## BATTLE-SHIP OREGON ASHORE

Report That The United States Battle-ship Oregon Went Ashore in a Fog Off Hoo Kie Island.

SHANGHAI, June 29.—It is rumored here that the United States battle-ship Oregon is ashore on the island of Hoo Kie, in the Miau group, fifty miles north of Che Foo, and that a steamer of the Indo-China Steam Navigation company has gone to her assistance.

LONDON, June 29.—The Shanghai correspondent of the Times, telegraphing Friday, says: "The battle-ship Oregon went ashore in a fog off Hoo Kie island, fifty miles north of Che Foo. Messrs. Jardine, Mathieson & Co., are sending her assistance."

WASHINGTON, June 29.—Up to midnight tonight no official news had been received in Washington bearing upon the report that the battle-ship Oregon had gone ashore near Che Foo. Early last week Admiral Remy was directed to send this vessel from Hong Kong to Taku. Captain Wilde is her commander. She left Hong Kong last Sunday night, two days ahead of her expected departure, and had on board, in addition to her regular crew, 164 sailors and marines brought from Hong Kong from Manila by the Zafiro.

### Final Battles of Boer War.

LONDON, June 29.—Outside of minor conflicts in the Orange river colony, showing continued Boer activity in the Senekal district, the telegrams from South Africa merely indicate preparations for, it is hoped, the final operations of the tediously prolonged war.

A Cape Town dispatch reports an attempt by the Boers to blow up the artillery barracks and magazine at Pretoria. It adds that an artilleryman, who frustrated the attempt by the withdrawing of a lighted fuse, was killed by a Boer, whom the soldiers afterwards attempted to lynch.

The British authorities are deporting large numbers of Hollanders to Holland, to be dealt with by their own government for not observing the state of neutrality declared by the Netherlands.

President Steyn is reported to be at Bethlehem consulting with General De Wet.

Sir Alfred Milner, the British high commissioner, has notified the government to pay the interest on the Free State 6 per cent loan on condition that there is no liability for further interest.

Cape Town reports that President Kruger is still at Machadodorp, afraid to move for fear the bridges are undermined.

### Li Hung Chang Will Not Go.

NEW YORK, June 29.—A dispatch to the Herald from Canton says:

While the general situation here is unchanged, an uneasy feeling prevails. An imperial mandate from Peking directs Viceroy Li Hung Chang to remain in

Canton for the present. An uprising is feared in case of his departure. The numerous daily criminal executions by order of the viceroy show his realization of the serious condition of affairs and his firm intention to prevent trouble. He is threatened by the mob with assassination if he should leave the city. Well-to-do residents have offered Li Hung Chang \$3,000,000 tael (\$3,500,000 for the purpose of organizing a municipal guard in the city. The viceroy appreciates the confidence and gratitude of the people, and promises to do his utmost to maintain order. The majority of the foreign women and children have left for Hong Kong or Macao. The British gunboat Redpole and the United States gunboat Don Juan de Austria are in the harbor. The French gunboat Comete is expected.

### A Thousand Tongues

Could not express the rapture of Annie E. Springer, of 1125 Howard st., Philadelphia, Pa., when she found that Dr. King's New Discovery for Consumption had completely cured her of a hacking cough that for many years had made life a burden. All other remedies and doctors could give her no help, but she says of this Royal Cure—"It soon removed the pain in my chest and I can now sleep soundly, something I can scarcely remember doing before. I feel like sounding its praises throughout the universe." So will every one who tries Dr. King's New Discovery for any trouble of the throat, chest or lungs. Price 50c and \$1. Trial bottle free at Blakeley & Houghton's drug store; every bottle guaranteed.

### Report of British Consul at Manila.

WASHINGTON, June 26.—The state department has received from United States Consul Halstead, at Birmingham, England, an abstract of the annual report of the British consul at Manila concerning the trade and conditions in the Philippine Islands.

"The collapse of the insurrection last November," the British consul said, "and the opening of the ports since June 1 have restored confidence, and great activity in commercial quarters has ensued. Law and order are being restored as rapidly as possible, but the immense size of the country renders it a difficult task. The natives, I believe, would willingly return to their agricultural pursuits, but the influence of their leaders appears sufficiently strong to keep them from surrendering."

"The two well-known leading industries of Manila, hemp and tobacco, will, I fear, suffer severely for some time from the late insurrection. The natural indolence of the Filipinos will make it almost impossible to do work, while the Chinese and the Chinese labor question is one of great importance to the islands. There is a strong influence against the Celestials, for by their industrious habits they gradually obtain monopolies in all retail trade, but on the other hand, the Filipinos themselves have no energy and no commercial instinct."

