

# Do You Cough?

"I guess I used to be like everybody else. When I caught cold, I just let it alone, thinking it would cure itself in a few days; of course the coughing and spitting of mucus sometimes lasted several weeks, but after a while the trouble would subside. I always noticed, however, that each cold was worse than the one before. My throat seemed to get weaker, and the least change in the weather started the coughing again. The last cold was the most severe of all. I was really frightened. Cough drops and home treatment did no good. A friend told me about Acker's English Remedy. I got a bottle, and you never saw the like of the way it acted. Before the bottle was gone I was well. My throat felt as strong and well as could be. Since then I have had no more trouble. I think Acker's English Remedy so strengthens the delicate lining of the throat that it easily resists the changes in temperature, and builds up the constitution as well."

### "Plutot mort qu'aveugle"

Means, "Rather dead than blind" blindness in most cases is the result of a neglected trivial illness of the eye. Many a person now blind could enjoy good eyesight had it not been that the eyes were neglected when the first sign of disease appeared. Cataract and Glaucoma, two of the most dangerous diseases, are in most cases due to negligence in the care of the eyes. Theo. H. Liebe, of the firm of J. E. Adcox & Co., is a graduate of the Peoria Optical College, and the Bradley Polytechnic Institute. He will correct and diagnose all errors of refraction. Eyes examined free.

### ASKS FOR A FAIR DEAL.

What is Good for the Roberts Goose Ought Not to Be Bad for the Dufur Gander.

To the Editor:

It seems to me that there is too much ink being used in the democratic organ of Wasco county on the record of Hon. A. S. Roberts. It don't deserve so much attention. Space should be divided with the record of Hon. E. B. Dufur, who voted "aye" to every question that the Mountaineer is giving credit to Mr. Roberts for.

Don't you think, Mr. Editor, it would be a good idea to look up the journal and state that Mr. Roberts was only backed by Mr. Dufur in the normal school bill? that Mr. D voted for the amendment to make two schools instead of one, and voted for the bill? Don't you think that while our friend, the Mountaineer, is giving the credit of the bill that increased the salary of our school superintendent to \$1400 to Mr. Roberts, it would be well to look a little after Mr. Dufur's interest and say that that act was a "senate bill," considered on several different days; that it was considered by the senate acting as "committee of the whole," with Senator Mitchell in the chair and Senator Dufur on the floor?

Are you going to see Senator Dufur lose the honor of having the salary of the school superintendent raised when he was on the floor and the only representative of Wasco county in a position to act when the bill was considered by sections? Are you going to fail to show that when this act, carrying the increase of salary (which was the act reversing the entire school law) was brought into the house, it would have sacrificed the whole law for Mr. Roberts to have amended it on salary? Are you going to allow Mr. D. to lose the honor of putting our county, with some thing over 4,000 pupils, above every county in the state except Multnomah, on school superintendent's salary, and within \$100 of that county and its 24,000 pupils?

I do not believe Mr. Roberts should be allowed to steal Mr. Dufur's thunder in this campaign. I think the Chronicle, as a republican paper, is entitled to say to its readers that there is no act credited to the late legislature by the Mountaineer in which Mr. Dufur did not, by his vote, back Mr. Roberts and bear his full share of the honor. We do not believe Mr. Dufur is being treated fairly by the Mountaineer. He is a man of nerve and modesty, nerve

enough to allow his party paper to condemn Hon. J. N. Williamson for the "apportionment bill," and too modest to come forward and state that he happened to be outside the senate door when the vote was taken and did not therefore vote against it.

M. J. ANDERSON.

### GROWING OLD.

Oh, lay thy hand in mine, dear!  
We're growing old;  
But time hath brought no sign, dear,  
That hearts grow cold.  
'Tis long, long since our new love  
Made life divine,  
But age enricheth true love  
Like noble wine.

And lay thy cheek to mine, dear,  
And take thy rest;  
Mine arms around thee twine, dear,  
And make thy nest.  
A many cares are pressing  
On this dear head,  
But sorrow's hands in blessing  
Are surely laid.

Oh, loan thy life on mine, dear,  
'Twill shelter thee;  
Thou wert a winsome vine, dear,  
On my young tree,  
And so, till tresses are leafless  
And birds are flown,  
We'll twine, then lay us, griefless,  
Together down.
