THE OFFICIAL REPORT

Oregon Ran Aground in a Dense Fog—Iris Going to Her Assistance.

WASHINGTON, June 30.—The following dispatches were received at the navy department relative to the grounding of the Oregon:

"Che Foo, June 29.—Secretary of the navy: Anchored yesterday during a dense fog in seventeen fathoms, three miles south of How Ke Light, Gulf of Pe Chi Li. Sent out two boats and sounded; least water five and a half fathoms. Weather clear. Got under way and struck Pinnacle rock. Much water in forward compartment. Perfectly smooth. Shall charter steamer if possible at Che Foo and lighten the ship. Rock through side of ship above double bottom about frame 19. Small holes also through bottom of ship. WILDE"

"Che Foo, June 29.—Secretary of the navy, Washington: Iris gone to assistance of Oregon. RAYMOND ROGERS, "Commanding Nashville."

"Hong Kong, June 29.—Secretary of navy, Washington: Princetown arrived. Brooklyn leaves for Nagasaki. The Zafiro at Che Foo has been sent to assist the Oregon, reported by Rogers on rock south How Ke Light. Iris going to her assistance. REMEY."

The point where the Oregon grounded is fifty miles west northwest of Che Foo. Taku is 150 miles west of Pinnacle rock, where she struck. Pinnacle rock is about 25 feet high, is encircled by a shoal, and should not be approached nearer than three cables. According to the Hydrographic Bureau officials, there is a strong current of from three to five knots' speed always prevalent in this vicinity, and this fact, together with the dense fog that prevailed at the time, greatly enhanced the danger of navigating the Oregon. The officials of the Naval Hydrograph-

er's office say there is a great rise and fall of the tide at this point—about 10 feet—and it is possible that the Oregon may have been lifted by the water and set afloat without assistance.

Captain Wilde's statement of the injuries sustained by the Oregon is scarcely sufficient to enable the navy constructors here to form a definite opinion as to the prospects of saving the famous ship. They say, however, that the ship probably can be saved if the weather does not become rough, but, unfortunately, this is the season of storms in Chinese waters.

At the request of the secretary of the navy, the state department today sent a message to the Russian government at St. Petersburg, asking permission to take the Oregon to Port Arthur to be docked there in the event that the ship can be floated.

It may be said that, from the facts set out in Captain Wilde's cablegram, the officials are not inclined to censure him. He was under orders to hurry, warranting the assumption of risk. He appears to have observed all of the usual precautions possible under such orders, and it is known that the charts of that section are inadequate. Mr. Wu, the Chinese minister, said this particular spot was a graveyard of shipping.

Story of a Slave.
To be bound hand and foot for years by the chains of disease is the worst form of slavery. George D. Williams, of Manchester, Mich., tells how such a slave was made free. He says: "My wife has been so helpless for five years that she could not turn over in bed alone. After using two bottles of Electric Bitters, she is wonderfully improved and able to do her own work." This supreme remedy for female diseases quickly cures nervousness, sleeplessness, melancholy, headache, backache, fainting and dizzy spells. This miracle working medicine is a godsend to weak, sickly, run down people. Every bottle guaranteed. Only 50 cents. Sold by Blakeley & Houghton Druggists.

DeWitt's Little Early Risers are famous little pills for liver and bowel troubles. Never gripe.

Prevented a Tragedy.

Timely information given Mrs. George Long, of New Straitsville, Ohio, prevented a dreadful tragedy and saved two lives. A frightful cough had long kept her awake every night. She had tried many remedies and doctors but steadily grew worse until urged to try Dr. King's New Discovery. One bottle wholly cured her, and she writes this marvelous medicine also cured Mr. Long of a severe attack of Pneumonia. Such cures are positive proof of the matchless merit of this grand remedy for curing all throat, chest and lung troubles. Only 50c and \$1.00. Every bottle guaranteed. Trial bottles free at Blakeley & Houghton's Drug Store.

Perhaps All Slain.

LONDON, July 2.—Official dispatches received by the consular body at Shanghai, an express cable dated Shanghai, July 1st, says, confirm in the fullest manner the report of the butchery of Baron von Ketteler, the German minister, on June 18th. The ambassador was riding in Legation street, when he was attacked by Chinese troops and Boxers, dragged from his horse and killed. His body was hacked to pieces with swords. The German legation and six other buildings were burned and a number of servants of the legation killed and their bodies thrown into the flames.

After many intricate experiments, scientists have discovered methods for obtaining all the natural digestants. These have been combined in the proportion found in the human body and united with substances that build up the digestive organs, making a compound called Kodol Dyspepsia Cure. It digests what you eat and allows all dyspeptics to eat plenty of nourishing food while the stomach troubles are being radically cured by the medicinal agents it contains. It is pleasant to take and will give quick relief.

It has been demonstrated by experience that consumption can be prevented by the early use of One Minute Cough Cure. This is the favorite remedy for coughs, colds, croup, asthma, gripe and all throat and lung troubles. Cures quickly.

Great Dock Fire.

New York, June 30.—Over \$10,000,000 worth of property was destroyed, many lives lost, many persons were injured, and at least 1500 lives were imperiled by a fire that started among cotton bales under pier No. 2 of the North German Lloyd Steamship company, in Hoboken, N. J., at 4 o'clock this afternoon. In less than fifteen minutes the flames covered an area of a quarter of a mile long, extending outward from the actual shore line to the bulkheads, from 600 to 1000 feet away, and caught four great ocean liners and a dozen or more smaller harbor craft in their grasp.

Stories in regard to the loss of life are conflicting, the number being variously estimated at from 50 to 200. Up to midnight ten bodies had been recovered, but they were all so badly burned and blackened that identification was impossible.

The hospitals in New York, Hoboken and Jersey City are crowded with injured and men are being brought in by scores.

The Best Remedy for Stomach and Bowel Troubles.

"I have been in the drug business for twenty years and have sold most all of the proprietary medicines of any note. Among the entire list I have never found anything to equal Chamberlain's Colic, Cholera and Diarrhoea Remedy for all stomach and bowel troubles," says O. W. Wakefield, of Columbus, Ga. "This remedy cured two severe cases of cholera morbus in my family and I have recommended and sold hundreds of bottles of it to my customers to their entire satisfaction. It affords a quick and sure cure in a pleasant form." For sale by Blakeley & Houghton.

A gentleman recently cured of dyspepsia gave the following appropriate rendering of Burns' famous blessing: "Some have meat and cannot eat, and some have none that want it; but we have meat and we can eat. Kodol Dyspepsia Cure be thanked." This preparation will digest what you eat. It instantly relieves and radically cures indigestion and all stomach disorders.
