## M'KINLEY IS IN DANGER

A Plot to Assassinate the President— Spanish and Cuban Conspiracy.

NEW YORK, July 11.—The World says: "A plot to assassinate President McKinley has been frustrated. It was concocted by a group of Spanish and Cuban conspirators who had headquarters in New York."

"One of the plotters weakened and sent a warning letter to a member of the republican national committee. The letter was placed in the hands of Secretary Charles Dick, who referred it to Chairman Odell, of the New York state committee, for investigation. Chairman Odell engaged a detective, who speedily verified certain allegations made in the warning letter. Thereupon Mr. Odell reported to Secretary Dick, who laid all the facts before Chairman Mark Hanna."

"Mr. Odell's report causes great alarm among the president's close friends and advisers. Mr. Odell made it plain that he regarded the plot as a matter of the utmost seriousness, and urged that extreme precautions be taken to keep the president out of harm's reach."

"Messrs. Dick and Hanna laid the whole matter before the President before he departed for Canton, Ohio. They instructed Mr. Odell to continue his investigation, and cautioned him to work with the utmost secrecy."

"To a World reporter last night Mr. Odell admitted that he and certain members of the national committee had discovered a plot to assassinate the President."

The Best Remedy for Stomach and Bowel Troubles.

"I have been in the drug business for twenty years and have sold most all of the proprietary medicines of any note. Among the entire list I have never found anything to equal Chamberlain's Colic, Cholera and Diarrhoea Remedy for all stomach and bowel troubles," says O. W. Wakefield, of Columbus, Ga. "This remedy cured two severe cases of cholera morbus in my family and I have recommended and sold hundreds of bottles of it to my customers to their entire satisfaction. It affords a quick and sure cure in a pleasant form." For sale by Blakeley & Houghton.

Three Were Killed.

ASTORIA, Or., July 10.—The fish oil works of DeForest, located in the lower harbor, was wrecked this afternoon by the explosion of the boiler. Jack Shaw, an employe, was killed immediately. Chris Rentz, another employe, is believed to have been drowned, and the engineer, Maurice M. Moore, is in the hospital this evening. At the time there were four white men and four Chinamen in the building. Mr. DeForest had been there a half-hour previously, but had his son take him ashore to his home before the accident occurred. The accident is said to have been due to a defective boiler. The factory was totally destroyed.

Engineer Moore died at St. Mary's

Hospital here tonight, and before his death he made the statement that he had no knowledge of the cause of the explosion. The boiler at the time had but sixty-five pounds of steam. His death was due to internal injuries.

Catarrh Cannot Be Cured.

with local applications, as they cannot reach the seat of the disease. Catarrh is a blood or constitutional disease, and in order to cure it you must take internal remedies. Hall's Catarrh Cure is taken internally, and acts directly on the blood and mucous surfaces. Hall's Catarrh Cure is not a quack medicine. It was prescribed by one of the best physicians in this country for years, and is a regular prescription. It is composed of the best tonics known, combined with the best blood purifiers, acting directly on the mucous surfaces. The perfect combination of the two ingredients is what produces such wonderful results in curing Catarrh. Send for testimonials, free.

Search Continues.

SALEM, July 10.—The body of Private D. Gage, of Company C, who was drowned in the Willamette river Sunday afternoon, had not been recovered at a late hour last night, though a thorough search has been made with the usual appliances. The fact that the body is naked causes difficulty in recovering it, as it will roll much easier, and grappling would not take hold so readily.

Sergeant Sam R. Stott, of Sumpter, whose leg was broken by the fall of his horse Sunday afternoon, is getting along well, and is as cheerful as the circumstances will allow.

Story of a Slave.

To be bound hand and foot for years by the chains of disease is the worst form of slavery. George D. Williams, of Manchester, Mich., tells how such a slave was made free. He says: "My wife has been so helpless for five years that she could not turn over in bed alone. After using two bottles of Electric Bitters, she is wonderfully improved and able to do her own work." This supreme remedy for female diseases quickly cures nervousness, sleeplessness, melancholy, headache, backache, fainting and dizzy spells. This miracle working medicine is a godsend to weak, sickly, run down people. Every bottle guaranteed. Only 50 cents. Sold by Blakeley & Houghton Druggists. 6

After many intricate experiments, scientists have discovered methods for obtaining all the natural digestants. These have been combined in the proportion found in the human body and united with substances that build up the digestive organs, making a compound called Kodol Dyspepsia Cure. It digests what you eat and allows all dyspeptics to eat plenty of nourishing food while the stomach troubles are being radically cured by the medicinal agents it contains. It is pleasant to take and will give quick relief.

