Means, "Rather dead than blind" blindness in most cases is the result of a neglected trivial illness of the eye. Many a person now blind could enjoy good eyesight had it not been that the eyes were neglected when the first sign of disease appeared. Cataract and Glaucoma, two of the most dangerous diseases, are in most cases due to negligence in the care of the eyes. Theo. H. Liebe, of the firm of J. E. Adcox & Co., is a graduate of the Peoria Optical College, and the Bradley Polytechnic Institute. He will correct and diagnose all errors of refraction. Eyes examined free.

Columbia Southern Warehouse.

At Shaniko the Columbia Southern Railway Co. controls 80x100 feet of the Shaniko warehouse building, to be used as a freight warehouse, through which they will receive and forward freight in the usual manner. The impression that all business must be done through forwarding houses is an erroneous one and we take this means of dispelling it. Freight received and held twenty-four hours will be turned over to a forwarding house subject to the order of the consignee. The rate on wool in sacks or in bales from Shaniko to The Dalles is 25 cents per 100 pounds.
