### GERMAN MINISTER WAS KILLED

Twenty Thousand Chinese Soldiers Within Peking's Walls—Thirty Thousand Outside and 3000 on the Way to Assist.

WASHINGTON, July 2.—The navy department has received the following telegram from Admiral Kempff, without date:

"Chee Foo—secretary of the navy, Washington: Runner from Peking reports legations are besieged; provisions nearly exhausted; situation desperate. German minister going to Tsung Li Tamen murdered by Chinese soldiers, American, Italian, Dutch (?) legations burned. Twenty thousand Chinese soldiers inside, 30,000 outside Peking; 300 reported bound for Tien Tsin; still waiting at Tien Tsin. Communication with Tien Tsin by rail and river interrupted."  
KEMPPFF.

The word "Dutch" in Admiral Kempff's dispatch is taken to mean "Dutch," in reference to that legation.

BERLIN, July 2.—A telegram from Dr. von Ketteler, the German minister at Peking, says: "Our minister at Peking was murdered on June 18th."

BERLIN, July 2.—The consular body at Peking has unanimously proposed to their governments, as the sole means of saving the foreigners at Peking, that the allied powers should inform the Chinese authorities that the graves of the ancestors of the imperial family at Peking will be destroyed if the foreigners at Peking, especially the ministers, are harmed. It is understood that Great Britain is now disposed to adhere to the proposal.

WASHINGTON, July 2.—Cable advices from Admiral Kempff this morning fully

confirm previous report of the murder of Von Ketteler, the German minister at Peking. The admiral also represents the situation of the ministers as most desperate. The shortage of their food supplies reported by Admiral Kempff, gives rise to the gravest apprehension. Having been taken to Taku by runner the dispatch represented the ministers' condition at least five days ago, and there is reason to fear that the worst has happened in the interim.

Admiral Kempff's favorable report of the condition of the Japanese vessel, which generously offered assistance.

No further reinforcements have been ordered to China, military or naval.

#### Story of a Slave.

To be bound hand and foot for years by the chains of disease is the worst form of slavery. George D. Williams, of Manchester, Mich., tells how such a slave was made free. He says: "My wife has been so helpless for five years that she could not turn over in bed alone. After using two bottles of Electric Bitters, she is wonderfully improved and able to do her own work." This supreme remedy for female diseases quickly cures nervousness, sleeplessness, melancholy, headache, backache, fainting and dizzy spells. This miracle working medicine is a godsend to weak, sickly, run down people. Every bottle guaranteed. Only 50 cents. Sold by Blakeley & Houghton Druggists.

A gentleman recently cured of dyspepsia gave the following appropriate rendering of Burns' famous blessing: "Some have meat and cannot eat, and some have none that want it; but we have meat and we can eat, Kodol Dyspepsia Cure be thanked." This preparation will digest what you eat. It instantly relieves and radically cures indigestion and all stomach disorders.

DeWitt's Little Early Risers are famous little pills for liver and bowel troubles. Never gripe.

#### Prevented a Tragedy.

Timely information given Mrs. George Long, of New Straitsville, Ohio, prevented a dreadful tragedy and saved two lives. A frightful cough had long kept her awake every night. She had tried many remedies and doctors but steadily grew worse until urged to try Dr. King's New Discovery. One bottle wholly cured her, and she writes this marvelous medicine also cured Mr. Long of a severe attack of Pneumonia. Such cures are positive proof of the matchless merit of this grand remedy for curing all throat, chest and lung troubles. Only 50c and \$1.00. Every bottle guaranteed. Trial bottles free at Blakeley & Houghton's Drug Store.

#### Perhaps All Slain.

LONDON, July 2.—Official dispatches received by the consular body at Shanghai, an express cable dated Shanghai, July 1st, says, confirm in the fullest manner the report of the butchery of Baron von Ketteler, the German minister, on June 18th. The ambassador was riding in Legation street, when he was attacked by Chinese troops and Boxers, dragged from his horse and killed. His body was hacked to pieces with swords. The German legation and six other buildings were burned and a number of servants of the legation killed and their bodies thrown into the flames.

After many intricate experiments, scientists have discovered methods for obtaining all the natural digestants. These have been combined in the proportion found in the human body and united with substances that build up the digestive organs, making a compound called Kodol Dyspepsia Cure. It digests what you eat and allows all dyspeptics to eat plenty of nourishing food while the stomach troubles are being radically cured by the medicinal agents it contains. It is pleasant to take and will give quick relief.

It has been demonstrated by experience that consumption can be prevented by the early use of One Minute Cough Cure. This is the favorite remedy for coughs, colds, croup, asthma, grippe and all throat and lung troubles. Cures quickly.

#### Shot Girl and Self.

WALLA WALLA, Wash., July 1.—In a fit of insane jealousy, and because he could not marry the girl of his choice, C. A. Martin, this afternoon at 3:30 o'clock, shot and killed Miss Leah Coleman, and shot himself, with fatal results. The shooting took place in the central office of the telephone company. Several people were near, but could not stop Martin before he succeeded in his purpose.

Martin came up from Pendleton last night, where he is known by the name of Archie Parks. Today he lay in wait for the girl until she appeared at the telephone office. When she arrived at the office Martin met her at the door, when a few words passed between them and instantly five shots, fired in quick succession, rang out. The first shot fired at Miss Coleman missed its mark, but the next two took effect in the left breast, causing instant death. The two last shots were directed at himself, which resulted in his death at 5:30 yesterday morning.

Among the entire list I have never found anything to equal Chamberlain's Colic, Cholera and Diarrhoea Remedy for all stomach and bowel troubles," says O. W. Wakefield, of Columbus, Ga. "This remedy cured two severe cases of cholera morbus in my family and I have recommended and sold hundreds of bottles of it to my customers to their entire satisfaction. It affords a quick and sure cure in a pleasant form." For sale by Blakeley & Houghton.
