

# Do You Cough?

"I guess I used to be like everybody else. When I caught cold, I just let it alone, thinking it would cure itself in a few days; of course the coughing and spitting of mucus sometimes lasted several weeks, but after a while the trouble would subside. I always noticed how- ever, that each cold was worse than the one before. My throat seemed to get weaker, and the least change in the weather started the coughing again. The last cold was the most severe of all. I was really frightened. Cough drops and home treatment did no good. A friend told me about Acker's English Remedy. I got a bottle, and you never saw the like of the way it acted. Before the bottle was gone I was well. My throat felt as strong and well as could be. Since then I have had no more trouble. I think Acker's English Remedy so strengthens the delicate lining of the throat that it easily resists the changes in temperature, and builds up the constitution as well."

### "Plutot mort qu'aveugle"

Means, "Rather dead than blind" blindness in most cases is the result of a neglected trivial illness of the eye. Many a person now blind could enjoy good eyesight had it not been that the eyes were neglected when the first sign of disease appeared. Cataract and Glaucoma, two of the most dangerous diseases, are in most cases due to negligence in the care of the eyes. Theo. H. Liebe, of the firm of J. E. Adcox & Co., is a graduate of the Peoria Optical College, and the Bradley Polytechnic Institute. He will correct and diagnose all errors of refraction. Eyes examined free.

### Secret of Mrs. Green's Success.

Hetty Green was recently induced to talk to a writer for the June Ladies' Home Journal of her business methods that have won her \$60,000,000 or more. The secret of her success is worth knowing. "I don't believe in speculation as a rule," she says, "and I don't speculate as much as people think. When offered so many shares of stock at so much I buy one share and then send out to see what it will bring. If it's a good advance I buy the rest. If not, I don't. This was my plan when I used to deal in horses. I would get a day's option on a horse, and see what it would bring before buying it. I attribute my success chiefly to the rule of always buying when everyone wants to sell, and selling when everyone wants to buy. There's a price on everything I have. When that price is offered I sell. I never buy anything just to hold on to it. Not much! And I try to steer clear of Wall street. Any one who hasn't a whole fortune to back his deals had better do the same. I do everything with all my mind. If there is a lawsuit on hand I go into every detail of it with my lawyer. It's the same with everything else."

### Tobbed the Grave.

A startling incident, of which Mr. John Oliver of Philadelphia, was the subject, is narrated by him as follows: "I was in a most dreadful condition. My skin was almost yellow, eyes sunken, tongue coated, pain continually in back and sides, no appetite—gradually growing weaker day by day. Three physicians had given me up. Fortunately, a friend advised 'Electric Bitters'; and to my great joy and surprise, the first bottle made a decided improvement. I continued their use for three weeks, and am now a well man. I know they saved my life, and robbed the grave of another victim." No one should fail to try them. Only 50c, guaranteed, at Blakeley & Houghton's drug store. 5

### A Practical Demonstration.

The closet is now located in the rear of Chas. Burchdorf's bicycle repair store on Second, between Federal and Laughlin streets, The Dalles, and the public are cordially invited to call and inspect the same. This company is now prepared to fill orders promptly. Parties desiring this system will be furnished full information upon application to or correspondence with D. S.