### Ship Subsidy May Pass.

WASHINGTON, June 29.—During the lull at republican headquarters, there is more or less general discussion, today the ship subsidy bill coming up. The opinion seems to prevail that this bill will pass at the next session. The friends

of the measure now go so far as to assert that the bill will pass regardless of whether the next House will be republican or democratic. They say that the only opposition that rendered the fate of the bill doubtful has been placated, as the Westerners who originally thought the bill discriminated in favor of Atlantic shipping have had concessions made which will include a fair proportion of the Pacific ships of American make, to hold Pacific Coast delegations in support of the bill.

**Catarrah Cannot Be Cured—** with local applications, as they cannot reach the seat of the disease. Catarrah is a blood or constitutional disease, and in order to cure it you must take internal remedies. Hall's Catarrah Cure is taken internally, and acts directly on the blood and mucous surfaces. Hall's Catarrah Cure is not a quick medicine. It was prescribed by one of the best physicians in this country for years, and is a regular prescription. It is composed of the best tonics known, combined with the best blood purifiers, acting directly on the mucous surfaces. The perfect combination of the two ingredients is what produces such wonderful results in curing Catarrah. Send for testimonials, free.

F. J. CHENEY & CO., Props., Toledo O. Sold by druggists, price 75c. Hall's Family Pills are the best. 12

### Oath of Allegiance.

MANILA, June 28.—Nine insurgent leaders including Generals Pio Del Pilar, Concepcion, Garcia and Alvarez, were released upon taking the oath of allegiance to the government and renouncing all connection with the revolution in the Philippines, together with making a formal acknowledgment of American sovereignty.

This oath is much stronger and more binding than the oath which Gen. Oles administered and was consequently distasteful to the Filipinos, who accepted it with bad grace, fully realizing the results of any violation.

It is hoped that these nine leaders will influence their men to take advantage of the amnesty proclamation which has thus far been without results other than those of today.

Mr. W. S. Wheldon, manager of the First National bank of Winterset, Iowa, in a recent letter gives some experience with a carpenter in his employ, that will be of value to other mechanics. He says: "I had a carpenter working for me who was obliged to stop work for several days on account of being troubled with diarrhoea. I mentioned to him that I had been similarly troubled and that Chamberlain's Cough, Cholera and Diarrhoea Remedy had cured me. He bought a bottle of it from the druggist here and informed me that one dose cured him, and he is again at his work." For sale by Blakeley & Houghton.

### Southern Pacific Affairs.

SAN FRANCISCO, June 29.—The directors of the Southern Pacific company have named a governing, or executive committee, which will henceforth assume the management of most of the affairs hitherto entrusted to the full board. This will obviate the necessity of weekly meetings of the directors. The governing committee consists of President C. P. Huntington, D. O. Mills, Chas. H. Twest, John D. Prober and Edwin Hawley, General Auditor George T. Kleck, whose headquarters are in San Francisco, has been made assistant secretary.

### A Good Cough Medicine.

It speaks well for Chamberlain's Cough Remedy when druggists use it in their own families in preference to any other. "I have sold Chamberlain's Cough Remedy for the past five years with complete satisfaction to myself and customers," says Druggist J. Goldsmith, Van Etten, N. Y. "I have always used it in my own family both for ordinary coughs and colds and for the cough following la grippe, and find it very efficacious." For sale by Blakeley & Houghton.

### Sharkey Knocked Out by Cupid.

CHICAGO, June 29.—The Tribune says: Pugilist Tom Sharkey and Mrs. Lillian Bauer, a widow of a well-known saloon-keeper, will be married next week. Sharkey met Mrs. Bauer while in Chicago this spring. Mrs. Bauer is at present in New York, but will return to Chicago, accompanied by her future husband, for the marriage ceremony.

### Robbed the Grave.

A startling incident, of which Mr. John Oliver of Philadelphia, was the subject, is narrated by him as follows: "I was in a most dreadful condition. My skin was almost yellow, eyes sunken, tongue coated, pain continually in back and sides, no appetite—gradually growing weaker day by day. Three physicians had given me up. Fortunately, a friend advised 'Electric Bitters,' and to my great joy and surprise, the first bottle made a decided improvement. I continued their use for three weeks, and am now a well man. I know they saved my life, and robbed the grave of another victim." No one should fail to try them. Only 50c, guaranteed, at Blakeley & Houghton's drug store. 5

### Flannelly Hanged.

SAN QUENTIN PRISON, Cal., June 28.—Thomas Flannelly who murdered his father, Patrick Flannelly, and Sheriff W. P. McEvoy, of San Mateo county, on the night of October 26, 1887, at Redwood City, was hanged today. He had nothing to say from the scaffold.

The father was shot dead in bed after causing his son to be evicted from a piece of land. Young Flannelly then barricaded himself in his own home, and before he was taken, fatally shot the sheriff, receiving six bullets himself.

"After using several well recommended medicines without success, I tried Chamberlain's Pain Balm, and am pleased to say that relief came as soon as I began its use and a complete cure speedily followed." Sold by Blakeley & Houghton.
