

# It Has Never Failed

Mr. C. S. Peaslee, the well-known druggist of Morgan City, La., is a bright thought in his neighborhood because of his skill and care in filling prescriptions. The best physicians in the place send their patients to his store whenever they can. Anytime, he says, Mr. Peaslee may say can be depended upon absolutely. In a letter to W. H. Hooker & Co., New York City, proprietors of Acker's English Remedy, he says: "In all my many years' experience as a druggist, I have never handled a medicine of any nature that gave such complete satisfaction as Acker's English Remedy for Throat and Lung Trouble. I have sold hundreds of bottles, and have got to learn of a single case where it failed to cure. In every case with a certainty that is really marvelous. My wife does not take much stock in medicine, but she has absolute faith in Acker's English Remedy, always having it at her elbow in case the children are attacked by croup at night. It is a positively harmless remedy, as I can personally testify. I know of a little girl who accidentally drank a whole bottle. She was, of course, sick at her stomach for a short time, but the sickness passed away, and then the child was in better health than ever before. I can understand why Acker's English Remedy is so efficacious, because I am a druggist. It is not a mere expectorant, but a strengthening, invigorating tonic as well. While it heals the irritations of the mucous membrane, it also builds up the constitution and purifies the blood. I endorse it absolutely."

Sold at 25c., 50c. and \$1 a bottle, throughout the United States and Canada; and in England, at 1s. 2d., 2s. 3d., 3s. 6d. If you are not satisfied after buying, return the bottle to your druggist, and get your money back.

We authorize the above guarantee. W. H. HOOKER & CO., Proprietors, New York.
