## ARIZONA SUFFERING FROM DROUTH

Shrunken Frames of Thousands of Cattle Dot the Desert Wastes—Rivers and Reservoirs Without a Drop of Water.

LOS ANGELES, Cal., July 13.—Reports from the drouth-stricken districts of Arizona are to the effect that every water-hole and most of the wells have gone dry. In consequence the cattle are dying by the thousands and their shrunken frames dot the desert country of Pima, Pinal, Santa Cruz, Yuma, Cochise and parts of Maricopa counties. The loss to owners of herds cannot be computed, as in their present gaunt condition no market can be found.

Rarely in the history of the territory has the water in the Gila and Salt rivers been so scarce. Not a drop is reported in the Gila, and there is none in the San Pedro from Benson to its confluence with the Salt river above Phoenix. At Casagrande the immense reservoir is dry, the supply having long since been exhausted. Crops of alfalfa, barley and wheat between Florence and Casagrande, as well as on the Indian reservation at Sacaton, where the Pimas dwell, are beyond hope. Added to all this is the destruction of timber by the forest fires, which continue to rage in the Santa Catalina Mountains.

**Story of a Slave.**  
To be bound hand and foot for years by the chains of disease is the worst form of slavery. George D. Williams, of Manchester, Mich., tells how such a slave was made free. He says: "My wife has been so helpless for five years that she could not turn over in bed alone. After using two bottles of Electric Bitters, she is wonderfully improved and able to do her own work." This supreme remedy for female diseases quickly cures nervousness, sleeplessness, melancholy, headache, backache, fainting and dizzy spells. This miracle working medicine is a godsend to weak, sickly, run down people. Every bottle guaranteed. Only 50 cents. Sold by Blakeley & Houghton Druggists.

During last May an infant child of our neighbor was suffering from Cholera infantum. The doctors had given up all hopes of recovery. I took a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy to the house, telling them I felt sure it would do good if used according to directions. In two days time the child had fully recovered. The child is now vigorous and healthy. I have recommended this remedy frequently and have never known it to fail.—Mrs. Curtis Baker, Brookwater, Ohio. Sold by Blakeley & Houghton.

**Held for Manslaughter.**  
NORTH YAKIMA, Wash., July 13.—George Barrick has been held in the sum of \$2000 bonds on the charge of manslaughter. He is accused of killing an old Indian squaw known as Nettie, one of the wards on the general govern-

ment on the Yakima Indian reservation. The crime was committed on the night of June 26, and the squaw died on July 4. Barrick has failed to find any bondsmen, and will be kept in the county jail until the September term of the superior court.

The accused is a married man, having a wife and one child, 11 years of age. He frequently gets intoxicated, and that is given as the cause of the trouble.

**Catarrh Cannot Be Cured**—with local applications, as they cannot reach the seat of the disease. Catarrh is a blood or constitutional disease, and in order to cure it you must take internal remedies. Hall's Catarrh Cure is taken internally, and acts directly on the blood and mucous surfaces. Hall's Catarrh Cure is not a quack medicine. It was prescribed by one of the best physicians in this country for years, and is a regular prescription. It is composed of the best tonics known, combined with the best blood purifiers, acting directly on the mucous surfaces. The perfect combination of the two ingredients is what produces such wonderful results in curing Catarrh. Send for testimonials, free.

Chinamen Want Big Damages.

SAN FRANCISCO, July 13.—The Chinese residents of the recently quarantined district of this city are preparing to demand compensation for losses alleged to have been sustained owing to the action of the health officials. Detailed lists of losses are being prepared which are expected to form the basis for a suit for damages, estimated by the attorneys at about \$2,000,000, against the city of San Francisco, or of a claim for about that amount against the federal government.

Consul General Ho You says it has not yet been determined which course to pursue. The attorneys will claim that the bubonic plague never existed in Chinatown, and that there was no justification for the action of the national and municipal authorities.

## NO LIGHT ON PEKIN MYSTERY

The Air Is Full of Semi-Official Reports and Counter Reports Purporting to Define the Fate of the Foreigners in China's Capitol.

LONDON, July 13.—A news agency report says that an official message received in London states that all the foreigners in Pekin were murdered July 6.

BRUSSELS, July 13.—The Belgian foreign office has received a cable dispatch from Shanghai announcing, on Chinese authority, that General Ni Chang has defeated the rebels near Pekin, and has relieved Prince Ching and General Yung Lu, who were trying to defend the Europeans.

SHANGHAI, July 12.—Foreign consuls are offering large sums for the production of the letter which a Chinese merchant is said to have received from Pekin dated June 30, saying the legations were demolished and that the foreigners had been killed. The merchant declines to show it, alleging that he fears punishment from the Chinese officials.

Rioting is reported to have occurred at Mingpo, but no confirmation of the reports have been received.

BERLIN, July 13.—According to a semi-official telegram from Canton, dated Thursday, July 12, Li Hung Chang, on July 6, received a written imperial edict, dated June 17, and sent overland, in which all the governors were urged to dispatch troops with the utmost speed to help against the rebels, among whom Prince Taun was clearly indicated.

Acting on this edict, which is said to be undoubtedly genuine, Li Hung Chang is sending some thousands of troops to Pekin and the governors are probably doing the same.

WASHINGTON, July 13.—The Chinese minister, Mr. Wu, has undertaken to get through a cipher cable message from Secretary Hay to United States Minister Conger, at Pekin, and to have the answer brought back, if Mr Conger is alive. The message was prepared by Secretary Hay, and its contents are unknown to any one save him. It was sent to Shanghai with explicit instructions from Minister Wu to spare no efforts or expense to get it into the hands of Mr. Conger.
