G. B. Steadman of Newark, Mich., in the Civil War. It caused horrible ulcers that no treatment helped for twenty years. Then Bucklen's Arnica Salve cured him. It cures cuts, bruises, burns, boils, felons, corns, skin eruptions. Best pile cure on earth. Twenty-five cents a box. Cure guaranteed. Sold by Blakeley & Houghton, druggists.

Rev. W. E. Stitzer, W. Canton, N. Y., writes, "I had dyspepsia over twenty years, and tried doctors and medicines without benefit. I was persuaded to use Kodol Dyspepsia Cure and it helped me from the start. I believe it to be a panacea for all forms of indigestion." It digests what you eat.
