TISSOT'S FAMOUS PAINTINGS. The Dalles People Will Soon Have Reproductions of Them at the M. E. Church.

When the paintings of Tissot were exhibited in Chicago last year, the rooms of the Art Institute were packed to suffocation day after day by crowds eager to study the wonderful conceptions of the French artist.

He left Paris on a pilgrimage to the Holy Land, where he studied with eager attention every spot associated with the life of Jesus, and read the gospel narrative more than a hundred times.

When his father looked at them he was amazed to find how wrong his impressions had been of the places which the holy feet had touched.

One can get a better idea of the topography of the holy land, the architecture, the dress, the faces of the people, by studying Tissot one hour than by reading many books.

RESULT OF MONDAY'S ELECTION

The Republicans Gain Everything Save Judge, Treasurer and Commissioner.

The returns from every precinct in the county have been received, and the result is the election of the entire republican state and district ticket and all the county ticket, save the county judge, treasurer and commissioner.

Congressman Moody has the phenomenal majority over Smith of 1089, the largest ever given by the county to any candidate.

The election of J. N. Williamson for state senator over Judge Bennett, although returns from Klamath and Lake counties have not been received, and notwithstanding the fact that Judge Bennett has carried his own county by 110 majority, is assured.

The rest of the joint senatorial and representative ticket is carried by the republicans by good majorities.

George C. Blakeley beats A. S. Blowers for county judge by a majority of 340.

Robert Kelly succeeds himself as sheriff, and carries the county by 176 votes over those given for his democratic opponent.

A. E. Lake, republican candidate for clerk, beats John Filloon by a majority of 314.

John F. Hampshire, democratic candidate for treasurer, was elected by a majority over the vote given to the present incumbent, C. L. Phillips, of 241.

C. L. Gilbert's majority over T. M. B. Chastain for school superintendent is 623.

C. L. Schmidt, republican candidate for assessor, beats his opponent, Chas. L. Copple, by a majority of 235.

J. B. Goit succeeds himself as county surveyor by a majority of 362 votes over his opponent, W. E. Campbell.

W. J. Harriman, democratic candidate for county commissioner, beats P. A. Kirchner by a majority of 36.

Coroner Butts will succeed himself, for the county said so by a majority of 808 over those given to George H. Williams.

And last, but not least, Judge Timothy Brownhill will administer justice alike to the just and the unjust for the next two years.

A telephone message late this afternoon says that Tongue's election as congressman from the First district is assured.

Woman's Sphere.

An ancient Greek once said: "Athens rules the world, I rule Athens, my wife rules me." "And still

"They talk about a woman's sphere as though it had a limit. There's not a place in earth or heaven; There's not a task to mankind given; There's not a blessing or a woe; There's not a whispered 'Yes or No'; There's not a life, or death, or birth; That has a featherweight of worth, Without a woman in it."
