

CONTAGIOUS BLOOD POISON O. R. & N.

Contagious Blood Poison is the most degrading and destructive of all diseases, as it vitiates and corrupts the entire system. The first sore or ulcer is followed by little red pimples on the body, mouth and throat become sore, the glands enlarge and inflame, copper colored splotches appear, and hair and eyebrows fall out. These are some of the milder symptoms; they increase in severity, finally attacking the vital organs; the body is tortured with rheumatic pains and covered with offensive sores.

Mrs. T. W. Lee, Montgomery, Ala., writes: "Several years ago I was inoculated with poison by a diseased nurse, who infected my baby, and for six long years I suffered untold misery. My body was covered with sores and ulcers. Several physicians treated me, but all to no purpose. The mercury and potash they gave me seemed to add fuel to the awful flame which was devouring me. Friends advised me to try S. S. S. I began taking it and improved from the start, and a complete and perfect cure was the result."

It is a peculiar poison, and so highly contagious that an innocent person handling the same articles used by one infected with this loathsome disease, may be inoculated with the virus. It can be transmitted from parent to child, appearing as the same disease or in a modified form—like Eczema or Scrofula. Many an old sore or stubborn skin trouble appearing in middle life, is due and traceable to blood poison contracted in early life. You may have taken potash and mercury faithfully for two or three years and thought you were cured, but you were not, for these poisonous minerals never cure this disease; they drive it from the outside, but it is doing its work on the inside, and will show up again sooner or later. You may not recognize it as the same old taint, but it is. S. S. S. has cured thousands of cases of Contagious Blood Poison, and it will cure you. It is the only purely vegetable blood purifier known and the only antidote for this poison. S. S. S. cleanses the blood thoroughly of every particle of the poison—there is never any return of the disease.

CURE YOURSELF AT HOME.

Send for our Home Treatment book which gives a history of the disease in all stages, and is the result of many years of close study of blood poison and actual experience in treating it. You can cure yourself perfectly and permanently at home, and your secret is your own. Should you need any information or medical advice at any time, write to our physicians. They have made a life study of blood diseases, and will give your letter prompt and careful attention. Consult them as often as you please; we make no charge whatever for this service. All correspondence is conducted in the strictest confidence.

Robbed the Grave.

A startling incident, of which Mr. John Oliver of Philadelphia, was the subject, is narrated by him as follows: "I was in a most dreadful condition. My skin was almost yellow, eyes sunken, tongue coated, pain continually in back and sides, no appetite—gradually growing weaker day by day. Three physicians had given me up. Fortunately, a friend advised 'Electric Bitters'; and to my great joy and surprise, the first bottle made a decided improvement. I continued their use for three weeks, and am now a well man. I know they saved my life, and robbed the grave of another victim." No one should fail to try them. Only 50c, guaranteed, at Blakeley & Houghton's drug store.