## EMPRESS DOWAGER HOLDS REIGNS

Consul Goodnow at Shanghai Cables Rumor That Legations at Peking Were Safe on Thursday Last— Ministers and Foreigners Will Hold Out Until Rescued.

SHANGHAI, July 10.—News from official sources was received at 10 o'clock last night to the effect that the empress had June 30 resumed the reins of government, and appointed Yung La prime minister. It is said that she sent a dispatch to Nankin by courier route at the rate of one hundred miles per day, thanking the Viceroy of the Yangtze Kiang provinces for their loyalty, and recommending that they protect foreigners at any cost.

WASHINGTON, July 10.—The secretary of state has received a dispatch from Mr. Goodnow, United States Consul at Shanghai, stating that it is given out by the governor of Shan Tung that the legations were standing on July 5, and that the outlaws were dispersing. Mr. Goodnow adds that this statement does not obtain general credence.

WASHINGTON, July 10.—General MacArthur cables the war department that the Fourteenth Infantry and the Fifth Artillery will leave on Friday for Taku. Other troops are being sent to replace these.

TIENTSIN, July 8.—It is reported from Chinese sources that foreigners at Peking have taken possession of the Prince's palace, opposite and commanding the British Legation, and that the native Christians have been installed therein.

LONDON, July 10.—Chinese official sources furnished another surprise today, in announcing that the Dowager Empress, who had been reported within two weeks dead, fled, poisoned and hopelessly mad, has resumed the reins of power. The date is given as June 30, the same on which the wholesale massacre of foreigners is alleged to have occurred.

Prevented a Tragedy.

Timely information given Mrs. George Long, of New Straitsville, Ohio, prevented a dreadful tragedy and saved two lives. A frightful cough had long kept her awake every night. She had tried many remedies and doctors but steadily grew worse until urged to try Dr. King's New Discovery. One bottle wholly cured her, and she writes this marvelous medicine also cured Mr. Long of a severe attack of Pneumonia. Such cures are positive proof of the matchless merit of this grand remedy for curing all throat, chest and lung troubles. Only 50c and \$1.00. Every bottle guaranteed. Trial bottles free at Blakeley & Houghton's Drug Store. 6

St. Louis Boycott.

ST. LOUIS, July 10.—The boycott, which hurt the Transit Company considerably during the recent contest, was renewed today, and wagons are again carrying passenger especially in the north and south sides. There has been no trouble reported. Donations for the fund to buy wagons for the strikers' bus line are again being vigorously solicited.

"Before the strike was declared off," said Treasurer Isaacs, of the executive board, "we had 350 wagons in commission. We have not disposed of any, and we expect to largely increase the number."

During last May an infant child of our neighbor was suffering from cholera infantum. The doctors had given up all hopes of recovery. I took a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy to the house, telling them I felt sure it would do good if used according to directions. In two days time the child had fully recovered. The child is now vigorous and healthy. I have recommended this remedy frequently and have never known it to fail.—Mrs. Curtis Baker, Brookwater, Ohio. Sold by Blakeley & Houghton.

Clark & Falk are never closed Sunday Don't forget this.

A Good Cough Medicine.

Many thousands have been restored to health and happiness by the use of Chamberlain's Cough Remedy. If afflicted with any throat or lung trouble, give it a trial for it is certain to prove beneficial. Coughs that have resisted all other treatment for years, have yielded to this remedy and perfect health been restored. Cases that seemed hopeless, that the climate of famous health resorts failed to benefit, have been permanently cured by its use. For sale by Blakeley & Houghton.

Boers Retire From Senekal.

SENEKAL, Orange River Colony, Monday, July 9.—An extended reconnaissance today resulted in the discovery that the Boers had evacuated all their positions around Senekal. Numbers appear to have gone towards Ficksburg, and the remainder in the direction of Bethlehem. The British commanders express the opinion that the retirement of the Boers forebodes a speedy end of the war in this section of the country.

A gentleman recently cured of dyspepsia gave the following appropriate rendering of Burns' famous blessing: "Some have meat and cannot eat, and some have none that want it; but we have meat and we can eat, Kodol Dyspepsia Cure be thanked." This preparation will digest what you eat. It instantly relieves and radically cures indigestion and all stomach disorders.

Boiled to Death.

SAN JOSE, Cal., July 10.—George A. Morse, an aged and absolutely helpless patient in the Agnew's Insane Asylum, was slowly boiled to death in a bath tub in the men's ward of that institution last night. He was placed in a bath tub, and after the hot water was turned on the attendant left the room for a towel, forgot his patient and did not return until the imbecile was fearfully burned.

P. A. Danforth, of LaGrande, Ga., suffered intensely for six months with a frightful running sore on his leg, but writes that Bucklen's Arnica Salve wholly cured it in ten days.
