BOERS SEEK ANNEXATION

Peace Commissioners Now Due in New York Are Empowered to Ask This Country to Raise the Stars and Stripes in South Africa.

New York, May 15.—According to the Pretoria correspondent of the Herald, the commission composed of Messrs. Fischer, Wessels and Wolmarino and representing the republics of the Transvaal and Orange Free State, which is expected to arrive here today, is empowered to take important action.

The correspondent says: "I have the highest authority for making the statement that rather than see this country conquered by England, the commissioners are empowered to ask the United States to assume a protectorate over the republics, this protectorate to extend, if desired, toward eventual annexation as territories or states."

"Secretary of state Reitz, who is rapidly breaking down under the strain he is undergoing, voiced this national hope in these words: "We will maintain our independence if we can. If we cannot, we appeal to the American people to take us under their wing. Surely the Declaration of Independence is broad enough to span the ocean. Our last hope is that having again and again carried our burden of persecution into the wilderness to escape from England, we may be permitted to deposit it at the foot of the statue of liberty, to find peace and contentment and protection under the Stars and Stripes."

Porto Rican and Hawaiian Democrats. Chicago, May 15.—The Record says: Hawaii and Porto Rico will send delegates to the Democratic National Convention. Each island will be accorded six delegates if the wishes of the democratic leaders are carried out. Senator Jones, chairman of the democratic national committee, recently received a

letter from some Sandwich islanders who said they were anxious to know if the convention would seat a Hawaiian delegation should one come to Kansas City July 4. Senator Jones replied that the convention itself would have to pass on that question, but it is said he advised the Sandwich islanders to send along their delegation, and it might be seated.

Democratic managers say that there is some pretty politics in the idea of giving seats in the convention to a Porto Rican delegation. They believe it will be a good play, in view of the fact that the democratic platform will contain an anti-imperialistic plank. By seating a delegation from Porto Rico and giving it six votes, the democrats in convention would demonstrate in a practical their contention that Porto Rico is part of the United States and is a territory co-equal in all things political with the Indian Territory, Alaska or the District of Columbia, which are unorganized territories.

Catarrh Cannot be Cured with local applications, as they cannot reach the seat of the disease. Catarrh is a blood or constitutional disease, and in order to cure it you must take internal remedies. Hall's Catarrh Cure is taken internally, and acts directly on the blood and mucous surfaces. Hall's Catarrh Cure is not a quack medicine. It was prescribed by one of the best physicians in this country for years, and is a regular prescription. It is composed of the best tonics known, combined with the best blood purifiers, acting directly on the mucous surfaces. The perfect combination of the two ingredients is what produces such wonderful results in curing Catarrh. Send for testimonials, free.

Revenge on Tammany.

LONDON, May 15.—The Express of today advocates the ostracism of Richard Croker in England in revenge for Tammany's attitude on the Boer war. It says: "It has not escaped notice in this country that an American welcome to the Boer delegates has been inspired and encouraged by Tammany Hall, which is controlled by the notorious boss, Dick Croker. The records of Tammany are already black enough without the addition of this new infamy. But what makes the action of Tammany peculiarly infamous now is the fact that Croker claims the hospitality of an English domicile, poses as an English gentleman and runs race horses on the English turf, yet is aiding and encouraging the worst of England's enemies."

"Croker's position is practically on all fours with that of the Duke of Orleans. The Duke has already paid the penalty of having fallen under the ban of social ostracism. If Croker finds that the bracing air of the United States does not invariably suit his constitution, he should secure the calm seclusion of an Italian villa within reach of the Duke of Orleans, whose company he will probably find congenial."

A Life And Death Fight.

Mr. W. A. Hines of Manchester, Ia., writing of his almost miraculous escape from death, says: "Exposure after measles induced serious lung trouble, which ended in Consumption. I had frequent hemorrhages and coughed night and day. All my doctors said I must soon die. Then I began to use Dr. King's New Discovery for Consumption, which completely cured me. I would not be without it even if it cost \$5.00 a bottle. Hundreds have used it on my recommendation and all say it never fails to cure Throat, Chest and Lung troubles." Regular size 50c and \$1.00. Trial bottles free at Blakeley & Houghton's Drug Store.

BULLER NOW OCCUPIES DUNDEE

Burglers Looted the Town Before Leaving, Damaging the Houses and Destroying the Machinery in the Collieries.

LONDON, May 15, 1:56 p. m.—The war office has received the following dispatch from General Buller:

"Dundee, May 15.—We have occupied Dundee. About 2500 of the enemy left yesterday for Glencoe, where they are entrenched. Their wagons also left yesterday by Dejager's Drift and the Dannahauer road. Their Kafirs said they were going to Laing's Nek. Almost every house in Dundee is completely looted. The navigation colliery is all right. The machinery of the Dundee colliery is destroyed. The houses of the town are damaged, but are structurally intact."

BRAND'S DRIFT, May 13.—General Buller has completely checkmated the attempt of the Boers to come south again, and the enemy are retiring before the persistent advance of the British. Many have been captured, or are surrendering. There were 150 of these yesterday and today, among them President Steyn's brother. Ladybrand district is clear of Boers. They have evacuated Mequatling's Nek, and are now near Lindley.

LOURENCO MARQUES, May 15.—Boers Saturday occupied the Kaffir location at Mafeking; they were in turn attacked during the night of Saturday, and on Sunday found themselves surrounded. The Boers lost seven killed and seventeen wounded. The British loss is reported to have been heavy.

LISBON, May 15.—It is rumored here that President Kruger has ordered the Portuguese consul to leave the Transvaal Republic.

THE FATE OF MAFEKING

The Boers Declare the Town Has Fallen.

LONDON, May 16, 4:30 a. m.—"Food will last until about June 10," is the latest official word from Colonel Baden-Powell, the British commander at Mafeking, sent to Lord Roberts, under date of May 7. Five days later the Boers attempted to storm the town, and it is possible that they succeeded, although nothing is known of the attack or of its results, except through Pretoria sources, which have no countenance here. The British relief column is due there now. Ten days ago General Snyman was having difficulty in keeping the burghers together, owing to the approach of the British, and when the last Associated Press dispatch left Mafeking, May 7, the Boers had killed, the previous day, one of the horse guards and had captured several of Colonel Baden-Powell's few remaining horses.

Lord Roberts' dispatch to the war office follows:

"Baden-Powell reports under date of May 7, all going well. Fever is decreasing; the garrison is cheerful, and the food will last until June 10."

Concentrating on the Vaal.

KROONSTAD, Monday, May 14.—It is reported that the whole of the Boer forces are concentrating on the Vaal, withdrawing from Biggarsberg and the southwestern border.

It is computed that not more than 2000 Free Staters will fight on the Vaal. Railway communication with this place is expected to open on Thursday. The transport is working smoothly, the troops and horses are receiving full rations. Water is plentiful and the health of the troops is excellent.

Experience is the best Teacher. Use Acker's English Remedy in any case of coughs, cold or croup. Should it fail to give immediate relief money refunded, 25 cts. and 50 cts. Blakeley & Houghton Druggists.
