

Do You Cough?

"I guess I used to be like everybody else. When I caught cold, I just let it alone, thinking it would cure itself in a few days; of course the coughing and spitting of mucus sometimes lasted several weeks, but after a while the trouble would subside. I always noticed however, that each cold was worse than the one before. My throat seemed to get weaker, and the least change in the weather started the coughing again. The last cold was the most severe of all. I was really frightened. Cough drops and home treatment did no good. A friend told me about Acker's English Remedy. I got a bottle, and you never saw the like of the way it acted. Before the bottle was gone I was well. My throat felt as strong and well as could be. Since then I have had no more trouble. I think Acker's English Remedy so strengthens the delicate lining of the throat that it easily resists the changes in temperature, and it builds up the constitution as well."

"Plutot mort qu'aveugle"

Means, "Rather dead than blind" blindness in most cases is the result of a neglected trivial illness of the eye. Many a person now blind could enjoy good eyesight had it not been that the eyes were neglected when the first sign of disease appeared. Cataract and Glaucoma, two of the most dangerous diseases, are in most cases due to negligence in the care of the eyes. Thos. H. Liehe, of the firm of J. E. Adcox & Co., is a graduate of the Peoria Optical College, and the Bradley Polytechnic Institute. He will correct and diagnose all errors of refraction. Eyes examined free.

PEOPLE YOU ALL KNOW.

A. J. Dufur was a passenger on the mid-day train today on his way to his ranch at Dufur.

M. T. Nolan has been up for a few days in the mining region of Baker county. He is expected home tomorrow.

Luis P. McCarty, publisher of the Statistician and Economist, is in the city in the interest of the sale of the edition of 1899-1900.

Mrs. George Herbert and three children arrived here today from her home in Conocopus to spend a month with relatives in The Dalles and Autelope.

Mr. and Mrs. William Staats, of Dufur, arrived here today on their way home from attending the grand lodge of Odd Fellows and Rebekas at Astoria.

Mr. and Mrs. Wilbur Banton, who have been visiting here for a short time, left for their home at Autelope yesterday. They were accompanied by the Misses Vesta and Effie Banton.

M. P. Isenberg came in today from Kingsley, where he addressed a political meeting last night. Mr. Isenberg, who is a veteran of the civil war, will remain over tomorrow and attend the memorial services.

That Baseball Game Tomorrow.

The first and possibly the best baseball game of the season will be played by the Hood River and Dalles teams at the old fair grounds tomorrow afternoon, commencing promptly at 3 o'clock. Hood River last year beat The Dalles by a small margin, and while the Hood River team is stronger than ever it would be a mistake to suppose the Dalles boys have been asleep for the last month or so.

With Powers behind the bat, the man who steals second will have to be wide awake and do some tall sprinting.

Behind is in the box and in good shape. He is a developed great speed this season and will probably keep the boys from below striking the air sphere.

Ferguson on first is well known among The Dalles people, and if anyone gets to first base will keep him there like he was glued to the bag.

Sliding at second is in the game, and in a few words is a team of himself. If anything gets by him it will be in the air because he intercepts some of the hottest grounders ever knuckled, and he will bring down liners that will make your hair stand on end.

Barrett, the crack little short-stop, fills that position like a veteran. Keep your eye on him and you will see some lively work.

Hoott will play third. He is out of form somewhat but when you see him throw to first you will be convinced

that he is an old reliable. Evans in left field is a heady felder. He will bring down everything in his garden, and when he goes up to the bat we are sure of a man getting on a base. Hagen in center field is a good man. He played with Mt. Angel last year and did good work all season. Either Cooper or Van Norden will play right field. They have both been showing up well, slightly in Van Norden's favor.

The line-up is as follows:
Hood River—Fabric, c; Stoneyn, (capt) p; Blowers, ss; Hines, fb; Matthews, sb; Halleck, tb; Minor, cf; Blackmore, lf; Smith, rf.
The Dalles—Powers, c; Ballard, p; Barrett, ss; Ferguson, fb; Spaulding, (capt) sb; Huott, tb; Hagen, cf; Evans, lf; Cooper or Van Norden, rf.

Mr. W. A. Hines of Manchester, Ia., writing of his almost miraculous escape from death, says: "Exposure after measles induced serious lung trouble, which ended in Consumption. I had frequent hemorrhages and coughed night and day. All my doctors said I must soon die. Then I began to use Dr. King's New Discovery for Consumption, which completely cured me. I would not be without it even if it cost \$5.00 a bottle. Hundreds have used it on my recommendation and all say it never fails to cure Throat, Chest and Lung troubles." Regular size 50c and \$1.00. Rev. W. E. Sitzer, W. Canton, N. Y., writes, "I had dyspepsia over twenty years, and tried doctors and medicines without benefit. I was persuaded to use Kodol Dyspepsia Cure and it helped me from the start. I believe it to be a panacea for all forms of indigestion." It digests what you eat.
