The recent sharp advance in the price of wheat, contemporaneous with the meeting of the national republican convention and the proposal to give the country four more years of McKinley prosperity, will necessitate a fresh flood of democratic literature on the ancient law of supply and demand.

Yesterday evening Thomas Smiley was united in marriage to Miss Josie Akin, both of this city. The ceremony was performed by Rev. U. F. Hawk in the presence of a few friends of the bride and bridegroom at the residence of the bride's sister, Mrs. Charice Adams. An elegant reception followed the wedding ceremony.

Charley Richmond arrived here today from Condon with another lot of wool. He says this will be his last trip, as his crop will need attention when he gets back home. He says a large lot of wool still awaits shipment to The Dalles, if teams can be got to do it. Blake Bros. have 200 sacks that they want brought here, but cannot get teams to haul it.

Night Watchman Phirman arrested a drunken squaw last night and kept her in confinement till she was turned loose this morning, a sober but hyas sick

siwash. The pity of it was that the drunken woman had a poor little papoose that had to be brought to her by another woman to receive its wonted measure of liquid nourishment and then removed to keep it out of danger till its drunken mother had sobered up.

J. T. Reynolds spoiled a good newspaper item this afternoon and probably saved a fine new hack from destruction at the same time by halting a team that had started to run away from the store of Maier & Benton, where it had been left unhitched while a couple of ladies, who had it in charge were trading in the store. Just as the horses were getting on a good head of steam Mr. Reynolds dashed in front of them, and at the imminent risk of his limbs, brought them to a stand.

Finally Chief Clerk Thompson asked the old gentleman the age of the missing boy. "He's 54 years old," replied the septuagenarian, and the hotel men quit the search. They thought a lad of that age ought to be able to take care of himself.

Closing Exercises on Three Mile.

The school closed in District No. 24 last Friday. On Saturday evening following an entertainment was given by the school, which was a success in every particular. Each child acted his or her part perfectly, which goes to show what an excellent teacher we had in Miss Anna Thompson. Any school that is fortunate enough to procure her services is lucky indeed.

Mr. and Mrs. Frank Wilder, of Des Moines, Iowa, arrived here Monday on a visit to Mr. Wilder's brother, J. H. Wilder, of this city. If the climate of Eastern Oregon proves beneficial to Mr. Wilder's health he will probably remain here for good.

Columbia Southern Warehouse.

At Shaniko the Columbia Southern Railway Co. controls 80x100 feet of the Shaniko warehouse building, to be used as a freight warehouse, through which they will receive and forward freight in the usual manner. The impression that all business must be done through forwarding houses is an erroneous one and we take this means of dispelling it. Freight received and held twenty-four hours will be turned over to a forwarding house subject to the order of the consignee. The rate on wool in sacks or in bales from Shaniko to The Dalles is 25 cents per 100 pounds.

For rates or other information call on or address

Swung to Woodruff.

PHILADELPHIA, June 19.—Lieutenant-Governor Timothy L. Woodruff will be presented to the national convention as the candidate of New York for vice-president. It was decided to do this after a four hour stormy session of the New York delegation, during which every kind of appeal was made to get Governor Roosevelt to say that he would accept the nomination.

In general, the idea seems to be prevalent that Secretary Long is the most favored candidate, with a probability that Roosevelt may still be nominated. Governor Roosevelt believes that his wishes have been respected by his own delegation, and that he is finally out of the race.

Call in and sample the whole wheat shredded biscuits. Free demonstration Thursday, Friday and Saturday at Pease & Mays' grocery department.
