HEALTHY OLD AGE SSS

The majority of persons upon reaching middle age and past find their blood becomes weak and thin, and diseases that were easily controlled in earlier life begin to affect the constitution. Those predisposed to Scrofula, Cancer, Rheumatism, Gout and other hereditary troubles may escape till then, but as they age the blood, so long tainted and weakened by accumulated waste matters, is no longer able to properly nourish the body, and it becomes an easy mark for disease. At this critical period of life the blood must be re-enforced before it can perform its legitimate functions and rid the system of these poisons, and nothing so surely and effectually does this as S. S. S.

S. S. S. strengthens and enriches the blood, improves the appetite, and builds up the general constitution. It is not only the best blood purifier, but the best tonic for old people. It warms the blood, tones up the nerves, removes all taint from the blood, and prevents the development of disease.

S. S. S. is the only purely vegetable blood medicine known. Not one particle of mercury, potash or other mineral poison can be found in it, and it may be taken for any length of time without harm.

S. S. S. is the only remedy that reaches deep-seated blood troubles like Scrofula, Cancer, Rheumatism, Eczema, Tetters, etc. It purifies and restores the blood to a healthy, normal condition, and makes it impossible for any poisonous waste materials to accumulate.

If you have an old running sore or an obstinate ulcer that refuses to heal, or are troubled with boils and carbuncles, try S. S. S. It never fails to make a quick and permanent cure of these pests. If your system is run down and you feel the need of a tonic, S. S. S. will strengthen and help you as it has many others to a happy, healthy old age.

S. S. S. cured Mr. H. Borden of Staunville, Va., of a case of Eczema of thirty-five years' standing, after the best physicians in the surrounding country had failed. This was seven years ago, and there has been no return of the disease.

If you are in doubt about your disease, and will send us a statement of your case, our physician will give you any information or advice wanted, for which we make no charge.

GERMANY'S TRADE WITH UNCLE SAM

Thousands Would Be Without Bread If It Stopped.

WASHINGTON, May 23.—Vice Consul Murphy, at Magdeburg, has transmitted to the state department, an extract date, containing facts and figures which indicate strongly the prime importance of Germany's trade with the United States.

A statement of the exports to the United States from the consular districts in northern Germany alone, for the first quarter of 1900, is shown as amounting to \$18,106,000. The amount is nearly double the value of the exports during the first quarter of 1898. These figures are for northern Germany alone. When the amounts for the remainder of the empire are added, the total is estimated at about \$142,800,000.

"How many thousands of Germans who are now dependent upon this trade for support," says the article, "would be without bread if it were suddenly to stop. In the trade with the United States, Germany has won an important position, standing next to England in the matter of goods exported to the United States last year. In 1898, the United States imported \$10,700,000 worth of sugar from Germany. The amount of sugar in bygone years that had been sent from Germany to the United States has varied with the crops, in favorable years as much as \$23,800,000 worth being exported to that country. This immense trade in sugar," the article states, "will continue, provided peaceful and friendly relations are maintained in the United States. But if the Americans are forced into retaliation by the strict enforcement of the meat-inspection law and friendly trade relations are ruptured, the exportation of German sugar to the United States will come to a stop and Germany be left without a purchaser for the enormous mass of sugar produced."

Only Two Business Houses Left.

LAKEVIEW, Or., May 24.—The business portion of Lakeview lies a mass of smoldering debris today, as the result of Tuesday night's fire. The entire business portion of the town was destroyed, within less than two hours, including the three hotels, the bank, the government land office, the postoffice, the two newspaper buildings and every business house in town except two, the implement house of J. E. Bernard & Son and the drug store of Drs. Daly & Hall. The entire loss is estimated at \$350,000. No lives were lost, and the insurance is unknown as yet, but it is far below the actual loss. No actual suffering has been reported, as the people are being provided for.

They Did Him Great Honor.

NEW YORK, May 24.—The World, describing Ahmed Pasha's arrival in Washington, says that as he was driven up Pennsylvania Avenue, he exclaimed: "By Allah, these Christians do me great honor."

The envoy of the sultan saw in the windows, in the flash of electric lights, the crescent and sword insignia of his native land, and on the streets the parade of a multitude wearing the fezes of Turkey and its baggy trousers. It was like a street in Constantinople.

He rose in his carriage and bowed profoundly.

Down the Avenue came a band in the uniform of the Orient. It was playing the "Turkish Patrol." When it passed, the admiral clapped his hands with great enthusiasm and shouted joyfully to the musicians in his native tongue.

No one has had the barhood as yet to reveal to the Turkish envoy that the celebration was not arranged in his honor, but was the climax of the gay elites of the Mystic Shriners, who have been in very active session for several days.

A Life And Death Fight.

Mr. W. A. Hines of Manchester, Ia., writing of his almost miraculous escape from death, says: "Exposure after measles induced serious lung trouble, which ended in Consumption. I had frequent hemorrhages and coughed night and day. All my doctors said I must soon die. Then I began to use Dr. King's New Discovery for Consumption, which completely cured me. I would not be without it even if it cost \$5.00 a bottle. Hundreds have used it on my recommendation and all say it never fails to cure Throat, Chest and Lung troubles." Regular size 50c and \$1.00. Trial bottles free at Blakeley & Houghton's Drug Store.

Gold Democrats Confer.

INDIANAPOLIS, Ind., May 23.—The gold democrats of Indiana held an important conference this afternoon to determine their position in the coming national campaign. Leaders today say their purpose to nominate a national gold democratic ticket will be influenced by the course of the Kansas City convention.

While declaring abhorrence for McKinley, the resolutions adopted this afternoon declare that free silver is not a dead issue, and that it is the duty of democrats to fight Bryan.

Mrs. Calvin Zimmerman, Milesburg, Pa., says, "As a speedy cure for coughs, colds, croup and sore throat One Minute Cough Cure is unequalled. It is pleasant for children to take. I heartily recommend it to mothers." It is the only harmless remedy that produces immediate results. It cures bronchitis, pneumonia, grippe and throat and lung diseases. It will prevent consumption

Congressman For Alaska.

WASHINGTON, May 24.—Williams (Ill.) offered an amendment to the Alaskan bill to provide for a territorial delegate from Alaska. Both political parties, he said, were committed to the proposition that the territory should have a delegate in congress.

Warner, (Ill.) in charge of the bill, said the committee had deemed it unwise to provide for a delegate on account of the difficulty in securing an election and the shifting character of the population. The amendment was adopted by a vote of 71 to 21.
